**THE CONSTITUTION
OF THE ANGLICAN CHURCH OF AUSTRALIA¹**

PART I

CHAPTER I. - FUNDAMENTAL DECLARATIONS

- 1 The Anglican Church of Australia², being a part of the One Holy Catholic and Apostolic Church of Christ, holds the Christian Faith as professed by the Church of Christ from primitive times and in particular as set forth in the creeds known as the Nicene Creed and the Apostles' Creed.
- 2 This Church receives all the canonical scriptures of the Old and New Testaments as being the ultimate rule and standard of faith given by inspiration of God and containing all things necessary for salvation.
- 3 This Church will ever obey the commands of Christ, teach His doctrine, administer His sacraments of Holy Baptism and Holy Communion, follow and uphold His discipline and preserve the three orders of bishops, priests and deacons in the sacred ministry.

CHAPTER II. - RULING PRINCIPLES

4 This Church, being derived from the Church of England, retains and approves the doctrine and principles of the Church of England embodied in the Book of Common Prayer together with the Form and Manner of Making Ordaining and Consecrating of Bishops, Priests and Deacons and in the Articles of Religion sometimes called the Thirty-nine Articles but has plenary authority at its own discretion to make statements as to the faith ritual ceremonial or discipline of this Church and to order its forms of worship and rules of discipline and to alter or revise such statements, forms and rules, provided that all such statements, forms, rules or alteration or revision thereof are consistent with the Fundamental Declarations contained herein and are made as prescribed by this Constitution. Provided, and it is hereby further declared, that the above-named Book of Common Prayer, together with the Thirty- nine Articles, be regarded as the authorised standard of Articles therein contained shall contravene any principle of doctrine or worship laid down in such standard.

Provided further that until other order be taken by canon made in accordance with this Constitution, a bishop of a diocese may, at his discretion, permit such deviations from the existing order of service, not contravening any principle of doctrine or worship as aforesaid, as shall be submitted to him by the incumbent and churchwardens of a parish.

Provided also that no such request shall be preferred to the bishop of a diocese until the incumbent and a majority of the parishioners present and voting at a meeting of parishioners, duly convened for the purpose, shall signify assent to such proposed deviations. Such meeting shall be duly convened by writing, placed in a prominent position at each entrance to the church and by announcement at the morning and evening services, or at the service if only one, at least two Sundays before such meeting, stating the time and place of such meeting, and giving full particulars of the nature of the proposed deviation.

5 Subject to the Fundamental Declarations and the provisions of this chapter this Church has plenary authority and power to make canons, ordinances and rules for the order and good government of the Church, and to administer the affairs thereof. Such authority and power may be exercised by the several synods and tribunals in accordance with the provisions of this Constitution.

6 This Church will remain and be in communion with the Church of England in England and with churches in communion therewith so long as communion is consistent with the Fundamental Declarations contained in this Constitution.

- (i) the bill shall have been circulated to each diocese and to each non- diocesan representative at least three months before the first day of the session of Synod at which the bill is to be presented, provided that the Standing Committee may allow a shorter period of notice but not less than one month and provided further that General Synod by an affirmative vote in each house of at least three-fourths of the members present may declare a bill to be a matter of urgency and permit it to be included in the agenda without previous notice,¹⁶ and

 - (iv) If a subsequent motion that the bill do pass is agreed to by at least two- thirds of the members of each of the three houses present it shall be a canon duly passed unless General Synod, immediately before the vote is taken, by a majority of the three houses voting together shall resolve that it shall be a provisional canon only, whereupon the procedure given above shall again be followed.
- 28A¹⁸ (1) In this section "bill" does not include a bill for a canon to alter this Constitution or a bill which deals with or concerns the ritual ceremonial or discipline of this Church.

73 (1) In determining any question as to the faith ritual ceremonial or discipline of this Church any tribunal may take into consideration but shall not be bound to follow its previous decisions on any such questions or any decision of any judicial authority in England on any questions of the faith ritual ceremonial or discipline of the Church of England in England.

NOTES ON THE CONSTITUTION

1 The Constitution of the Church of England in Australia was approved by the General Synod of the Church of England in Australia and Tasmania on 6 October 1955, and revised by the Continuation Committee appointed at the time, which was authorised to make such corrections of a non-contentious character as might seem to it necessary or desirable. The Chairman of Committees signed the final form of the text on 7 February 1956. This text was submitted to the dioceses for their assent, and it also formed the schedule to the New South Wales Act No. 16, 1961. The Constitution came into effect pursuant to section 68 on 1 January 1962.

2 The text printed here follows the official N.S.W. version, with very minor style changes such as the standardisation of upper and lower case.

3 The alteration of the name of the Church from The Church of England in Australia to The Anglican Church of Australia came into effect on 24 August 1981.

4 Appendix 1 immediately following lists the alterations to the Constitution which had come into effect as at 1 July 2014. These alterations are incorporated in the text of the Constitution. Footnotes to the text draw attention to these alterations.

5 Canons and Bills for the alteration of the Constitution which have not come into effect are listed in Appendix 2 immediately following Appendix 1. The text of those Canons and Bills is set out immediately following Appendix 2.

6 In 1981 the General Synod passed two Bills to alter the Constitution. These Bills required the assent of at least three-fourths of the diocesan synods including the synods of all the metropolitan sees in order to come into effect. When they were considered by the diocesan synods, some synods acted on legal advice that the Constitution could be altered only by Canons and not by Bills. Other diocesan synods acted on advice that Bills were the proper way to alter the Constitution. To ensure that alterations made at the 1985, 1987 and 1989 sessions of General Synod would not be rejected by diocesan synods on the same grounds, General Synod legislated for changes to the Constitution by passing both a Canon and a Bill, each making the same changes.

7 Alterations to the Constitution passed by General Synod in 1987 came into effect on 1 July 1992, prior to the 1992 session of the General Synod. One effect of these alterations was to make it clear that alterations to the Constitution would in future be made by Canon.

8 One of the Bills passed in 1981 [Bill 2, 1981] was further dealt with in Canon 1, 1987 and Bill 1, 1987, which came into effect on 1 July 1992. Sec. 2 of the Canon and of the Bill of 1987 provide together a method for Bill 2, 1981 to be brought into effect without a matching Canon.

⁹ Inserted by Canon 14, 2010.

¹⁰ Amended by Canon 11, 2017.

- (6) The ESC shall act in all things as expeditiously as possible.
7. An act or proceeding of the ESC is not invalid by reason only of a vacancy in its membership and, notwithstanding the subsequent discovery of a defect in the nomination or appointment of a member, any such act or proceeding is as valid and effectual as if the member had been duly nominated or appointed.
8. Subject to the provisions of this Canon, the Director, a member of the ESC and a person employed or engaged on work related to the affairs of the ESC must not divulge information that comes to his or her knowledge by virtue of that office or position except:
- (a) in the course of carrying out the duties of that office or position;
 - (b) as may be authorised by or under this or another Canon;

9. Subject to section 51, the ESC may release to the public such material as it may determine with respect to any complaint.
10. (1) Without disclosing the identity of any complainant or the respondent, the ESC shall report annually to the Standing Committee on its activities for that calendar year.
- (2) Notwithstanding subsection (1), the report of the ESC pursuant to that subsection may identify a respondent who has been exonerated from an allegation the subject of a complaint or who has been the subject of a determination or recommendation by the Tribunal.
- (3) Subject to sub-section (4) the ESC shall, in respect of every matter with which it is dealing, report either orally or in writing to the Primate with such frequency and as fully as the Primate may reasonably require.
- (4) If the matter relates to the conduct of the Primate, such reports shall be made to and at the direction of the senior Metropolitan at the time in Australia who is not the Primate.
11. (1) Subject to sub-section (2), the ESC may delegate, upon such terms and conditions as the ESC may approve, any of its powers or functions under this Canon to any person.
- (2) The ESC cannot delegate:
- (a) its powers under subsection (1);
 - (b) its powers under section 12(1)(g); or
 - (c) its powers under section 22.
- (3) A delegation under this section must be made by instrument in writing signed by a member of the ESC.
12. (1) Subject to the provisions of this Canon the ESC has the following powers and duties:
- (a) to receive complaints;
 - (b) to investigate the subject matter of complaint in a timely and appropriate manner;
 - (c) where appropriate to arrange for the conciliation and mediation of any complaint;
 - (d) where the complaint relates to an alleged offence against the law of a State or Territory of the Commonwealth or against a law of the Commonwealth, to refer any information in its possession to a member of the appropriate law enforcement, prosecution or child protection authority and to co-operate as far as possible with any such authority;
 - (e) to maintain proper records of all complaints received and of action taken in relation to such complaints;
 - (f) subject to any limit imposed by the Standing Committee to authorise such expenditure on behalf of the General Synod as may be necessary to implement, in a particular case, the provisions of this Canon;
 - (g) to promote a charge against a Bishop before the Tribunal.
- (2) In exercising its powers under this Canon the ESC may, where it considers it to be appropriate, adopt the provisions of the protocol.
13. (1) The ESC shall only take action in respect of a complaint alleging an offence mentioned in the First Schedule where the complaint relates to conduct or an omission alleged to have occurred not more than twelve calendar months prior to the date on which the complaint is received by the ESC.
- (2) For the purposes of this section a complaint will be deemed to have been received by the ESC when received at the office of the General Secretary of the General Synod or, if posted by certified or registered mail to the Director or to the General Secretary of the General Synod, forty-eight hours after the posting of the complaint.

