CEO MESSAGE

TAFE Queensland has a history of serving Queensland's communities for more than 138 years as the largest, most experienced vocational education and training (VET) provider in the state. Our training is delivered to over 110,000 students each year at more than 50 locations across Queensland and we offer more than 500 practical, industry-relevant qualifications ranging from entry-level certificates to bachelor degrees.

Specifically designed to help you get more out of high school, we also offer a range of TAFE at School qualifications. The great thing about a TAFE at School qualification is that it fits around your studies and helps you kick start your career sooner. Completing a TAFE at School qualification also gives you direct entry into most TAFE Queensland qualifications, access to a variety of university pathways, and multiple ways to get started on your trade qualification.

From 2021 the Australian Tertiary Admission Rank (ATAR) will be used for entry to tertiary study in Queensland. Completing a Certificate III level or above TAFE at School qualification can contribute to your ATAR and provide pathways options that can get you started on your degree sooner.

This guide features a range of information about our TAFE at School program from qualifications to trade and university pathways, intakes to payment options and information tailored to your parents and schools. For further information you can also visit our website at tafeqld.edu.au/schoolstudents, call 1300 308 233, or visit your local campus to speak to our friendly customer service team.

I encourage you to speak to your teachers, VET coordinator and/or guidance counsellor, friends and family about your future. There is always an option and a pathway that is right for you, so see where TAFE can take you in 2021 and beyond.

Warm regards,

Mary Campbell
Chief Executive Officer (CEO)
TAFE Queensland

STUDY AREAS

Studying at TAFE Queensland gives you access to multiple pathways to kick start your career, even while you're still at school. Whether you dream of a career in health or hospitality, engineering or electrotechnology, we have a course that's right for you.

ABORIGINAL AND TORRES STRAIT ISLANDER PROGRAMS

15

RATEP
Cultural Arts
Indigenous Housing

HEALTH

18

Gain highly regarded skills to work in the health care sector with diverse people in an assistance role. Training in this industry can open doors to a rewarding career in a fast growing industry.

AUTOMOTIVE

20

Rev up your career with a course in automotive. Learn about cars, engines and vehicle components and set yourself on the path to becoming a professional mechanic.

MARITIME

23

Get a head start on your maritime career. Gain the skills and knowledge to help you maintain marine engine systems, plan and navigate passages and operate inboard and outboard motors.

ENGINEERING

25

Engineer your future for a hands-on career. From boiler making to welding, and fabrication to machining, choose to specialise your engineering skills across a range of areas.

PLUMBING

26

With a strong focus on safe plumbing practices, increase your prospects for a career in the plumbing industry by developing skills with this pre-apprenticeship course.

ELECTROTECHNOLOGY 27

Be at the cutting-edge of technology. This course is suited to mechanically minded students who enjoy technology and mathematics.

CONSTRUCTION 28

Get hands on and lay a solid foundation for your career. Develop practical skills to work in the building and construction industry with a range of trade courses.

FURNITURE MAKING 29

Kick start your career in the furnishing industry. Learn how to select appropriate tools, equipment and materials to produce simple pieces of furniture and prepare for cabinet installation.

LOGISTICS 30

Gain practical skills in logistics and warehousing which involve the storage and distribution of goods and products between suppliers and customers.

AGRICULTURE 31

Learn while enjoying the outdoors and watch your work come to life. Turn your passion for conservation into a career, or get ready for a life on the land.

BEAUTY AND HAIRDRESSING 32

Style your career with courses in beauty or hairdressing. Learn how to use your imagination to help others look and feel beautiful.

HOSPITALITY AND KITCHEN OPERATIONS 34

Get a taste for the fast paced hospitality industry. Gain practical skills that can see you work in a variety of roles, anywhere in the world.

TOURISM 36

Embark on an exciting career in the tourism industry. Learn how to access, interpret and deliver information about events, activities, travel destinations and products. Use this training to work anywhere in the world.

COURSES BY LOCATION 37

If location is key for you, search for courses offered by campus location.

GET MORE OUT OF HIGH SCHOOL WITH TAFE AT SCHOOL

If you're a Year 10*, 11 or 12 student you may be able to complete a TAFE Queensland qualification while you're still at school.

Choose from a variety of certificate I to diploma courses from a range of study areas from construction to community services, hospitality to health care and everything in between.

HOW TO APPLY

To submit an application for a TAFE at School course, visit **tafeapply.com**

You'll need the application code for the course in the location you want to apply for. These can be found at the back of this guide. You will also need your Learner Unique Identifier (LUI) and Unique Student Identifier (USI) numbers. If you don't have a USI yet, head to **usi.gov.au** to get one.

* Subject to a letter of support from the school principal.

“ I really liked my TAFE at School training a lot and I enjoyed the break from my regular Year 11 timetable. Everything that I was learning through TAFE at School was very real-world focused, there were a lot of practical lessons as well as the theory side of things.

