

SUMMARY OF PERSONAL ACCIDENT INSURANCE COVER FOR ADVENTURERS (Australia) as at 31 March 2013

(Please note this is a summary only, all claims will be subject to the full policy wording, terms and conditions).

This cover is for all members and invited guests of Adventurer Clubs in Australia provided all Adventurer Clubs in a conference agree to participate in this insurance program.

Adventurers are insured against accidental injury, while participating in or journeying to or from an authorised Adventurer activity.

Cover **excludes** driving or riding in any kind of race.

Important - Under the Medicare Act it is illegal for Insurance Companies to cover those medical items that would or should have been covered by Medicare. This means Insurers cannot cover Medicare payments or Medicare gaps in payments, e.g. a doctor charges \$100 for their service and the Medicare scheduled fee is \$75. This would leave a \$25 gap which is not covered by this policy.

NB: All medical costs must be recovered from all available sources, e.g. Medicare or private health fund before any claim can be made on this policy.