PART 3 – DIRECTOR OF EPISCOPAL STANDARDS COMMISSION

- (c) such other functions and duties as may be prescribed by this or any other Canon or as may be determined by the Standing Committee or the ESC.
16. The Director may act in a corresponding capacity for a diocese either generally or for a particular case or matter.

PART 4 – COMPLAINTS

17. A person may make a complaint against a Bishop by writing signed by the person making the complaint.
18. Subject to this Canon, when the ESC receives a complaint it shall investigate the allegations contained in the complaint.
- 18A. When the ESC has commenced an investigation of information under this Part, it must conduct an initial assessment to identify any risks to children and must take whatever steps are reasonably available and practicable to minimise risks identified.¹¹
19. The ESC may refrain from further investigation of the allegations if:
- (a) in its opinion, the allegations are vexatious or misconceived, or their subject matter is trivial;
 - (b) the subject matter is under investigation by some other competent person or body or is the subject of legal proceedings;
 - (c) the person making the complaint has failed, when requested by the ESC, to provide further particulars or to verify the allegations by statutory declaration; or
 - (d) in its opinion there is insufficient reliable evidence to warrant an investigation or further investigation.
20. For the purpose of an investigation the ESC or an investigator shall endeavour to obtain such statutory declarations, written statements, recorded conversations, reports, documents and other material as the ESC or its delegate considers necessary or desirable.
21. (1) The ESC must by notice in writing allow the respondent to provide a detailed report to the ESC within the time specified in the notice in relation to any matter relevant to the investigation, and must provide a summary of the complaint including the substance of the allegations and the name of the complainant.
- (2) If a respondent declines to answer a question on the ground that the answer might tend to incriminate the person a written record shall be made of the question and of the ground of refusal.
22. At any time after the commencement of an investigation into a complaint against a Bishop under this Part the ESC may:
- (a) if it considers on reasonable grounds that the Bishop may be incapable, report the matter in writing to the relevant Metropolitan, and such report shall be a report for the purposes of section 4 of the Bishops (Incapacity) Canon 1995 as if it were made by three members of the synod of a diocese pursuant to that section;
 - (b) subject to section 43, institute proceedings by way of charge against a bishop before the Tribunal; or
 - (c) in the event that the bishop whose conduct is under investigation ceases to be a Bishop, refer the matter, together with such information as it shall have received, to the bishop of the diocese in which the former Bishop then resides.
23. (1) The fact that the subject matter of a complaint may be settled or resolved in whole or in part between the parties affected thereby does not prevent the ESC from taking any of the steps referred to in section 22 in respect of the subject matter of the complaint.
- (2) Any term of settlement or resolution referred to in sub-section (1) which purports to prevent or to limit the institution of proceedings by way of charge against a bishop shall be of no effect.
- (3)¹² Proceedings shall not be instituted or maintained in the Tribunal where the bishop concerned has relinquished or has been deposed from Holy Orders in accordance with the Holy Orders (Removal from Exercise of Ministry) Canon 2017.
24. If:
- (a) following the receipt of a complaint, the ESC, under section 19, refrains from further investigation of the allegations contained in the complaint;
 - (b) the ESC does not arrange for the conciliation and mediation of the complaint, or
 - (c) following an investigation, under this Part, of the allegations contained in a complaint, the ESC does not bring a charge, under section 43, against the bishop in respect of whom the complaint is made, or
- the ESC must, without delay, provide the person who made the complaint with full and complete reasons, in writing, for its decision.

PART 5 – THE SPECIAL TRIBUNAL

- (2) In the event that a presidential member is nominated for election as the senior presidential member or that an election is otherwise required for the two presidential members, an election for both presidential members shall be held at the same time and the person with the highest number of votes shall be the senior presidential member and the person with the next highest number of votes shall be the other presidential member.
26. (1) Subject to sub-section (2), a member of the panel shall cease to hold office upon:
- (a) death;
 - (b) resignation;
 - (c)¹³ declaration by any competent court or tribunal that the member is incapable of managing his or her affairs;

 - (h)¹⁴ in any event at the commencement of the ordinary session of General Synod which shall take place next after the member attains the age of 75 years.
- (2) A member of the panel who is a member of the Tribunal for particular proceedings of the Tribunal shall continue to hold office until the completion of the proceedings notwithstanding that the member may cease to be a Bishop or may otherwise cease to be a member of the panel by virtue of age.
27. Any Bishop who vacates office upon ceasing to be a Bishop, having accepted appointment to a different office of Bishop, shall, upon installation as Bishop in the different office, be automatically re-appointed to the panel or the Tribunal as the case may be.
28. If any vacancy in the membership of the panel occurs while the General Synod is not in session and it becomes necessary or desirable for the vacancy to be filled before the next ordinary session of the General Synod, the Primate shall cause the General Secretary to notify the members of the General Synod that such vacancy is to be filled, to invite the submission of names of candidates for nomination, and to notify them of the date fixed by the Primate, being a date not less than six weeks after posting such notification, by which names should be submitted. If no more names are received than the number of vacant positions to be filled, the General Secretary shall declare the persons named to be elected to the panel. Otherwise, the General Secretary shall conduct a postal ballot of the members of General Synod to determine the person or persons to be elected, such ballot to be conducted in accordance with the rules for the time being in force for the conduct of ballots with such modifications as are necessary, and the General Secretary shall declare the person or persons who are successful in such ballot to be the person or persons elected by the General Synod to the panel. Upon the Secretary declaring a person to be elected to the panel, the person or persons shall become a member or members of the panel.
29. Any vacancy not filled pursuant to section 27 or section 28 shall be filled at the next ordinary session of the General Synod by the election by the General Synod of a person qualified to fill the vacancy.
30. The members of the panel to be convened for any sitting of the Tribunal shall be appointed by the senior presidential member or, if he or she is unwilling or unable to act, or if there is a vacancy in the office of senior presidential member, by the other presidential member.
- 30A. A member of the panel must without delay disclose to the senior presidential member, or if there is a vacancy in the office of senior presidential member to the other presidential member, any conflict of interest that the member has in relation to a matter before the Tribunal.¹⁵
- 30B. Where—
- (a) a member of the panel has disclosed a conflict of interest under section 30A; or
 - (b) in the opinion of the senior presidential member, or if there is a vacancy in the office of senior presidential member in the opinion of the other presidential member, a member of the panel has a conflict of interest in relation to a matter before the Tribunal—
- that member is disqualified from participating in the matter.¹⁶
31. (1) The Rules of the Tribunal made under this Part may provide that, in relation to the exercise of specified functions, or in relation to matters of a specified class, the Tribunal may, at the direction of the President, be constituted by a single member sitting alone.
- (2) The Tribunal constituted by a single member sitting alone cannot determine a charge or make a recommendation as to sentence.
32. The Tribunal, separately constituted in accordance with this Part, may sit simultaneously for the purpose of matters referred to it or for conducting separate business of the Tribunal.
33. An act or proceeding of the Tribunal is not invalid by reason only of a vacancy in its membership or the membership of the panel and, notwithstanding the subsequent discovery of a defect in the nomination or appointment of a member of the panel or the Tribunal, any such act or proceeding is as valid and effectual as if the member had been duly nominated or appointed.

GLOSSARY AND INTERPRETATION

1. Explanation of certain terms

- 1.1. The explanations provided in Standing Order 1.2 are to assist members of Synod and do not vary any meanings given to the terms in any Statute or in these Standing Orders.
- 1.2. Brief explanations of terms and concepts:
- General Synod:** the national Synod of the Anglican Church of Australia. It meets triennially.
- Canon:** legislation passed by General Synod with a view to providing uniform legislation across the whole of Australia. It has no force in a Diocese until adopted in that Diocese. Provisional Canons have no force until assented to by a large majority of Dioceses and then adopted by a particular Diocese.
- Synod:** a body of licensed clergy and elected laity who make decisions under the leadership of the Archbishop. In this Diocese each Synod has a life of three years and is referred to as "The Nth Synod of the Diocese".
- Voting by Houses:** Most decisions of Synod are made by the clergy and laity voting together, and legislative decisions require the President's assent. A vote 'by Houses' may also be called for. In that case, the provisions of Standing Orders 68.4 and 68.5 apply.
- Committee:** Synod may resolve to form itself into a committee of the whole, allowing the business before it to be handled in a less formal way. There will be a visible sign that Synod is in committee, such as the laying down of the President's pastoral staff.
- Diocesan Council:** means the body constituted by the Diocesan Council Statute, and which is the body that acts on behalf of Synod when Synod is in recess.
- Notice:** Synod cannot consider some motions or questions unless it has been informed of the intention to move or ask them at least a day (and sometimes a year) beforehand. The Notice informs Synod of such a motion or question and the intention to move or ask it.