I submitted my resume to a salon and the owner was really impressed that I was already studying hairdressing. She told me that it was amazing that I was receiving hands-on experience and that the skills I had already gained would help me in the workplace. ”

ALANNA DEAN

ABOUT TAFE AT SCHOOL

BENEFITS OF TAFE AT SCHOOL

- Fits around your senior studies
- Get valuable Queensland Certificate of Education (QCE) credits*
- May contribute to your Australian Tertiary Admissions Rank (ATAR)*
- Direct entry to any related TAFE Queensland course
- Open up a variety of university pathways
- Gain credits towards an apprenticeship, diploma or university studies
- Build practical skills in an adult learning environment
- Get work ready

FLEXIBLE STUDY OPTIONS

TAFE Queensland offers flexible study options so you can gain a VET qualification while you're still at school in a way that best suits you.

ON CAMPUS

TAFE Queensland offers some of the best training facilities in the state, with advanced, industry-standard workspaces and classrooms. All training is delivered in an adult learning environment so you'll get a taste of what it's like to study in a higher education setting. You'll also learn from our highly qualified teachers and benefit from their vast experience.

AT SCHOOL

Many Queensland schools have partnered with TAFE Queensland to deliver vocational qualifications. School teachers are given specific training so they are qualified to deliver TAFE Queensland courses. Even if you undertake your training at school, you will still receive a TAFE Queensland qualification when you complete your course.

TRADE TASTER

Year 10 school students have access to a Trade Taster program which is funded by the Queensland Government. This is unique to TAFE Queensland and offered at NO COST. The program allows students to experience the Trades industry by studying one unit of competency from different Trade areas.

INDUSTRY EXPERIENCE

Some TAFE at School courses require you to complete work placements, or in some instances to work in the industry. This gives you the opportunity to build your skills and confidence dealing with real-life situations. Work placement requirements should be discussed with your teacher prior to commencement of study.

SCHOOL-BASED APPRENTICESHIP OR TRAINEESHIP

TAFE Queensland offers both school-based apprenticeships and traineeships, which get you work-ready and a step ahead of your peers.

Becoming a school-based apprentice or trainee gives you skills in a vocation or trade and allows you to earn money while you're still at school. A school-based apprenticeship or traineeship also contributes credits towards your Queensland Certificate of Education (QCE).

After selecting the industry you are interested in and talking with your school and parents, your next step is to secure employment as an apprentice or trainee. An employer can be found through family and friends, by directly contacting employers and group training organisations, or by applying for advertised jobs.

Once you have secured an apprenticeship or traineeship, just let your employer know you want to study with us.

School-based apprentices and trainees do not pay fees for training at TAFE Queensland, this is funded by the Queensland Government; however you may need to pay some costs for tools and compulsory personal protective equipment, which we will outline upon enrolment. When you become a full-time apprentice or trainee after completing Year 12, you may be eligible for fee-free training for the remainder of your apprenticeship.

For more information about school-based apprenticeships or traineeships call 1800 210 210 or visit training.qld.gov.au/apprenticeshipsinfo.

Enrolment into a TAFE at School course is subject to eligibility requirements. Talk to your school VET coordinator or guidance counsellor or contact your TAFE at School team on north.schools@tafe.qld.edu.au

*Eligibility conditions apply.

TERM DATES AND INTAKES

| TAFE Queensland term dates align with Queensland school terms to fit in with your senior studies.

TERM DATES 2021

QUEENSLAND SCHOOLS		TAFE QUEENSLAND	
TERM 1	START	Wednesday 27 January	START Monday 1 February
	FINISH	Thursday 1 April	FINISH Thursday 1 April
TERM 2	START	Monday 19 April	START Monday 19 April
	FINISH	Friday 25 June	FINISH Friday 25 June
TERM 3	START	Monday 12 July	START Monday 12 July
	FINISH	Friday 17 September	FINISH Friday 17 September
TERM 4	START	Tuesday 5 October	START Tuesday 5 October
	FINISH	Friday 10 December	FINISH Friday 5 November

COSTS AND PAYMENT OPTIONS

Costs vary from course to course and you can check our website for the most up-to-date prices. You may be eligible for a range of fee-free TAFE at School courses, covered under VET in Schools (VETiS) funding, this is funded by the Queensland Government. The courses advertised as VETiS funded in this guide are only applicable if you have not accessed VETiS funding in the past.

For further information, please refer to the VETiS section of training.qld.gov.au. Eligible students are entitled to one VETiS funded program only.

Payment plans may also be available to assist with payment of your course; however if you're under 18 you will need a guarantor. Applications will be subject to credit checks. For information about our withdrawal and refund policy, visit the TAFE Queensland website: tafeqld.edu.au.

STUDENT SUPPORT

At TAFE Queensland we aim to create a supportive and inclusive learning environment to help you achieve your study goals. Your school's student assistance program is responsible for ensuring you receive appropriate levels of support while you are participating in the TAFE Queensland environment.

