

Girls in Computer Science

Are you interested in shaping the digital future? Female high school students and their parents and caregivers are invited to join us for an inspiring evening of empowerment.

Inspiring Presentations

Student sessions: Chat with UQ's female students and see their university projects.

Parent sessions: Hear from industry leaders as they share their experiences and provide advice for you as a parent of the next tech generation.

Fun Hands on Activities

Experience hands-on activities and virtual reality.

Information Booths

Find your interest by talking to representatives from a number of student clubs and societies including Ladies in Technology, Design Society UQ and more!