2. Interpretation

- 2.1. The meanings of words and phrases given in the Interpretation Statute 2016 apply in these Standing Orders except that for the purposes of the Standing Orders the words and phrases listed hereunder have their meanings given or altered as follows:
- Bill:** a bill for a Statute and, in relation to a Statute, the bill for that Statute.
- Business Paper:** the document setting out the business to be considered by Synod and the order in which it is proposed to be dealt with.
- Chairperson:** the chairperson of a Committee.

SCHEDULE COVENANT OF CO-OPERATION

The Anglican Diocese of Perth and the Anglican Parish of Mt Hawthorn and The Uniting Church in Australia Presbytery of Western Australia and the Uniting Church Emmaus Congregation of Mt Hawthorn enter into this covenant for the purpose of creating a Co-Operating Community in Mt Hawthorn.

- 1 THE FOUNDATION OF THE COVENANT
 - 1.1 On the basis of our common baptism in the name of the Father, the Son and the Holy Spirit and in our unity in the faith of Jesus Christ we recognise and acknowledge that:
 - (a) Jesus calls us all to love one another;
 - (b) Jesus calls and enables all Christians to build one another up in the wholeness of the faith and to be witness to the world of the forgiveness and saving power of Jesus the Son of God;
 - (c) Jesus calls us to hold in its fullness the same faith in the Gospel, which is expressed in the Nicene and the Apostles' Creeds and safeguarded by the normative and authoritative place of the Holy Scriptures within the Christian tradition;
 - (d) amongst us there is the same awareness of God's call, the same Spirit of God, the same baptism and membership of the Church of Christ Jesus, and the same, though diverse, gifts of God for ministry; and
 - (e) amongst us there are patterns of worship and sacramental life, marks of holiness and zeal, which are manifestly gifts of Jesus to his Church. We remain loyal to the denominational traditions, which have nurtured us in the faith. We recognise that these traditions will not always be fully understood, so we commit ourselves to a greater understanding and appreciation of each other's traditions.

¹ Amended Synod 2011 by substitution of Mt Hawthorn-Osborne Park throughout the Statute

² Amended Synod 2011 by substitution of Presbytery of Western Australia for Presbytery of Perth throughout the Statute

1.2 Our Response, through a continuing dialogue has been to find a common mind in the desire to share ministry and a new community and worship centre. Though we realise that there is much further to go, we are greatly encouraged and take the achievements to date as a mark of God's blessing upon our endeavours.

1.3 Therefore, our aim is to:

- (a) be part of the local expression of the Body of Christ in one place of the One Holy Catholic and Apostolic Church and to witness to that unity that is both Christ's gift and will;
- (b) maintain the life and witness of worship and service so that members will be nurtured in faith and love, sustained in hope, encouraged in their growth in grace and upheld in prayer;
- (c) be a loving community in which members are sustained in fellowship, in prayer and confession, in baptism and the Lord's Supper, in mutual reception of and mutual exertion in Gospel proclamation and service;
- (d) encourage, equip, enable and provide opportunity for the members to participate more fully in the life and mission of Christ's Church;
- (e) co-operate and share, as much as possible, with other Christian congregations and groups within this community; and
- (f) acknowledge the place and authority of the wider church and in particular the roles, ordinances and institutions of The Anglican Church of Australia, Diocese of Perth and The Uniting Church in Australia, Presbytery of Western Australia. We do not to seek to form a new denomination or quasi denomination within the Universal Church and so all members of our Co-Operating Community will retain their status as members of one of the Constituent Denominations and such membership, and its responsibilities, will be respected.

(1) At any time after the ESC has commenced or caused to be commenced an investigation of information under this Part in circumstances where it considers that action may be taken under paragraph (b) or (c) of section 16, it may recommend to the Diocesan Council or, in the case of a Bishop who is not a diocesan bishop, to the Primate, that the Bishop be suspended from the duties of office.
- (2) If the Diocesan Council, meeting when the Bishop is not present, or the Primate, as the case may be, concurs in the recommendation, the President of the Board, after considering any submission from the Bishop, may suspend the Bishop from the duties of office.

20. (1) The members of the Board in a particular case shall be appointed from a panel comprising:

28. There shall be a Secretary to the Board who shall be appointed by or in accordance with a resolution of the Standing Committee, and whose duties shall be defined by the President.

8.3 The stipend and emoluments of a Locum Tenens shall be in accordance with the policies of the Diocese.

8.4 An assistant priest or assistant curate appointed and licensed to the parish at the time any of the events listed in section 8.1 occurs may be appointed Locum Tenens.

8.5 Where, at the conclusion of the tenure of a Locum Tenens, no permanent appointment has been made to the parish, the term of the Locum Tenens may be renewed or extended or a new Locum Tenens appointed.

8.6 Unless otherwise approved by the Archbishop, any Locum Tenens appointed to a parish will not be eligible for permanent appointment to the parish.

9 Parish Vacancy Consultation

9.1 Prior to the first meeting of the Board of Nominators or Consultation Committee, unless the Archbishop otherwise directs, the Archbishop or the Archbishop's nominee will arrange for a vacancy consultation to be held in the parish.

9.2 A report of the consultation will be prepared, and copies made available to the Board of Nominators or Consultation Committee in time for its first meeting and to all members of the clergy who expressed interest in being considered for appointment to the parish.

10 Right of Nomination

10.1 A parish will possess a right of nomination if, at the time of its inauguration or of a vacancy occurring in the parish, it has:

- (a) paid in full the stipend due to the outgoing member of the clergy;
- (b) satisfied the Archbishop of its ability to provide:
 - (i) the minimum stipend and other allowances prescribed by Diocesan Council and

- 11.1 Where a parish has the right of nomination, the Board of Nominators responsible for nominating members of the clergy to the Archbishop to fill any clerical vacancy that occurs in the parish consists of:
- (a) the Archbishop or the Archbishop's nominee;
 - (b) the Archdeacon of the archdeaconry concerned or, if the Archdeacon is unavailable, a member of the clergy from within the Diocese nominated by the Archbishop;
 - (c) two clerical nominators being members of the clergy chosen from a panel of ten (10) clergy who are members of Synod and elected by Synod during the first session thereof; and
 - (d) four (4) lay enrolled members of the parish, including a warden, who have been elected as Nominators of Clergy in accordance with the Parish Governance Statute.

12 Vacancies in the Board of Nominators

- 12.1 Once the Board of Nominators has been convened, the members of the Board then serving will, unless they resign, become incapacitated or leave the parish, remain on the Board until the Board's work is completed. Any new Nominators of Clergy elected after a Board has been convened will not take up their office until after the Board's work is completed.
- 12.2 Casual vacancies of members of the Board of Nominators will only be filled when required to maintain a quorum.
- 12.3 Casual vacancies that occur in the Board of Nominators and need to be filled to maintain a quorum must, in the case of clerical nominators, be filled by the Archbishop or Archbishop's nominee from the panel of clerical nominators and, in the case of Nominators of Clergy, be filled by the parish council.

13 Role of the Board of Nominators

- 13.1 The role of the Board of Nominators is to select and nominate to the Archbishop a member of the clergy in priest's orders to fill a clerical vacancy in a parish.
- 13.2 The Board of Nominators will have six (6) months to select and nominate a member of the clergy in priest's orders to the Archbishop.

- 13.4 Should the nominee not accept the nomination, the Board must select another priest for nomination to the Archbishop.
- 13.5 If the Archbishop or nominee does not accept the nomination and the identification and nomination of another priest may significantly delay the nomination process, the Archbishop may extend, for a reasonable period, the time in which the process must be completed.
- 13.6 If no member of the clergy is nominated within six (6) months from the date on which the Board of Nominators first meets and no reason is provided for the delay to the satisfaction of the Archbishop, responsibility for the nomination of a member of the clergy to fill a vacancy in the parish will vest in the Archbishop.
- 13.7 If no member of the clergy is nominated within six (6) months from the date on which the Board of Nominators first meets but the Archbishop is satisfied that the delay is justified in the circumstances, the Archbishop may, for a reasonable period, extend the time for the process to be completed.
- 13.8 If the Archbishop is satisfied with the suitability of the nominee for the parish, and the nominee passes the probity checks required under section 6.2, and if the Archbishop is prepared to licence that person as Rector or Priest-in-Charge, the Archbishop will invite the nominee to take up the appointment to the parish.

14 Procedure and Meetings of the Board of Nominators

The Archbishop must present the names of members of the clergy expressing an interest to the Board of Nominators. The Archbishop may make any comments on the members of the clergy expressing an interest which the Archbishop considers appropriate.
- 14.6 If a member of the clergy who is also a member of the Board of Nominators wishes to be considered to fill the clerical vacancy in the parish that nominator must resign from the Board of Nominators prior to expressing an interest under section 14.5.
- 14.7 The Board of Nominators may consider any priest in addition to those who express interest in filling a vacancy in a parish.