POST-SCHOOL OPTIONS

BECOME AN APPRENTICE OR TRAINEE

Learn hands-on with the same equipment and tools used in industry, combining working for an employer and studying at TAFE Queensland, and graduate with a nationally-recognised qualification.

Applying for an apprenticeship or traineeship is very similar to applying for any other job. You need to have a current resume that lists your education, interests and referees. Studying a TAFE at School pre-apprenticeship course can boost your chances of landing your dream job by demonstrating to a potential employer that you're actively interested in their industry.

The first step is to visit an Apprenticeship Network Provider (ANP) to help connect you with an employer. Once you have secured your apprenticeship, talk to your employer about choosing TAFE Queensland as your training provider. Your employer will sort out the formalities of your training contract directly with TAFE Queensland.

For more information visit tafeqld.edu.au/apprentices.

APPLY FOR A TAFE QUEENSLAND CERTIFICATE OR DIPLOMA

After successfully completing a TAFE at School course/s you may be eligible for direct entry into any related TAFE Queensland diploma.

It's as simple as getting in contact with us and letting us know which course you want to study.

Check out our website to see our full range of courses, from certificates through to diplomas and degrees at tafeqld.edu.au/courses.

GET READY FOR UNIVERSITY

If you need to complete additional prerequisites for university during or after high school, Unilearn is the perfect option. You can study a range of subjects from maths and science to senior English.

With the ability to study online and after hours, you can easily add a Unilearn subject or two to your senior schooling years. Unilearn subjects can also provide additional Queensland Certificate of Education (QCE) credit points.

Alternatively if you want to increase your tertiary admissions rank, our Adult Tertiary Preparation (ATP) course can help you achieve your goals.

For more information visit tafeqld.edu.au/atp.

GO TO UNIVERSITY

There's more than one way to get into your dream university course. Successfully completing a diploma at TAFE Queensland can help secure you a place in a bachelor degree through our partnerships with local universities.

In many cases, you can enter your university degree straight into second year, meaning you will receive a diploma and a degree in the same amount of time it usually takes to complete a degree on its own.

Many of our diploma courses have formal articulation arrangements with some of Australia's top universities. This means your university may also give you credit for your study at TAFE Queensland, shaving time off your degree.

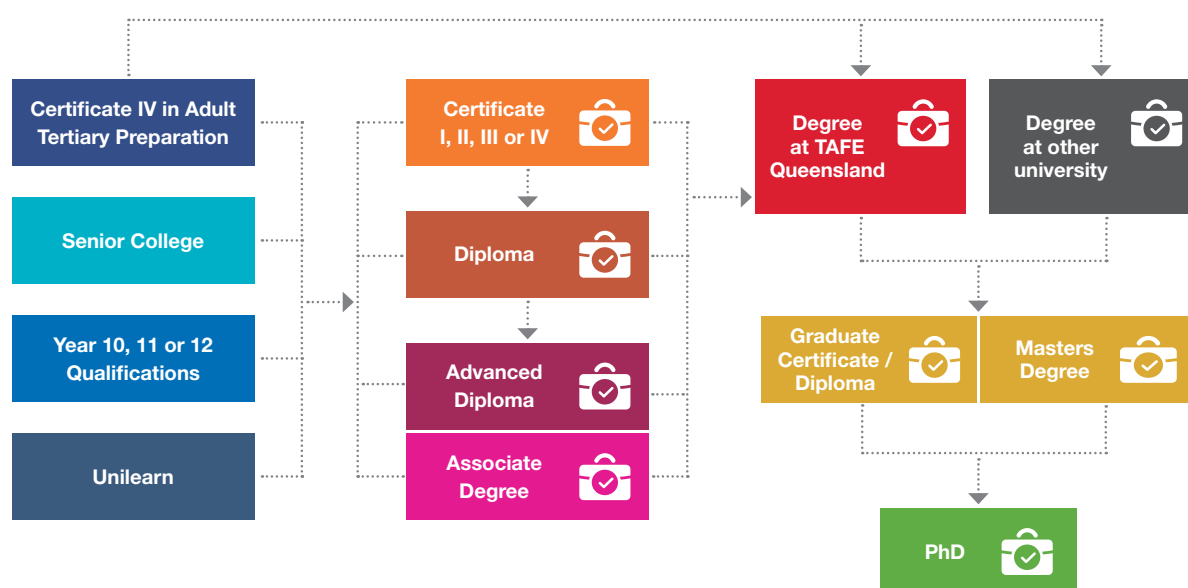

For more information visit tafeqld.edu.au/pathways.

PATHWAYS TO YOUR FUTURE

There are plenty of ways to land your dream career, so give yourself a head start and fast track your studies in the process with a TAFE at School course.

Once you complete your TAFE at School course, you may be eligible for direct entry into any related TAFE Queensland diploma. When you complete your diploma, our partnerships with local universities can help guarantee you a place in a bachelor degree.

