# WAYS TO STUDY

## STUDY MODES

### CLASSROOM-BASED LEARNING

Studying on campus involves face-to-face learning with a teacher in one of our learning spaces including classrooms, workshops, laboratories and simulated learning environments.

### ONLINE

Studying online gives you access to TAFE Queensland's huge range of resources with the added bonus of learning in your pyjamas!

Take your career to the next level with an online course you can complete anywhere, anytime.

### MIXED-MODE LEARNING

If you want a qualification but don't know how to fit studying into your busy life, TAFE Queensland can offer you a blend of different learning options.

Combine online study with a bit of face-to-face, or even workplace training, at a pace that suits you.

### PRINT-BASED DISTANCE LEARNING

Students direct their own learning activities with printed materials received from TAFE Queensland. Training is self-paced, and contact with trainers is usually limited to feedback provided on submitted work.

### RESIDENTIAL BLOCKS

Some of our courses are delivered via mixed mode in intensive blocks of training and distance education. You may be required to travel away from home to complete this type of study. Funding support may be available to assist students with travel, accommodation and meal costs. Students must provide evidence of ABSTUDY eligibility.

### APPRENTICESHIP AND TRAINEESHIP

Get the skills while you pay the bills with an apprenticeship or traineeship through TAFE Queensland. We work with employers from a range of industries to give you the tuition and formal qualification that complements your on-the-job training.

### RECOGNITION OF PRIOR LEARNING (RPL)

Fast track your way to a formal qualification by receiving recognition for the study you have completed or the skills you've gained from the workplace. This means less study time for you, and being qualified a whole lot sooner.

We can directly apply credits from previous successful study and assess your skills to give you recognition. Advanced Standing is the new term we use when talking about both Credit Transfer and RPL.

### TAFE AT SCHOOL

If you're a Year 10\*, 11 or 12 student, you can complete a range of certificate I and certificate II courses. TAFE at School courses work in with your existing high school studies and also count towards your Queensland Certificate of Education (QCE).

### OFF-SITE

Training can be delivered outside of a TAFE Queensland campus including rural and remote areas.

### WORK-BASED LEARNING

Students get their training on-the-job, supervised by a workplace training officer or their employer. This could be while doing work experience, vocational placement, or doing paid work at their place of employment. Work-based learning also includes completing work-based projects while under supervision.

\*Subject to a letter of support from the school Principal

We respectfully acknowledge the Traditional Custodians of the lands on which TAFE Queensland operates. We recognise the continuing connection to land, waters, culture and kin that Aboriginal and Torres Strait Islander peoples uphold. We pay our respects to Elders past and present, who give us strength, inspiration and guidance to deliver great training outcomes for all Queenslanders.

EVERYONE'S JOURNEY IS DIFFERENT AND SOMETIMES YOU NEED SOME EXTRA SUPPORT. WE'RE HERE TO HELP. FREE AND CONFIDENTIAL SUPPORT SERVICES ARE AVAILABLE TO ALL STUDENTS.

# APPRENTICESHIPS AND TRAINEESHIPS

Apprenticeships and traineeships combine paid work with structured training to gain a qualification. At TAFE Queensland, we work with your employer to help you successfully gain competence in a trade (apprenticeship) or a vocational area (traineeship).

Upon completion, you may find yourself in a great place to keep working, go on to future study or even start your own business!

Did you know you can start an apprenticeship or traineeship during high school, after school or if you've been in the workforce for a long time?

Traineeships vary in length from six months to three years, while apprenticeships generally take three to four years to complete. TAFE Queensland will assist you and your employer to get started and will provide ongoing support every step of the way!

## FOUR EASY STEPS TO BECOME AN APPRENTICE OR TRAINEE

- > Speak to your family, friends or your school career counsellor or guidance officer.
- > Get the facts at [apprenticeshipsinfo.qld.gov.au](http://apprenticeshipsinfo.qld.gov.au)

### 2 FIND AN EMPLOYER

  - > apply for jobs advertised in the newspaper
  - > search for jobs on websites: [jobactive.gov.au](http://jobactive.gov.au), [seek.com.au](http://seek.com.au) and [careerone.com.au](http://careerone.com.au)

  - > contact a Jobactive provider – these organisations can provide you with a list of job vacancies in your area. Call **13 62 68** or visit [jobs.gov.au](http://jobs.gov.au)
- > You can be employed by a group training organisation who will place you with different businesses to gain on-the-job experience, pay your wage and organise your training. To find a group training organisation call **1800 819 747**.

### 3 CHOOSE YOUR TRAINING PARTNERS

- > Work with an Australian Apprenticeship Support Network: They will work with you and your employer at this stage to help you complete the training contract.

Contact the Australian Apprenticeship Support Network on **13 38 73** or Apprenticeships Info on **1800 210 210** for more information.

### 4 GET STARTED