- 14.8 The Board of Nominators may meet with anyone who expresses an interest in filling a vacancy in a parish as well as any other potential nominee.
- 14.9 The chairperson of the Board must make all arrangements associated with meeting those to be considered for nomination. For the avoidance of doubt, meetings may be conducted by teleconference or an alternative electronic medium.
- 14.10 The parish will bear the reasonable expenses incurred by those being considered for nomination attending a meeting with the Board of Nominators.
- 14.11 Any priest who is under consideration by the Board of Nominators may not approach the Board or its members concerning a nomination unless invited to do so by the chairperson of the Board.
- 14.12 Members of the Board of Nominators must maintain strict confidentiality concerning the Board's proceedings except that the parish may be kept informed, in general terms, of progress without the identity of possible nominees or of any parishes involved being divulged.
- 15 Consultation Committee**
- 15.1 Parishes without the right of nomination will have a Consultation Committee to consult with the Archbishop, or the Archbishop's nominee, prior to the appointment by the Archbishop of a member of the clergy to fill any clerical vacancy within the parish. - 16.3 Individual members of the clergy may express an interest to the Archbishop in being considered for appointment to the parish to fill a vacancy in a parish. For the avoidance of any doubt the Archbishop is not required to present the names of members of the clergy expressing an interest to the Consultation Committee.
- 16.4 The Consultation Committee may propose to the Archbishop, or the Archbishop's nominee, names of members of the clergy for appointment to the parish. For the avoidance of any doubt, names proposed to the Archbishop, or the Archbishop's nominee, are not a nomination and the Archbishop, or the Archbishop's nominee, is not required to take any steps following such a proposal.
- 16.5 Prior to the Archbishop making an appointment under section 6, the Archbishop, or the Archbishop's nominee, will meet with the Consultation Committee to discuss the proposed appointment. For the avoidance of any doubt, the Consultation Committee cannot veto any appointment made by the Archbishop.
- 16.6 Any member of the clergy who is under consideration by the Archbishop must not approach the Consultation Committee or its members unless invited to do so by the Archbishop.
- 16.7 Members of the Consultation Committee must not approach a member of the clergy being considered by the Archbishop for appointment to the parish unless invited to do so by the Archbishop.
- 16.8 Members of the Consultation Committee must maintain strict confidentiality concerning the committee's meetings except that the parish may be kept informed, in general terms, of progress without the identity of members of the clergy under consideration or of any parishes involved being divulged.
- 17 Appointment of Assistant Curate, Assistant Priest and Deacon**

- 17.2 The Archbishop may, with the consent of the Rector or Priest-in-Charge and the parish council, appoint a member of the clergy in deacon's orders as deacon to work, in association with the Rector or Priest-in-Charge, in the parish.
- 17.3 Where a Rector or Priest-in-Charge considers that the appointment of an assistant priest or deacon to their parish is desirable they must consult with the Archbishop, or the Archbishop's nominee, prior to advertising or approaching a member of the clergy about the proposed role. For the avoidance of any doubt the appointment of any member of the clergy to a parish in the Diocese is at the sole discretion of the Archbishop.
- 17.4 The appointment of an assistant curate, assistant priest or deacon may be on a full time or part-time basis. The appointment of an assistant curate, assistant priest or deacon may be stipendiary or non-stipendiary.
- 17.5 An appointment as assistant curate, assistant priest or deacon may be terminated by the Archbishop on the giving of at least 60 days' written notice to the member of the clergy, the Rector or Priest-in-Charge and the parish council. Prior to issuing the 60 days written notice the Archbishop will:
- (a) consult with the member of the clergy, the Rector or Priest-in-Charge, and the wardens regarding any proposed termination; and

17.7 An assistant curate, assistant priest or deacon may be paid out in lieu of the 60 days written notice provided for in section 17.5 at the discretion of the Archbishop.

- (c) the Archbishop will consult with the school and the Rector or Priest-in-Charge and wardens of the parish prior to the appointment by the principal of a school chaplain.

18.2 If a school and parish share the same Church building the additional arrangements for the appointment of a member of the clergy to the parish or chaplain to the school may be set out in a memorandum of understanding between the school and the parish.

20.2 After consultation with the Archbishop or the Archbishop's nominee, the organisation may select a member of the clergy who satisfies its requirements and nominate that person to the Archbishop.

20.3 When a nomination for an allied ministry is received from an organisation, the Archbishop will:

- (a) inspect, or cause the inspection of, the national register and the registers of all participating dioceses whose synods have enacted professional standards legislation to ensure there are no matters of concern recorded in relation to a nominee who is licensed in another diocese; and
- (b) undertake, or cause to be undertaken, all background checks, screenings or clearances required by any statute or policy in relation to the nominee.

20.4 If the Archbishop is satisfied with the suitability of the nominee for the organisation, and the nominee passes the probity checks in section 20.3, and if the Archbishop is prepared to licence that person to undertake the ministry, the Archbishop will invite the nominee to take up the appointment to the allied ministry and inform the organisation accordingly.

20.5 Upon acceptance by the nominee, the Archbishop will licence that person to the organisation requiring the chaplaincy on the terms and conditions determined by the Archbishop (subject to section 34) and in accordance with any memorandum of understanding or protocol between the Diocese and the relevant organisation.

20.6 If the Archbishop declines to accept a nomination or appointment, the Archbishop's decision will be final and the Archbishop will not be required to disclose any reasons for that decision, however, the organisation requiring the chaplaincy may propose another member of the clergy to the Archbishop.

- 22.1 Financial unsustainability of a parish will be determined in accordance with the Parish Governance Statute 2016 and relevant Diocesan policies.
- 22.2 Where it is determined that the current appointment of a member of the clergy to a parish is no longer financially sustainable, the parish council may ask the Archbishop to conduct a Ministry Financial Sustainability Consultation.

27 Consultation by the Ministry Support Committee

27.1 If a reference concerning a parish is made to a Ministry Support Committee under this Part, the Ministry Support Committee must undertake a period of consultation to determine whether there is a breakdown in pastoral relationships in the parish and, if it finds that there is such a breakdown, whether it is an irretrievable breakdown.

27.2 Subject to section 29.1, the Ministry Support Committee must undertake its consultation under section 27.1 within three (3) months. The Ministry Support Committee may request an extension of time and the Archbishop may grant an extension of up to three (3) months if the Archbishop considers that an extension would facilitate the purposes of the Ministry Consultation Committee.

27.3 In determining whether there has been a breakdown of pastoral relationships in the parish the aim of the Ministry Support Committee is to restore relationships and support ongoing ministry in the parish (even if the committee finds an irretrievable breakdown in relationships may have occurred).

30.3 A period of pastoral leave taken under sections 30.1 or 30.2 will be for no more than two (2) weeks. The Archbishop may, in consultation with the Ministry Support Committee, extend the period of pastoral leave if the

A STATUTE RELATING TO CLERGY DISCIPLINE WITHIN THE CHURCH

PREAMBLE

The Statute is shaped by the call of the church to be an agent of reconciliation, grace, mercy and mutual accountability. The gospels, pastoral epistles and the ordinal make it plain that those called to ordained leadership hold a sacred trust and their conduct must meet the highest standards.

PART 1 - PRELIMINARY

- 1 Short Title**
- 1.1 This Statute may be cited as the Clergy Discipline Statute 2021.
- 2 Repeal**
- 2.1 The Clergy Discipline Statute 1996 is hereby repealed.
- 3 Application**
- 3.1 This Statute applies to two different and distinct processes for dealing with:
 - (a) in Part 3, Misconduct by a member of clergy as defined in section 4.1; and
 - (b) in Part 4, a Clergy Offence by a member of clergy as defined in section 4.1.
 Part 3 processes involve an investigation and assessment as to whether a member of clergy is fit to hold a particular office by reason of the alleged Misconduct and the appropriate consequences, whereas Part 4 processes involve an investigation and may lead to determination as to whether a Clergy Offence has been committed and appropriate disciplinary penalties.
- 3.2 A charge of a Clergy Offence may be brought under Part 4 in relation to events, facts or questions which have been the subject of a complaint under Part 3 or the subject of a complaint of a breach of professional standards.
- 3.3 A complaint of Misconduct under Part 3 or a complaint of a breach of professional standards may not be made or continued in relation to events, facts or questions which are or have been the subject of a charge of a Clergy Offence under Part 4 except where permitted under section 23.2 of this Statute or by the Professional Standards Statute.
- 3.4 Diagrams outlining in summary the key processes under this Statute are set out in Schedules 1 and 2, but if there is any conflict between the wording of this Statute and the diagrams, the wording of this Statute must prevail.

3.5 Misconduct in Part 3 does not include any matters that may amount to a breach of professional standards. Matters which give rise to the removal of a clergy licence under the terms of that licence may also be dealt with under the Clergy Appointment and Licensing Statute.

3.6 This Statute is to come into effect at the same time as the Professional Standards Statute.
This Statute does not cover misconduct or offences by the Archbishop, but it does cover Misconduct or a Clergy Offence by any member of clergy acting in the role of the Administrator.

PART 3.3 – RECEIVING AND INITIAL PROCESSES RELATING TO COMPLAINTS**24 Complaints and Form of complaint**

24.1 Any person may make a complaint to the Director or any other person specified by policy.

24.2 A complaint must be in writing but may be on paper or by electronic communication.

24.3 A complaint must include details of the conduct complained about.

24.4 The PSC, the Committee and the Archbishop may choose not to act on an anonymous complaint.

25 Assessment and referral by the PSC

25.1 A complaint must be referred to the PSC for assessment as to whether the complaint may include a breach of professional standards. The PSC must assess the complaint in an expeditious manner.

