Positioned within the Wharenui Rise development, this Platinum Homes House and Land Package offers a well-designed family home on a 554sqm section.

At the heart of the home, the open-plan kitchen, dining and living area provides a central hub for everyday living and entertaining. The kitchen features generous bench space and storage, while seamless flow through to the living areas creates an easy and connected environment for family life.

Three well-proportioned bedrooms include a private master suite complete with walk-in wardrobe and ensuite. The remaining bedrooms are supported by a family bathroom, while a separate WC adds additional convenience for busy households. A double internal access garage and integrated laundry complete the home's practical design.