OUR PARTNER UNIVERSITIES AND HIGHER EDUCATION PROVIDERS

There's more than one way to get into your dream university degree. TAFE Queensland has a range of pathway options and partners that can get you started on your university degree sooner.

INFORMATION FOR PARENTS

It's tough being a teenager in their final years of school, trying to decide what to do with the rest of their lives. The pressure's on as early as Year 10 and it feels like results and choices will make or break their future.

It can be tough for parents too. Knowing when to intervene or when to take a step back seems impossible at times. But your behind-the-scenes role is crucial to their success.

ABOUT VOCATIONAL EDUCATION AND TRAINING

University is not for everyone. Vocational training is not for everyone. Education is for everyone.

Most careers need some form of education and training. But they don't all require a university degree. There are a variety of reasons your child or students should consider vocational education and training (VET). Perhaps they want to enter a trade, test out an industry, gain Queensland Certificate of Education (QCE) credits, or maybe they just need to improve or contribute towards their Australian Tertiary Admission Rank (ATAR).

BUSTING VET MYTHS

The 2017 Perceptions are Not Reality report from Skills Australia debunked some of the most common misconceptions about vocational education and training in Australia.

MYTH: Almost 30 per cent of Australians believe that university graduates find work more easily than VET graduates.

FACT: VET graduates have a higher employment rate than university graduates. The average employment rate of a VET graduate is 78 per cent (it's 69 per cent for university graduates).

MYTH: One in five Australians believe that VET graduates earn less than university graduates.

FACT: The average VET graduate actually earns similar wages to, if not more than, an average university graduate.

MYTH: Three in five Australians believe we need university education more than VET to thrive in a globally competitive world. Almost half those people think VET is no longer as relevant as university education.

FACT: VET aims to provide the skills we need to keep up with our quickly changing employment and industry trends. Additionally VET provides courses for nine out of 10 occupations predicted to have the greatest growth of new jobs over the next five years.

WHY TAFE QUEENSLAND

Not everyone learns in the same way or at the same pace. At TAFE Queensland there are as many options as there are individuals with pathway options to suit your child's needs and help them kick start their career.

For more information visit tafeqld.edu.au/parents.

INFORMATION FOR SCHOOLS

Designed to deliver practical, workplace-specific skills and knowledge, VET covers a wide range of careers and industries. If you find that your students struggle in a traditional classroom, or if they're tactile learners, VET may be where they will really shine.

HOW TAFE QUEENSLAND CAN HELP

With more than 500 nationally-recognised qualifications from entry-level certificates to bachelor degrees, studying at TAFE Queensland gives your students access to multiple pathways to get a head start on their careers.

They will learn in industry-standard facilities, have access to a range of student support services, be able to take advantage of a wide range of university pathway options, and so much more.

For more information visit tafeqld.edu.au/advisors.

PARTNERSHIP WITH SCHOOLS PROGRAM

TAFE Queensland's Partnership with Schools Program means school teachers can deliver training to their students at their own school. TAFE Queensland provides the school with mentor support, learning and assessment resources, and advice on training delivery and student assessment to ensure the delivery of the highest standard of industry-relevant training.

Even though students are completing their training at school, they are enrolled with TAFE Queensland and are issued with a TAFE Queensland qualification on completion of their studies.

To discuss a customised partnership arrangement for your school, please contact your local TAFE at School team.

TRAINING FOR SCHOOL TEACHERS

TAFE Queensland offers low-cost training for school teachers so they can deliver VET programs at their school.

Teachers can train in certificate I and II courses relevant to the delivery of TAFE at School courses, as well as higher level qualifications for teachers who want to broaden their skills.

Teachers with existing industry-related experience may be eligible for Recognition of Prior Learning (RPL) to earn a full or partial qualification, with gap training available.

IVET ONLINE PORTAL

TAFE Queensland has partnered with IVET to deliver greater timetable and delivery flexibility for teachers. IVET provides an online portal that enables teachers to have instant access to student progress, course information, digital resources, classroom management, PD logging, compliance, teacher qualification management, and more.

IVET currently facilitates a selection of TAFE at School courses across a range of study areas, and more will be added as development continues.

TEACHER AIDE TRAINING

TAFE Queensland also provides nationally-recognised training for teacher aides. Our strong relationships with schools means we can provide opportunities for your staff to gain knowledge and skills across a wide variety of workplace settings.

For more information visit tafeqld.edu.au/education-support or contact us today.

CONTACT US

For more information please contact your local TAFE at School team at north.schools@tafe.qld.edu.au.

CAMPUS LOCATIONS

While you study with us, our campuses will be your home away from home. That's why we've made sure each location is welcoming, lively and perfect for productive learning.

TAFE Queensland campuses are spread over many locations across Queensland. We are perfectly placed to help you make the most of everything that Queensland has to offer educationally, socially and geographically.