25.2 Where the PSC determines that the complaint does not relate to any breach of professional standards, then the PSC will immediately forward the complaint to the Archbishop and to the Committee with a report as to its assessment.

25.3 Where the PSC determines that the complaint relates potentially to a breach of professional standards, either solely or in conjunction with conduct covered by this Statute, the PSC may deal with the complaint in accordance with the processes under the Professional Standards Statute. The PSC may, in consultation with complainants, respondents and any other relevant party, where it deems it appropriate, also refer aspects of a complaint involving Misconduct for alternative resolution processes. The PSC may also refer a complaint or part of a complaint relating to Misconduct or a Clergy Offence to be dealt with by the processes set out in this Statute if it decides that this conduct can be distinguished from matters dealt with under the Professional Standards Statute or if the aspects of the complaint that relate to a breach of professional standards have already been dismissed, dealt with or otherwise resolved.

25.4 The PSC and Committee must act in relation to the complaint in accordance with any relevant policy.

26 Dealing with Complaints – Initial Stages involving the Archbishop or Archbishop's delegate

26.1 On receipt of a complaint from the PSC, the Committee Secretary must explain the processes under this Statute to the complainant and ascertain the consent of the complainant for the matter to be dealt with pursuant to those processes.

26.2 Upon the receipt such of consent by the complainant, the Committee Secretary must inform the Archbishop. The Archbishop or Archbishop's delegate must then provide to the relevant member of clergy and the Church entity or Church agency either:

- (a) a written statement outlining the complaint with sufficient information for the respondent to understand the nature of the complaint and to be able to respond to it; or
 - (b) where considered appropriate, a copy of the complaint.
- 26.3 The member of clergy, Church entity or Church agency must be given reasonable opportunity and time to respond to the Archbishop or Archbishop's delegate.
- 26.4 The Archbishop or Archbishop's delegate must, following consultation with complainants, respondents and any other relevant party, where they deem appropriate, organise for alternative resolution processes to be undertaken in an effort to resolve the complaint and bring about restoration and healing. If the complaint is resolved and withdrawn, the Archbishop must inform the respondent, the Church entity or Church agency, the relevant Committee and the PSC of this.
- 26.5 Subject to section 26.6 below, if the complaint cannot be resolved in the manner set out in section 26.4, the Archbishop or Archbishop's delegate must refer the complaint to the Committee with a report as to the steps taken. The Archbishop or Archbishop's delegate must also inform complainants and respondents and any relevant parties if it was deemed inappropriate for alternative resolution processes to be undertaken and why.
- 26.6 Where the conduct complained of involves or may involve a criminal offence, the Archbishop or Archbishop's delegate or the Committee may advise and assist the complainant to refer the matter to the police or other law enforcement agency or may refer the matter themselves. In that event, the Archbishop or the Archbishop's delegate and the Committee may defer dealing with the complaint any further pending an investigation or other action by the police or other law enforcement agency.

27 Further particulars of a complaint

- before commencing or further dealing with a complaint.
- 27.2 A requirement under section 27.1 must be in writing and allow the complainant a reasonable time to comply.

28 Committee may dismiss certain complaints

- 28.1 The Committee may at any time, including after an investigation as set out below, decline to investigate a claim or refrain from further investigation and dismiss a complaint if it is of the opinion that:
- (a) the complaint does not fall within the provisions of this Statute;
 - (b) the conduct which is the subject matter of the complaint can properly be dealt with by other means;
 - (c) the subject matter of a complaint is under investigation by some other competent person or body or is the subject of legal proceedings;
 - (d) the complainant has failed to provide further details to the Committee or to verify the allegations by statutory declaration or otherwise when requested by the Committee to do so or has failed to respond to any requests by the Committee as to whether the complainant wishes to proceed further with the complaint;
 - (e) the complaint is false, vexatious, misconceived, frivolous or lacking in substance;
 - (f) there is insufficient reliable evidence to warrant an investigation or further investigation; or
 - (g) the complaint has been or can be dealt with adequately by means other than a referral to the Board, such as through the use of alternative resolution processes.
- 28.2 When acting in accordance with section 28.1, the Committee may:
- (a) recommend to the Church authority steps that might reduce or eliminate the risk of Misconduct, either by the members of clergy generally or in relation to the respondent, including by way of an educational or mentoring program; or
 - (b) make such other recommendation as the Committee considers necessary or desirable.
- For the avoidance of doubt, a recommendation under this section is advisory only and not binding on a Church authority.

29 Complainant to be given notice of outcome of complaint and reasons

- 29.1 The Committee must give a written notice of the outcome, including the reasons for the outcome to the complainant, the respondent, the Church authority, the relevant Church entity or Church agency.

PART 3.4 – COMMITTEE – DEALING WITH COMPLAINTS

30 Alternative Resolution Processes

- 30.1 Upon receipt of the complaint and report following the steps in section 26.5 and at any subsequent time prior to referral of the complaint to the Board, the Committee must, in consultation with complainants, respondents and any other relevant party, ascertain, where it deems appropriate, whether there are opportunities to resolve the complaint and bring about restoration and healing through the use of alternative resolution processes and, if so, must engage in or arrange for such processes to be employed.
- 30.2 If the complaint is able to be resolved employing the processes outlined in section 30.1 and the complainant withdraws the complaint, the Committee must inform the respondent, the relevant Church entity or Church agency, the Archbishop or Archbishop's delegate and the PSC of this. The Committee must also inform

complainants and respondents and any relevant parties if it was deemed inappropriate for alternative resolution processes to be undertaken and why.

31 When the Committee must investigate

31.1 Subject to the preceding sections of Part 3, the Committee must investigate each complaint to the extent it deems appropriate.

31.2 The Committee may by instrument in writing delegate, upon such terms and conditions as the Committee may approve, the powers to investigate any person to whom the Statute applies under this section.

32 Committee to obtain material

32.1 For the purpose of an investigation, the Committee or its delegate may obtain such statutory declarations, written statements, recorded conversations, reports, documents and other material as the Committee or its delegate considers necessary or advisable for presentation to and consideration by the Committee.

33 Respondent to respond to Committee and comply with undertakings and directions

33.1 The Committee may by notice in writing to the respondent require the respondent to:

- (a) meet on reasonable notice with an investigator to answer questions in relation to a complaint;
- (b) provide a detailed report to the Committee within 21 days or such further period as the Committee may allow in relation to any matter relevant to the investigation; and
- (c) verify the report by statutory declaration or in another manner specified by the Committee.

34 Referral of complaints involving breach of professional standards to the PSC

34.1 Where a complaint concerns only Misconduct, the PSC must refer such complaint to the Committee.

34.2 The Committee must if, at any time, it discovers that the complaint concerns a breach of professional standards, refer such complaint back to the PSC to be dealt with pursuant to the Professional Standards Statute.

34.3 Subject to section 34.4, where a complaint is found, at any time, to concern a breach of professional standards, or a combination of a breach of professional standards and Misconduct, the Committee must refer such complaint back to the PSC to be dealt with by the PSC pursuant to the Professional Standards Statute.

34.4 If, at any time, the PSC forms the opinion that Misconduct which is the subject of this Statute may reasonably be separated from a breach of professional standards, it may refer that conduct to the Committee.

PART 3.5 – SUSPENSION OR PROHIBITION ORDERS

35 Suspension or other action pending determination

35.1 If after receipt of a complaint or at any time during the progress of investigation of a complaint, the Committee is satisfied that there is an unacceptable risk of harm to any person or Church entity or Church agency if the respondent remains in their present office or position of responsibility pending the outcome of further investigation of the complaint, the Committee may, as the urgency of the matter requires, make a recommendation direct to the Archbishop or other relevant Church authority that pending the outcome of further investigation or determination by the Board:

- (a) the respondent be suspended from the duties of any office or position of responsibility held by the respondent or from certain duties;
- (b) a prohibition order be made against the respondent; or
- (c) such other action be taken as may be thought fit.

36 Matters to be considered and consultations by the Committee before recommending suspension or other action pending determination

36.1 Before making a recommendation under this Part, the Committee must take into account:

- (a) the nature and seriousness of the alleged conduct;
- (b) the nature of the material to support or negate the allegations;
- (c) the extent to which any person, Church entity or Church agency is at risk of harm;
- (d) the effect on the respondent, a relevant Church entity or Church agency and on the Church of acting and of not acting under this Part; and
- (e) any other allegation of similar conduct previously made to the Committee within the previous ten (10) years;

and may take into account any other relevant matter.

36.2 Before making a recommendation under this Part, the Committee must advise and consult with the respondent and the relevant Church entity or Church agency or their representative on potential recommendations being considered under this Part and provide them with sufficient information about the basis of the potential recommendation and with a reasonable opportunity to respond.

36.3 The provisions of section 36.2 do not apply if the Committee is satisfied that there is an immediate unacceptable risk of harm to any person or Church entity or Church agency if the respondent remains in their present office or duties so that action under section 35 is required prior to any consultations.

37 Powers of the Church authority

37.1 The Church authority to which a recommendation is made under this Part is hereby empowered to give effect to that recommendation of the Committee.

38 Powers under section 37 may be exercised while matter under consideration

38.1 The Archbishop or other relevant Church authority may exercise the powers conferred on it by section 37 of this Statute, notwithstanding that a recommendation under this Part is under consideration by the Board pursuant to section 40.1.

