

EARLY OFFER GUARANTEE

GET INTO UNI, SOONER

Rise, and shine.

If you're a Year 12 student who is serious about getting into uni, beat the stress with USC's Early Offer Guarantee.

The Early Offer Guarantee is for Year 12 students who want to get their uni offer sorted as soon as possible. If your year 12 results show you're on track to succeed in gaining entry to your preferred USC degree and you have the right level of motivation and commitment, you can secure an offer as early as August – before final results and ATARs are released.

Get into uni, sooner

Jamison Kehl applied for an early offer from USC and said it was a relief not to have to deal with the stress of waiting for results and university offers.

“It creates a sense of closure knowing that I am definitely going to my desired university next year and gives me more time to prepare for the transition.”

The Early Offer Guarantee is an early and guaranteed offer program for eligible Year 12 students. To apply, your school will need to be registered with us and you'll need your school Principal's approval. Your Principal will consider your academic performance, motivation to succeed, and personal qualities like your interests, passion and talents.

You don't need to be ATAR eligible to apply, but you do need to demonstrate a level of academic performance and potential in line with the ATAR/rank minimum selection threshold for your preferred program.

The Early Offer Guarantee is no free ride and all normal course prerequisites and other program specific requirements still apply. If you can show you're ready to succeed at university and want to know your uni plans are sorted as soon as August, the Early Offer Guarantee is for you.

Note: The Bachelor of Biomedical Science (Accelerated), Bachelor of Dietetics, Bachelor of Medical Science and Bachelor of Midwifery are not available through the Early Offer Guarantee. If you would like to apply for one of these programs, discuss your options with your school's coordinator. You may be able to apply for your backup preference through the Early Offer Guarantee.

Why apply?

Get an early offer for a USC program based on your academic potential, motivation, skills, talents and passion.

No need to wait for your Year 12 results. You can relax and enjoy your summer holidays knowing uni is sorted.

Access USC support services as soon as you have received your offer, including pre-semester academic skills and career advice.

Not quite ready?

To receive an Early Offer Guarantee, you need to meet all course prerequisites and other program specific requirements, and demonstrate a level of academic performance in line with the ATAR/rank minimum selection threshold for your preferred program

If you're not quite there yet, USC can help.

The Tertiary Preparation Pathway (TPP) is one semester of study that helps build your academic skills to get you ready for a degree. TPP courses are free* and can also help you meet subject prerequisites for your chosen degree.

On successful completion of TPP, you may be able to apply directly to USC for your chosen program.

A pathway diploma offers a full-time, one-year program where you can get a taste for university, and have something to show for it, without the commitment of a full degree program. It's designed to introduce you to a field of study and help you develop the skills and knowledge you need to succeed at university and in the workforce.

Your school may recommend one of these pathways for you.

*Tuition fees apply for international students studying TPP.

GET MONEY TO HELP YOU STUDY

Apply for a scholarship

You can apply for a scholarship before you receive an offer.

It's easy to apply, too. You only need to submit one application form to be considered for the many USC scholarships and bursaries on offer. Apply now and find the support you need to rise, and shine.

Scholarship applications for Semester 1, 2021 open 1 September 2020 and close 30 November 2020.

HOW TO APPLY

- 1. CHOOSE THE PROGRAM/S YOU WANT TO APPLY FOR**
To search for programs, go to usc.edu.au/programs or check out the Undergraduate Guide. Remember, you need to meet all course prerequisites and other program specific requirements for your chosen program.
- 2. COMPLETE THE APPLICATION FORM** Download the application form at usc.edu.au/early-offer and meet with your Early Offer Guarantee Coordinator within your school.
- 3. NOMINATE A FIRST PREFERENCE** Nominate the USC program you want to study, which must match your first preference on your QTAC application.
QTAC applications open 4 August 2020. Ensure you submit your QTAC application by 30 September 2020.
- 4. SUBMIT APPLICATION** Submit your application with a copy of your most recent progress report or report card to your Early Offer Guarantee Coordinator before 12 October 2020.
- 5. RECEIVE OFFER** USC will be making offers from 21 August to 20 November, however no offers will be made during the Year 12 external examination period. When your application has been finalised, you will receive notifications via email from QTAC and from USC with all the info you need to enrol in your classes and get ready for a flying start to your first semester at USC.
If you receive your offer between August and October, it will be conditional on you completing Year 12 so make sure you keep up with your school work and complete your exams.

Note: The Early Offer Guarantee is not available to international students. If you are an international student, contact USC International at international@usc.edu.au for advice on how to apply for a USC program.

For more information go to usc.edu.au/early-offer or speak to your school's Early Offer Guarantee Coordinator.

BEAT THE STRESS OF GETTING INTO UNI WITH USC.

APPLYING FOR AN EDUCATION OR NURSING PROGRAM?

To be considered for an early offer to an Education program, you must complete an online questionnaire including two written statements. QTAC will send you information about how to complete the questionnaire and statements when you submit your QTAC application. For more information visit the QTAC website and search for 'teacher entry'.

If you are applying for Nursing Science, you must submit a declaration about how you meet the English language proficiency requirements. QTAC will send you information about how to submit your declaration.