Refer to the back cover of this brochure for campus address details.
For a full list of our campus locations or for detailed maps of each campus, visit tafeqld.edu.au.

diesel fitter,
vehicle body builder

CERTIFICATE II IN AUTOMOTIVE ELECTRICAL TECHNOLOGY

COURSE CODE: AUR20416

CORE UNITS

AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURASA002	Follow safe working practices in an automotive workplace
AURETK002	Use and maintain electrical test equipment in an automotive workplace
AURETR006	Solder electrical wiring and circuits
AURETR007	Apply knowledge of automotive electrical circuits and wiring systems
AURETR008	Remove and replace electrical units and assemblies
AURETR009	Install vehicle lighting and wiring systems
AURETR011	Install basic ancillary electrical systems and components
AURETR012	Test and repair basic electrical circuits
AURETR015	Inspect, test and service batteries

ELECTIVE UNITS

AURATA001	Identify basic automotive faults using troubleshooting processes
AURETK001	Identify, select and use low voltage electrical test equipment
AURETR013	Inspect, test and service charging systems
AURTTK002	Use and maintain tools and equipment in an automotive workplace
AURETR016	Read and apply vehicle wiring schematics and drawings

PATHWAY OPTIONS

Certificate II in Automotive Electrical Technology AUR20416
(May be completed as a TAFE Queensland program or traineeship)

APPRENTICESHIP ONLY

Certificate III in Automotive Electrical Technology AUR30316

Certificate III in Heavy Commercial Vehicle Technology AUR31116

Certificate III in Light Vehicle Mechanical Technology AUR30616

Certificate III in Mobile Plant Technology AUR31216

CAREER OUTCOMES

Automotive trade assistant,
vehicle service assistant

CAREER OUTCOMES

Automotive electrician,
automotive air-conditioning fitter,
automotive electrical fitter,
automotive manufacturing technician,
automotive mechanic,
automotive parts interpreter,
diesel fitter,
vehicle body builder

DELIVERY & LOCATION

Face-to-face, one day a week

Cairns

Innisfail

Townsville Trade Training Centre (Bohle)

Face-to-face, block training

Mount Isa

DURATION

4 terms

FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies.

Refer to page 9 of this guide for more information.

QCE CREDITS

4 credits

Gain foundation skills and knowledge to service and repair electrical and mechanical systems in light or heavy vehicles.

Learn how to service engines, build and solder electrical circuits, install electrical accessories, and more. Use this training as a pathway to an automotive mechanical or automotive electrical apprenticeship.

AUTOMOTIVE

DELIVERY & LOCATION

Face-to-face, block training
Thursday Island

DURATION

4 terms

FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies.

Refer to page 9 of this guide for more information.

QCE CREDITS

4 credits

Gain basic skills to work as a small engine mechanic. Learn to service and repair outdoor power engines and power components of lawn mowers, chainsaws, brush cutters, generators and pumps. This qualification reflects the role of individuals who perform a limited range of tasks in the outdoor power equipment retail, service and repair industry.

CERTIFICATE II IN OUTDOOR POWER EQUIPMENT TECHNOLOGY

COURSE CODE: AUR20816

CORE UNITS

AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURFA001	Use numbers in an automotive workplace
AURFA002	Read and respond to automotive workplace information
AURASA002	Follow safe working practices in an automotive workplace
AURETR006	Solder electrical wiring and circuits
AURETR015	Inspect, test and service batteries
AURPTE002	Inspect and service outdoor power equipment engines
AURTTK002	Use and maintain tools and equipment in an automotive workplace

ELECTIVE UNITS to be confirmed.

PATHWAY OPTIONS

Certificate II in Outdoor Power Equipment Technology
AUR20816

APPRENTICESHIP ONLY

Certificate III in Outdoor Power Equipment Technology
AUR30716

CAREER OUTCOMES

Outdoor power equipment service technician

CAREER OUTCOMES

Small engine mechanic

CERTIFICATE II IN MARINE MECHANICAL TECHNOLOGY

COURSE CODE: AUR20616

CORE UNITS	
AURAEA002	Follow environmental and sustainability best practice in an automotive workplace
AURAF001	Use numbers in an automotive workplace
AURAF002	Read and respond to automotive workplace information
AURAF005	Write routine texts in an automotive workplace
AURASA002	Follow safe working practices in an automotive workplace
AURRTE002	Inspect and service marine outboard engines
AURRTE003	Inspect and service marine inboard engines
AURRTQ001	Inspect and service marine inboard propeller drive systems
AURRTQ002	Inspect and service marine jet drive propulsion systems
AURRTX001	Inspect and service marine outboard and stern drive transmissions
AURRTX002	Inspect and service marine inboard transmissions
AURTTK002	Use and maintain tools and equipment in an automotive workplace

ELECTIVE UNITS to be confirmed.

PATHWAY OPTIONS	CAREER OUTCOMES
Certificate II in Marine Mechanical Technology AUR20616	Marine serviceperson
APPRENTICESHIP ONLY	CAREER OUTCOMES
Certificate III in Marine Mechanical Technology AUR30516	Marine technician

DELIVERY & LOCATION

Face-to-face, one day a week
Cannonvale

DURATION

4 terms

FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies. Refer to page 9 of this guide for more information.