39 Suspension in event of criminal charges

39.1 Without limiting any powers and obligations under the Professional Standards Statute or the generality of the previous sections in this Part, the Archbishop or other relevant Church authority may, pending the determination of the charge, also suspend a member of clergy who is charged by a law enforcement body in any jurisdiction with a criminal offence that is punishable by imprisonment for 12 months or more.

39.2 If a member of clergy is suspended pursuant to section 39.1, the Church authority must serve on that member of clergy a notice of suspension and upon service of the notice, that member of clergy is deemed to have been suspended pending the outcome of the hearing of the charge.

40 Revoking suspensions or prohibition orders

40.1 The respondent has the right to seek a referral to the Board to have the recommendation or any action taken under this Part revoked or withdrawn and the Board may recommend to the Archbishop or Church authority that the suspension or other action imposed or undertaken under this Part be revoked or withdrawn as appropriate.

40.2 The Archbishop or Church authority may revoke a suspension or other action under this Part at any time during its currency and the Committee may also make further recommendations to the Archbishop or Church authority that the suspension or other action be revoked.

41 Termination of suspension

41.1 A suspension or prohibition order made by a Church authority following a recommendation under this Part must be set aside by the Church authority:

- (a) if the Committee terminates the investigation or dismisses the complaint without referring the matter to the Board;
- (b) upon any direction to that effect given by the Archbishop or other Church authority; or
- (c) upon the Church authority giving effect to a recommendation of the Board or such a recommendation as varied or modified by a Church authority under section 40.

42 Consequences of suspension or prohibition

42.1 During a suspension or prohibition pursuant to the provisions of this Part or while conduct the subject of a complaint is dealt with under this Statute:

- (a) the respondent must comply with the terms of any prohibition order;
- (b) the respondent will be ineligible for appointment to any position or function covered by any suspension or prohibition order; and
- (c) the relevant Church authority may fill the vacancy caused by any suspension or prohibition order.

42.2 Respondents suspended under this Part will be entitled to whatever stipend, salary, allowances and other benefits they would ordinarily have received and, subject to any other decision or policy of Diocesan Council, such entitlements are to be met or reimbursed from funds of the Diocese, the Parish or other Church entity or Church agency as the case may be ordinarily.

PART 3.6 – REFERENCE OF A COMPLAINT OR MATTER TO THE BOARD**43 Committee may refer certain matters to the Board**

43.1 Subject to section 43.2, if a complaint is not dismissed or resolved and, after the investigation of a complaint in accordance with this Statute, the Committee forms the opinion that the conduct the subject of the complaint, if established, would amount to Misconduct, it must refer the complaint to the Board for determination as to whether the conduct the subject of the complaint would amount to Misconduct and for further action under Part 3.7

43.2 In circumstances where the respondent admits some or all of the conduct set out in the complaint, the Committee need not refer to the Board those matters which have been admitted but may make a recommendation to the Church authority directly.

44 Written report by Committee

44.1 The Committee must refer the complaint to the Board by delivering to the Secretary to the Board a written report setting out:

- (a) its investigation and opinion; and
- (b) a statement of any allegations made against the member of clergy.

44.2 The report must be signed by the Chair of the Committee or anyone else designated by the Committee to do so.

52 Power to order further enquiry

52.1 Where the Board is satisfied that a complaint which was previously dismissed under section 28 requires further investigation, the Board may direct the Committee to undertake further inquiries or a fresh investigation and the Committee must to the best of its ability cause such directions to be carried out.

53.1 The Board must cause a copy of its determination and recommendation to be provided to:

- 55 When the Board may dismiss a complaint**
- 55.1 If the Board is not satisfied that the respondent committed the alleged Misconduct or is satisfied that the complaint is false, vexatious or misconceived, the Board may determine accordingly and dismiss the complaint.

- 58.5 The Board is not obliged to give notice of a sitting to a person whose whereabouts cannot, after reasonable enquiries, be ascertained.
- 59 Standard of proof**
- 59.1 The standard of proof to establish an allegation under this Part 3 is the civil standard, being a reasonable satisfaction on the balance of probabilities.
- 59.2 The Board or Reviewer must scrutinise evidence with greater care if the conduct referred to in the complaint is serious in nature, or there is an inherent unlikelihood of an occurrence as described in the complaint or if there are grave consequences that would flow from a particular finding in relation to the complaint.

- 60 Application for review**

 - (c) that the Board did not have jurisdiction to make the reviewable decision;

- (d) that the reviewable decision was so devoid of any plausible justification that no reasonable Board could have made it; or
- (e) the availability of fresh and compelling evidence which, if available at the time, would be likely to have materially affected the Board's decision.

62 Stay of reviewable decisions

- 62.1 A Church authority must not give effect to a reviewable decision of the Board until the time for lodging an application for review has passed, and no application has been lodged.
- 62.2 The making of an application for review acts as a stay of the reviewable decision pending the determination by the Reviewer.
- 62.3 Nothing in this Part affects the power of a Church authority to take any action against a respondent which would be open to the Church authority apart from its powers under this Statute.

63 Time limit and form of application for review

 - (c) in any case where the Archbishop does not exercise direct authority over the person subject to the recommendation, refer the recommendation to the appropriate Church agency.

68 Effect of deposition from Holy Orders

91 Finding that the charge is not a charge that is proper to be heard

- 91.1 If a majority of the members for the time being of the Board of Enquiry are of the opinion that the charge or part of the charge is not a charge that is proper to be heard by the Tribunal, the Board of Enquiry may dismiss the charge and report this to the Tribunal Secretary. The Tribunal Secretary must then send a copy of the reports of the members of the Board of Enquiry to the person or persons who made the charge and the respondent.
- 91.2 Subject to section 91.4, the Board of Enquiry may also dismiss a charge without reference to the Diocesan Tribunal if:

- 91.3 If the Board of Enquiry dismisses the charges under the preceding sub-sections, the Tribunal Secretary must give the persons bringing the charge, the respondent and the Archbishop a written notice of the dismissal, including reasons for the dismissal of the charge.
- 91.4 If the Board of Enquiry dismisses a charge of a breach of faith, ritual or ceremonial on the basis that the charge does not amount to such a breach, the Archbishop may still refer the charge to the Tribunal for determination.

34 **Acts and proceedings of the Board validated**

34.1 An act or proceeding of the Board is not invalid by reason only of a vacancy in its membership and, notwithstanding the subsequent discovery of a defect in the nomination or appointment of members of the Board, any such act or proceeding is as valid and effectual as if the member had been duly nominated or appointed.

35 **Member of the Board may be an equivalent body**

35.1 The members of the Board may be drawn from or constitute an equivalent body either generally or for a particular case or matter.

37.3 A complaint is withdrawn by lodging a copy of the notice of withdrawal at the office of the Director. The notice of withdrawal must be signed by the person or persons who made the complaint.

37.4 If a complaint is withdrawn, no further proceedings may be taken under this Statute in relation to the complaint by the person or persons who made the complaint. However, the withdrawal of a complaint does not prevent another person or other persons from making the same or a different complaint against the person named in a complaint that is withdrawn.

38 **Dealing with Complaints**

38.1 A Church authority that receives a complaint pursuant to section 37.1 must refer that complaint to the PSC in accordance with this Statute and relevant policies made by the Diocesan Council.

38.2 The PSC must act in relation to each complaint it receives in accordance with relevant policies made by the Diocesan Council.

38.3 Where a complaint concerns only conduct which is the subject of the Clergy Discipline Statute, the PSC must refer such complaint to the Conduct Committee.

38.4 The Conduct Committee must, if at any time it discovers that a complaint concerns a breach of professional standards, refer such complaint back to the PSC to be dealt with pursuant to this Statute.

- 38.5 Subject to section 38.6, where a complaint concerns abuse, or a combination of abuse and conduct which is the subject of the Clergy Discipline Statute, the PSC must proceed to deal with the complaint in accordance with this Statute.
- 38.6 If at any time the PSC forms the opinion that conduct which is the subject of the Clergy Discipline Statute may reasonably be separated from a breach of professional standards, it may refer that conduct to the Conduct Committee.
- 39 Form of complaints**
- 39.1 A complaint may be in any form, in writing on paper or by email or facsimile or conveyed verbally.
- 39.2 A complaint must include details of the breach of professional standards on which it is based.

