

LA TROBE
UNIVERSITY

Aspire Early Admissions Program

latrobe.edu.au/aspire

Turn your achievements into **opportunities**

We know there's more to being a good student than marks alone. Aspire rewards the skills and knowledge you've gained through your contribution to the community by giving you an early conditional offer into the course of your choice at La Trobe.

Get into your uni degree now

Receive an early offer in September to your dream course. If you meet the conditions, your place is locked in. You could get access to a \$20,000 scholarship, Aspire ATAR and support network of like-minded students.

'Giving back to my community is important to me. It's so heart-warming to see I've been a positive role model and have helped influence a lot of younger students.'

Hannah
Bachelor of Laws/Bachelor of Arts

Am I eligible?

A positive contribution can look like many different things.

We consider all types of community engagement, for example:

- leadership in clubs, sport, performing arts or fundraising
- participation in social justice groups, or school leadership
- involvement in community groups, religious or cultural events and activities
- family support that goes above and beyond
- involvement with our partners, like the Duke of Edinburgh's International Award or St John Ambulance.

And you don't need to be volunteering now. We know Year 12 is busy and the world looks a little different this year. So, past experience counts too.

Tell us what you've done and how you've helped. If you're unsure, attend a webinar or talk to our staff about your application.