QCE CREDITS

4 credits

Gain basic skills to work as a marine service mechanic. Learn to service inboard and outboard engines, inboard propeller drive systems, jet drive propulsion systems, outboard and stern drive transmissions and marine inboard transmissions. Use this training as a pathway into a marine mechanical apprenticeship.

MARITIME

CERTIFICATE II IN MARITIME OPERATIONS (COXSWAIN GRADE 1 NEAR COASTAL)

COURSE CODE: MAR20318

CORE UNITS

HLTAID003	Provide first aid
MARB027	Perform basic servicing and maintenance of main propulsion unit and auxiliary systems
MARC037	Operate inboard and outboard motors
MARC038	Operate main propulsion unit and auxiliary systems
MARF027	Apply basic survival skills in the event of vessel abandonment
MARF028	Follow procedures to minimise and fight fires on board a vessel
MARF029	Meet work health and safety requirements
MARF030	Survive at sea using survival craft
MARH013	Plan and navigate a passage for a vessel up to 12 metres
MARI003	Comply with regulations to ensure safe operation of a vessel up to 12 metres
MARJ006	Follow environmental work practices
MARK007	Handle a vessel up to 12 metres
MARN008	Apply seamanship skills aboard a vessel up to 12 metres

ELECTIVE UNITS to be confirmed.

The Certificate II in Maritime Operations (Coxswain Grade 1 Near Coastal) MAR20318 qualification is issued by TAFE Queensland and will be awarded at the completion of successful study. However in order to actually 'work' on a commercial vessel, students must obtain a Certificate of Competency from the Australian Maritime Safety Authority (AMSA).

Please note this Certificate of Competency is optional and only required if you wish to work in the maritime industry and it is the responsibility of the student as there are a number of components related to the application.

This application must be submitted to AMSA within 12 months of the issue date on your AMSA Mandated Practical Assessment (AMPA) issued by TAFE Queensland at the completion of successful studies.

Additional information will be provided on application.

DELIVERY & LOCATION

Face-to-face, one day a week
Great Barrier Reef International
Marine College, Cairns

Face-to-face, block training
Thursday Island

DURATION

4 terms

FEES

There is no cost to students or the school for the first qualification. Funding for this certificate qualification is available through the Vocational Education and Training in Schools (VETiS) program, funded by the Queensland Government. Eligibility criteria applies.

Refer to page 9 of this guide for more information.

QCE CREDITS

4 credits

Get a head start on your maritime career with this entry-level course. Gain skills to operate a commercial vessel up to 12m long. Learn how to maintain auxiliary marine engine systems, plan and navigate a passage and operate inboard and outboard motors.

PATHWAY OPTIONS

Certificate II in Maritime Operations (Coxswain Grade 1 Near Coastal) MAR20318

Certificate III in Maritime Operations (Master up to 24m Near Coastal) MAR30918

Certificate IV in Maritime Operations (Master up to 35m Near Coastal) MAR40618

CAREER OUTCOMES

Deckhand/Master of vessels up to 12m

Master of vessels up to 24m

Mate/Master of vessels up to 35m

CERTIFICATE II IN ENGINEERING PATHWAYS

COURSE CODE: MEM20413

CORE UNITS	
MEM13014A	Apply principles of occupational health and safety in the work environment
MEMPE005A	Develop a career plan for the engineering and manufacturing industry
MEMPE006A	Undertake a basic engineering project
MSAENV272B	Participate in environmentally sustainable work practices

ELECTIVE UNITS	
MEM16006A	Organise and communicate information
MEM16008A	Interact with computing technology
MEM18001C	Use hand tools
MEM18002B	Use power tools/hand held operations
MEMPE001A	Use engineering workshop machines
MEMPE002A	Use electric welding machines
MEMPE003A	Use oxy-acetylene and soldering equipment
MEMPE004A	Use fabrication equipment
MEMPE007A	Pull apart and re-assemble engineering mechanisms
MSAPMSUP106A	Work in a team

PATHWAY OPTIONS

Certificate II in Engineering Pathways MEM20413

OR

Certificate II in Engineering MEM20105

CAREER OUTCOMES

Trade assistant/worker in diesel mechanical, metal fabrication, machining, or fitting and turning

APPRENTICESHIP ONLY

Certificate III in Engineering – Fabrication Trade MEM30305

Certificate III in Engineering – Mechanical Trade MEM30205

CAREER OUTCOMES

Fitter and turner, diesel fitter metal fabricator, welder, machinist, patternmaker, moulder, locksmith, boat builder

POST-TRADE STUDY

Certificate IV in Engineering MEM40105

Certificate IV in Engineering Drafting MEM40412

Diploma of Engineering – Technical MEM50212

Diploma of Engineering – Advanced Trade MEM50105

Advanced Diploma of Engineering MEM60112

Advanced Diploma of Building and Construction (Management) CPC60212

CAREER OUTCOMES

Higher engineering tradesperson, special class tradesperson draftsman

Senior draftsman, advanced engineering tradesperson

Consultant, project manager

Builder – open, site supervisor – open, senior office manager

QCE CREDITS

4 credits

Increase your prospects for a career in the plumbing industry by developing your skills with this pre-apprenticeship course. With a strong focus on safe plumbing practices, you will learn how to operate hand and power tools, read plans and perform basic welding and plumbing installation techniques. Construction Industry White Card training is delivered in this course, which is an industry requirement to work on a Queensland construction site.