 - (b) verify any details of the complaint by statutory declaration or in another manner specified by the Director, before commencing or further investigating a complaint.
- 40.2 A requirement under section 40.1 must be in writing and allow the complainant a reasonable time to comply.
- 41 PSC may refer a complaint to an equivalent body of another diocese**
- 41.1 The PSC may, if it thinks it appropriate to do so, refer a complaint, or the investigation of a complaint, to an equivalent body or bodies.
- 41.2 When the PSC and an equivalent body or equivalent bodies have the power and duty to investigate information concerning the same person to whom this Statute applies and the respective bodies cannot agree on:
- (a) which body will carry out the investigation or any parts of such investigation; or
 - (b) whether a question or questions specified in section 57.1(a) should be referred to the Board or to an equivalent body which has jurisdiction,
- the PSC must refer the disagreement for decision by the Director and the persons acting in a corresponding capacity for every other diocese acting together.
- 41.3 The PSC must act in accordance with the unanimous decision of the persons referred to in section 41.2 or, if such persons cannot agree within a reasonable time of the disagreement being referred, in accordance with the decision of the Primate or a member of the House of Bishops appointed by the Primate, to whom the Director must refer such disagreement.
- 41.4 In all matters affecting the operation of this Statute the PSC and the Director must co-operate with and assist an equivalent body and a person acting in the corresponding capacity of the Director in another diocese.
- 41.5 In making a decision under section 41.2 the Director will not be bound by the views or instruction of the PSC but will take into account the most convenient course for all concerned and the proper and expeditious conduct of the investigation or referral as the case may be.
- 42 PSC may dismiss certain complaints**
- 42.1 The PSC may at any time decline to investigate a complaint or refrain from further investigation and dismiss a complaint if the PSC considers that:
- (a) the complaint does not fall within the provisions of this Statute;
 - (b) the conduct which is the subject matter of the complaint can properly be dealt with by other means;
 - (c) the subject matter of a complaint is under investigation by some other competent person or body or is the subject of legal proceedings;
 - (d) the person making the complaint has failed to provide further details to the Director or to verify the allegations by statutory declaration or otherwise when requested by the Director to do so;
 - (e) the complaint is false, vexatious, misconceived, frivolous or lacking in substance; or
 - (f) there is insufficient reliable evidence to warrant an investigation or further investigation.
- 42.2 When acting pursuant to section 42.1, the PSC may:
- (a) recommend to the Church authority any steps that might reduce or eliminate the risk of abuse either generally by Church workers or in relation to the respondent, including by way of an educational or mentoring program;
 - (b) make a recommendation in accordance with section 47.1 or section 57.2; or
 - (c) make such other recommendation as the PSC considers necessary or desirable.
- 42.3 For the avoidance of doubt, a recommendation pursuant to the preceding subsection is advisory only and not binding on a Church authority.
- 42.4 The PSC may at any time decline to investigate a complaint or refrain from further investigation and dismiss a complaint if, whether or not the PSC forms the opinion referred to in paragraph 42.1, the complaint can properly be dealt with by means other than referral to the Board, consistent with the overriding purpose of this Statute, such as but not limited to:
- (a) accepting a written undertaking or taking other limited action with or without any admission or finding;
 - (b) mediation;
 - (c) conciliation; or
 - (d) neutral evaluation, restorative engagement or other alternative resolution of any dispute associated with the complaint.
- 43 Complainant to be given notice of outcome of complaint and reasons**
- 43.1 If the PSC refrains from further investigation and dismisses a complaint under the preceding section, the Director must give the complainant, the respondent and/or the Church authority a written notice of the outcome, including the reasons for the outcome.

PART 5.2 – INVESTIGATIONS

- 44 When the PSC is to investigate**
- 44.1 Subject to section 42, the PSC must investigate:

- (a) each complaint and
- (b) the conduct of any person to whom the Statute applies if the PSC has reason to believe that such conduct amounts to a breach of professional standards even though:
 - (i) no complaint has been made;
 - (ii) a complaint is anonymous;
 - (iii) a complaint has been withdrawn; or
 - (iv) the complainant has not given the written consent referred to in section 44.3.

For the avoidance of doubt, the PSC may investigate a complaint where new or fresh material becomes available or where the PSC considers it necessary or desirable to do so, notwithstanding the prior investigation or determination of that complaint.

- 44.2 The Director must on receipt of a complaint or prior to any investigation seek the complainant's written consent to:
- (a) the Director giving notice of the complaint to the respondent;
 - (b) the Director disclosing the identity of the complainant to the respondent (if required);
 - (c) the investigation of the complaint by the PSC;
 - (d) the PSC otherwise dealing with the complaint under this Statute;
 - (e) the hearing and determination of the complaint by the Board, either by hearing or otherwise in accordance with this Statute; and
 - (f) the making of recommendations to the Church authority in accordance with this Statute.
- 44.3 If the complainant (other than the Director) does not give the Director the written consent:
- (a) referred to in section 44.2(b), the Director and the PSC must, subject to any obligation to disclose to a member of the police force, respect the confidentiality of the identity of the complainant;
 - (b) referred to in sections 44.2(a), 44.2(c) or 44.2(d), the PSC is not required to investigate the complaint and otherwise to refer it to the Board; and
 - (c) the PSC or the Director may, but is not obliged to, refrain from further investigation and dismiss the complaint.
- 44.4 The PSC may by instrument in writing delegate, upon such terms and conditions as the PSC may approve, the powers to investigate any person to whom the Statute applies under this section.
- 44.5 The PSC may recommend to the Church authority that the respondent be directed to cease engaging in specified conduct or to attend counselling to prevent a continuation of the circumstances that gave rise to the complaint. Unreasonable failure by the respondent to comply with such a direction may constitute a breach of professional standards for the purposes of this Statute.
- 44.6 In an investigation under section 44.1, the PSC may recommend to the Church authority any steps that might reduce or eliminate the risk of abuse, generally or in relation to the respondent, by way of education or mentoring or such other recommendation as the PSC may consider necessary or desirable.
- 44.7 For the avoidance of doubt, a recommendation pursuant to the preceding section is advisory only and not binding on the Church authority.
- 45 **PSC to obtain and provide material to respondent and PSC**
- 45.1 For the purpose of an investigation the PSC or its delegate must obtain such statutory declarations, written statements, recorded conversations, reports, documents and other material as the PSC or its delegate considers necessary or advisable for presentation to the PSC.
- 45.2 In the case of a complaint against a member of the clergy, the Director must provide notice of the complaint to the respondent and must provide copies of the complaint and any statutory declarations, written statements or other materials to the respondent before requiring the respondent to provide an answer in relation to the complaint.
- 45.3 In the case of a complaint other than against a member of the clergy, if the complainant has given the written consent referred to in section 44.2(a), the Director must provide notice of the complaint to the respondent. The Director must also provide to the respondent any other documents or information which the Director has been authorised by the complainant to provide, before requiring the respondent to provide an answer to the complaint.
- 46 **Respondent to respond to PSC and comply with undertakings and directions**
- 46.1 The PSC may by notice in writing to a respondent require the respondent:
- (a) to meet on reasonable notice with an investigator to answer questions in relation to a complaint;
 - (b) to provide a detailed report to the PSC within 21 days or such further period as the Director may allow in relation to any matter relevant to the investigation; and
 - (c) to verify the report by statutory declaration or in another manner specified by the PSC.

PART 5.3 – SUSPENSION

- 47 **Suspension or other action without prior notice, where unacceptable risk**
- 47.1 If, after receipt of a complaint or a referral or at any time during the progress of investigation of a complaint under this Statute, the Director or the PSC is satisfied that there is an unacceptable risk of harm to any person if the respondent remains in their present office or position of responsibility pending the outcome of further investigation of the complaint, the Director or the PSC may, as the urgency of the matter requires, make a recommendation to the Archbishop or other relevant Church authority that pending the outcome of further investigation, any one or more of the following:
- (a) the respondent be suspended immediately from the duties of any office or position of responsibility held by the respondent, or certain duties;
 - (b) following suspension, the respondent attend counselling, psychological or forensic assessment and, where relevant, treatment or rehabilitation for alcohol or substance abuse;
 - (c) a prohibition order be made against the respondent;

- (d) the respondent be required to enter into a worshipping agreement with the Church authority, failing which he or she be excluded from entry or access to premises or activities of the Church either generally or in a specified location or circumstances; or
- (e) such other action be taken as may be thought fit.

48 **Criminal Charges**

- 48.1 If a Church worker has been charged in any jurisdiction in Australia or elsewhere with an offence relating to sexual abuse or child abuse, whether committed within or outside the Diocese, that person must be suspended from duties of office pending the determination of the charge.
- 48.2 The relevant Church entity must serve on the person a notice of suspension.
- 48.3 Upon service of that notice, the person is deemed to have been suspended pending the outcome of the hearing of the charge.
- 48.4 If a Church worker is found guilty or convicted in any jurisdiction in Australia or elsewhere of a criminal charge relating to sexual abuse or child abuse, whether committed within or outside the Diocese, the Director, the PSC or the Board (as may be relevant at the time) must refer the matter to the Archbishop or other Church authority and recommend to the Archbishop or other Church authority one or more of the following:
 - (a) the licence or authority of the respondent be revoked;
 - (b) the respondent be deposed from Holy Orders;
 - (c) the respondent's contract of employment (if any) be terminated; or
 - (d) the respondent ceases to hold any role, office or position then held.

49 **Respondent and relevant Church entity to be given notice**

- 49.1 As soon as is reasonably practicable after making a recommendation pursuant to the preceding sections or referring the matter to the Board, the PSC must give to the respondent and to the relevant Church entity or Church agency or their representative notice of any recommendation or referral to the Board and provide them with sufficient information about the basis of the recommendation and a reasonable opportunity to respond. Upon receipt of such notice, the respondent or the relevant Church entity or Church agency or their representative may seek to have the recommendation or referral to the Board revoked or withdrawn.

50 **No notice where immediate unacceptable risk**

- 50.1 The provisions of section 49.1 will not apply if the PSC is satisfied that there is an immediate unacceptable risk of harm to any person if the respondent remains in his or her present office or duties.

