

## **Years 10-12**

**Register now** for Ergon Energy Network's  
**GIRL POWER PROGRAM**

**When:** Thursday 18 March, 9:00AM to 1:00PM

**Where:** Rockhampton

**Note:** Preference will be given to Year 12s

**See Mrs Oldham to register your interest by Thursday 4 March.**

The Girl Power Program is designed for girls currently completing Year 10, 11 or 12 and would include:

- Attendance at a 4-hour Information session at an Ergon Training Facility
- Information on the trades/apprenticeships that Ergon offer
- Discussion on subjects that are recommended to select for Year 11 and 12 if considering an electrical apprenticeship (Grade 10 students)
- Information on our recruitment process including the opportunity to complete the numeracy and literacy entrance assessment (Readiness Assessment)
- A tour of the Training Facility
- Opportunity to complete a work experience program with a local Work Group (must have a White Card to participate)
- Question and information time about the individual trades Ergon offers