CERTIFICATE II IN PLUMBING

COURSE CODE: 52700WA

CORE UNITS

CPCCWHS1001	Prepare to work safely in the construction industry
CPCCOHS2001A	Apply OHS requirements, policies and procedures in the construction industry
CPCCCM2008A	Erect and dismantle restricted height scaffolding
CPCPCM2040A	Read plans and calculate plumbing quantities
CPCPCM2041A	Work effectively in the plumbing and services sector
CPCPCM2043A	Carry out WHS requirements
HLTFA211A	Provide basic emergency life support
CPCPCM2046A	Use plumbing hand and power tools
CPCPCM2048A	Cut and join sheet metal
CPCPCM2050A	Mark out materials
CPCPCM2052A	Weld using oxy-acetylene equipment
CPCPCM2053A	Weld using manual metal arc welding equipment
CPCPCM2055A	Work safely on roofs
CPCPCM1015A	Carry out measurements and calculations
CPCPCM2010B	Work safely on heights
CPCPCM2047A	Carry out leveling
VPC080	80 hours vocational placement

ELECTIVE UNITS to be confirmed.

PATHWAY OPTIONS

Certificate II in Plumbing
52700WA

APPRENTICESHIP ONLY

Certificate III in Plumbing
CPC32413

Certificate III in Roof Plumbing
CPC32612

Certificate III in Gas Fitting
CPC32713

POST-TRADE STUDY

Certificate IV in Plumbing
and Services CPC40912

Certificate IV in Building and
Construction (Building)
CPC40110

Diploma of Building and
Construction (Building)
CPC50210

CAREER OUTCOMES

Plumbing trade assistant/worker

CAREER OUTCOMES

Plumber, roof plumber,
gas fitter,
plumber (mechanical)

CAREER OUTCOMES

Plumbing contractor,
fire services supervisor,
specialist hydraulic designer,
site supervisor – low rise,
building estimator

Builder, building designer,
site supervisor – medium
and low rise,
construction manager,
project manager,
consultant

CERTIFICATE II IN ELECTROTECHNOLOGY (CAREER START)

COURSE CODE: UEE22011

Students will be required to meet high language, literacy and numeracy (LLN) standards to gain entry into this program. A LLN assessment will be required at the time of application.

CORE UNITS	
UEENEEE101A	Apply Occupational Health and Safety regulations, codes and practices in the workplace
UEENEEE104A	Solve problems in d.c. circuits
UEENEEE141A	Use of routine equipment/plant/technologies in an energy sector environment
UEENEEE148A	Carry out routine work activities in an energy sector environment
UEENEEE179A	Identify and select components, accessories and materials for energy sector work activities
UEENEK142A	Apply environmentally and sustainable procedures in the energy sector

ELECTIVE UNITS to be confirmed.

PATHWAY OPTIONS	CAREER OUTCOMES
Certificate II in Electrotechnology (Career Start) UEE22011	Enhanced opportunity to gain apprenticeship
APPRENTICESHIP ONLY	CAREER OUTCOMES
Certificate III in Electrotechnology (Electrician) UEE30811	General electrician, electronics and communications tradesperson, electrical instrumentation tradesperson, air-conditioning and refrigeration, electrical fitter
Certificate III in Air-conditioning and Refrigeration UEE32211	
POST-TRADE STUDY	CAREER OUTCOMES
Certificate IV in Hazardous Areas – Electrical UEE42611	Electrical fitter, electrician – special class, installation technician, industrial automation and control technician, electrical instrumentation tradesperson
Certificate IV in Industrial Automation and Control UEE43211	
Certificate IV in Electrical – Instrumentation UEE40411	
Diploma of Electronics and Communications Engineering UEE50511	Technical officer specialising in electrical, engineering, instrumentation and control, electronics and communications, or refrigeration and air-conditioning
Diploma of Air-conditioning and Refrigeration Engineering UEE51211	
Advanced Diploma of Electrical – Engineering UEE62211	Electrical engineer, senior technical officer specialising in electrical technology or electronics engineering
Advanced Diploma of Electronics and Communications Engineering UEE60211

QCE CREDITS

3 credits

Build a career in carpentry with this pre-apprenticeship course. Gain basic skills and learn to read and interpret plans, measure and calculate. Use construction tools and materials to undertake a basic construction project. Construction Industry White Card training is also delivered in this course, which is an industry requirement for you to work on a Queensland construction site.

CERTIFICATE I IN CONSTRUCTION

COURSE CODE: CPC10111

CORE UNITS

CPCCCM1012A	Work effectively and sustainably in the construction industry
CPCCCM1013A	Plan and organise work
CPCCCM1014A	Conduct workplace communication
CPCCCM2001A	Read and interpret plans and specifications
CPCCCM2005B	Use construction tools and equipment
CPCCWHS1001	Prepare to work safely in the construction industry
CPCCOHS2001A	Apply OHS requirements, policies and procedures in the construction industry
CPCCVE1011A	Undertake a basic construction project

ELECTIVE UNITS to be confirmed.

PATHWAY OPTIONS

Certificate I in Construction
CPC10111

APPRENTICESHIP ONLY

Certificate III in Carpentry
CPC30211

Certificate III in Bricklaying/
Blocklaying CPC30111

Certificate III in Painting
and Decorating CPC30611

Certificate III in Plumbing
CPC32413

CAREER OUTCOMES

Trade assistant/worker in
carpentry, joinery, building or
cabinetmaking

CAREER OUTCOMES

Carpenter, joiner,
shopfitter, bricklayer, painter,
solid plasterer, roof tiler,
stonemason, plasterer,
flooring technician, tiler

POST-TRADE STUDY

Certificate IV in Building and
Construction (Building)
CPC40110

Certificate IV in Building and
Construction (Estimating)
CPC40308

Diploma of Building Design
CPP50911

Diploma of Building and
Construction (Building)
CPC50210

Diploma of Building and
Construction (Management)

CAREER OUTCOMES

Trade contractor, estimator,
builder – low rise,
site supervisor – low rise

Building designer, consultant,
builder – medium and low rise,
site supervisor – medium and
low rise, office manager,
contract administrator

Builder – open,
site supervisor – open,
senior office manager

CERTIFICATE II IN FURNITURE MAKING PATHWAYS

COURSE CODE: MSF20516

CORE UNITS	
MSMENV272	Participate in environmentally sustainable work practices
MSMPCI103	Demonstrate care and apply safe practices at work
MSFGN2001	Make measurements and calculations
MSFFP2001	Undertake a basic furniture making project
MSFFP2002	Develop a career plan for the furnishing industry

ELECTIVE UNITS to be confirmed.

PATHWAY OPTIONS	CAREER OUTCOMES
Certificate II in Furniture Making Pathways MSF20516	Furniture making trade assistant/worker
APPRENTICESHIP ONLY	CAREER OUTCOMES
Certificate III in Cabinet Making MSF31113	Cabinet maker, furniture finisher, wood machinist, upholsterer
Certificate III in Furniture Finishing MSF30113	
Certificate III in Timber and Composites Machining MSF30313	
Certificate III in Upholstery MSF30713	
POST-TRADE STUDY	CAREER OUTCOMES
Certificate IV in Furniture Design and Technology MSF40213	Furniture designer, fine furniture maker

QCE CREDITS

4 credits

Gain practical skills in a range of warehousing duties including processing customer orders, receiving and despatching goods as well as workplace health and safety and customer service skills within a logistics environment.

PATHWAY OPTIONS

Certificate II in Logistics
TLI21815

Certificate III in Warehousing
Operations TLI31616

CAREER OUTCOMES

Logistics support officer,
logistics clerk,
warehouse storeperson

Storeperson

CERTIFICATE II IN AGRICULTURE

COURSE CODE: AHC20116

CORE UNITS

AHCWHS201	Participate in work health and safety processes
AHCWRK204	Work effectively in the industry
AHCWRK209	Participate in environmentally sustainable work practices

ELECTIVE UNITS (TO BE NEGOTIATED)

AHCINF202	Install, maintain and repair farm fencing
AHCINF203	Maintain properties and structures
AHCLSK202	Care for health and welfare of livestock
AHCLSK204	Carry out regular livestock observation
AHCLSK205	Handle livestock using basic techniques
AHCLSK206	Identify and mark livestock
AHCLSK207	Load and unload livestock
AHCLSK211	Provide feed for livestock
AHCMOM201	Operate two wheel motorbikes
AHCMOM202	Operate tractors
AHCMOM203	Operate basic machinery and equipment
AHCMOM204	Undertake operational maintenance of machinery
AHCMOM217	Operate quad bikes
AHCPMG201	Treat weeds
AHCWRK205	Participate in workplace communications

PATHWAY OPTIONS

Certificate II in Agriculture
AHC20116

CAREER OUTCOMES

Assistant farm or station hand,
assistant animal
attendant/stockperson

APPRENTICESHIP ONLY

Certificate II in Rural Operations
AHC32816

CAREER OUTCOMES

Rural sales assistant,
rural operations worker,
senior rural operations farmhand

Certificate III in Agriculture
AHC30116

Farm hand or station hand

Certificate III in Agricultural
Mechanical Technology
AUR30416

Automotive mechanic, agricultural
mechanical technician