51 **Standard of proof**

- 51.1 The standard of proof required to prove a breach of professional standards under this Statute is the civil standard, being that of a reasonable satisfaction on the balance of probabilities.
- 51.2 Each of the Board and the Reviewer must scrutinise evidence with greater care if the conduct referred to in the complaint is serious in nature, or there is an inherent unlikelihood of an occurrence as described in the complaint or if there are grave consequences that would flow from a particular finding in relation to the complaint.

52 **Matters to be considered by the Director and PSC before recommending suspension**

- 52.1 Before making a recommendation under this Part, the Director or the PSC (as the case may be) must take into account:
 - (a) the seriousness of the alleged breach of professional standards;
 - (b) the nature of the material to support or negate the allegations;
 - (c) the extent to which any person is at risk of harm;
 - (d) after consultation with the relevant Church entity or its representative, the effect on the respondent, a relevant Church entity and on the Church of acting and of not acting under this Part; and
 - (e) any other allegation of similar conduct previously made to the PSC or to an equivalent body within the previous 10 years;
 and may take into account any other relevant matter.

- 52.2 Before making a recommendation under this Part, the PSC must advise and consult with the respondent and the relevant Church entity or their representative on potential recommendations being considered and provide them with sufficient information about the basis of the potential recommendation and with a reasonable opportunity to respond.

- 52.3 The provisions of section 52.2 do not apply if the PSC is satisfied that there is an immediate unacceptable risk of harm to any person or Church entity if the respondent remains in his or her present office or duties so that action under section 47.1 is required prior to any consultations.

53 **Powers of the Church authority and written statements**

- 53.1 The Church authority to whom a recommendation is made under this Part must and is hereby empowered to give effect to that recommendation of the Director or the PSC.
- 53.2 Subject to section 53.3, the Church authority may release to the public a written statement disclosing their decision on the recommendation received and the steps to be taken or that have been taken pursuant to this section to give effect to it.
- 53.3 The Church authority must ensure that any statement so released is anonymised and redacted so as not to contain any particulars that identify or are likely to lead to the identification of a prescribed person.

54 **Powers under section 53 may be exercised while matter under consideration**

- 54.1 The Archbishop or other Church authority may exercise the powers referred to in section 53 of this Statute, notwithstanding that a recommendation under this Part is under consideration by the Board by the process referred to in this Statute.

55 **Termination of suspension**

- 55.1 A Church authority may set aside a suspension or prohibition order it has made following a recommendation under this Part at any time during its currency.
- 55.2 A Church authority must set aside a suspension or prohibition order it has made following a recommendation under this Part:
 - (a) if the PSC terminates the investigation without referring the matter to the Board;

- (b) upon any direction to that effect given by the Archbishop or other Church authority; or
- (c) upon the Church authority giving effect to a recommendation of the Board or such a recommendation as varied or modified by a Church authority under section 82.

56 **Consequences of suspension, prohibition**

- 56.1 During a suspension or prohibition pursuant to the provisions of this Part or while conduct the subject of a complaint is dealt with under this Statute:
- (a) the respondent must comply with the terms of any prohibition order;
 - (b) the respondent will be ineligible for appointment to any position or function covered by any suspension or prohibition order;
 - (c) the relevant Church authority may fill the vacancy caused by any suspension or prohibition order; and
 - (d) the respondent will be entitled to whatever stipend, salary, allowances and other benefits that he or she would ordinarily have received and, subject to any other decision of or policy made by Diocesan Council, such entitlements are to be met or reimbursed from funds of the Diocese, the Parish or other Church entity as the case may be ordinarily.

PART 5.4 – REFERENCE OF A COMPLAINT OR MATTER TO THE BOARD

57 **PSC may refer certain matters to the Board**

- 57.1 Subject to section 57.2, after the investigation of a complaint or referral in accordance with this Statute, the PSC may refer to the Board, one or more of the following questions:
- (a) whether the conduct being the subject of the complaint would if established call into question:
 - (i) a Church worker's fitness, whether temporarily or permanently, then or in the future to hold a particular role, or any role, office, licence or position in the Church or to be or remain in Holy Orders or in the employment of a Church entity; or
 - (ii) whether in the exercise of a Church worker's role, office, licence or position or in the performance of any function, the Church worker should be subject to certain conditions or restrictions; or
 - (b) whether by reason of alleged abuse or other conduct, the Church worker may not be fit for ministry in the Church either generally or to hold a proposed role, office, licence or position of responsibility in the Church or may be fit subject to certain conditions or restrictions; or
 - (c) whether in the case of a complaint against a Church worker who is deceased, there are plausible grounds for believing the Church worker did commit the alleged abuse set out in the complaint.

- 57.2 If the respondent admits some or all of the breach of professional standards set out in a complaint, the PSC need not refer to the Board those matters which have been admitted, but may make a recommendation to the Church authority directly.

58 **Written report by PSC**

- 58.1 The PSC must refer the question or questions to the Board by delivering to the President/Secretary of the Board a written report setting out:
- (a) its investigation and opinion;
 - (b) a statement of any allegations of breach of professional standards made against the Church worker signed by a member of the referring body.

- 58.2 The report must be signed by a member of the referring body.

59 **Complainant may refer dismissal of complaint to the Board**

- 59.1 If the PSC refrains from further investigation and dismisses a complaint under sections 42.1 or 42.4, the complainant may refer the matter to the Board.

60 **Board to invite submissions from parties**

- 60.1 In the case of a reference pursuant to section 57.1, as soon as practicable after delivering the report referred to in section 58.1 to the President of the Board, the PSC must cause to be delivered to the respondent and, in the case of a complaint, the complainant, a copy of the report and opinion and notice to the effect that each party may advance written submissions to the Board if they wish to do so.

- 60.2 In the case of a reference pursuant to section 57.1, the PSC must advise the respondent and the complainant of the rights each has under this Statute and any relevant policies.

- 60.3 In the case of a reference pursuant to section 59.1, the Board will give notice to the complainant that they may advance written submissions to the Board if they wish to do so.

61 **Documents and materials to be delivered to the Board**

- 61.1 Within 14 days of the reference of a matter to the Board or within 14 days of the document or material coming to existence, whichever is the later:
- (a) in the case of a reference pursuant to section 57.1, the PSC must cause to be delivered to the President of the Board any documents and material relevant to the reference; and
 - (b) in the case of a reference pursuant to section 59.1, the PSC must cause to be delivered to the President of the Board the written notice of the outcome including the reasons for the outcome given by the Director in relation to the decision by the PSC or the Director to dismiss the original complaint.

62 **Board may give directions as to documents and conduct of inquiry**

- 62.1 The Board may at any time and from time to time give directions:
- (a) as to the inspection by and supply of copies to the respondent or any other person of the documents or material relevant to the reference; and
 - (b) the service of any witness statements, summary of proposed evidence, submissions or other documents on which a party may wish to rely; and
 - (c) as to the conduct of its inquiry into the matter,
- and, for that purpose, the Board may be constituted by the President or Deputy President alone.

63 **Resignation to have no effect**

63.1 If after a complaint is referred to the Board, the respondent resigns from his or her role, office or position, the Board may continue to enquire into and determine the complaint, notwithstanding that resignation.

64 **The role of the PSC on the reference**

64.1 The PSC has the carriage of the matter before the Board and has the following functions:

- (a) to present to the Board:
 - (i) the evidence on which it relies relevant to the reference;
 - (ii) any findings and recommendations it proposes that the Board should make;
 - (iii) any submissions in support; and
- (b) to appear by the Director or other authorised representative at any hearing of the Board to assist the Board in its enquiry into the reference.

PART 5.5 – DETERMINATION OF COMPLAINT OR MATTER BY THE BOARD

65 **How the Board is to respond to a reference**

65.1 Where a matter is referred to the Board, the Board must consider the matter and may make any finding on any relevant question of fact, taking into account:

- (a) the final report if any of the investigator including attachments;
- (b) any further material received from the complainant and the respondent;
- (c) any other relevant evidentiary material;
- (d) such report of the PSC as may be submitted;
- (e) any applicable professional standards; and
- (f) the record of any court or tribunal.

65.2 In the event that the respondent has been charged with a criminal offence arising out of the same matter as the matter which has been referred to the Board, the Board may defer its consideration of the matter until the conclusion of the criminal proceedings.

65.3 The Board may adopt the decision of any court or tribunal or equivalent body by way of its determination, without the need for further inquiries or investigation.

66 **Power to order further enquiry**

66.1 Where the Board is satisfied that a complaint which was previously dismissed under section 42.1 or 42.4 requires further investigation, the Board may direct the PSC to undertake further inquiries or a fresh investigation and the PSC must, to the best of its ability, cause such directions to be carried out.

67 **Notification of determination and recommendation**

67.1 The Board must cause a copy of each determination and recommendation to be provided:

- (a) to the relevant Church authority; and
 - (b) to the respondent; and
- cause relevant details to be forwarded to the Director for entry into the national register.

68 **Powers of the Board satisfied of unfitness**

68.1 Subject to section 69.2, the Board may recommend to the Archbishop any one or more of the following:

- (a) that the respondent be suspended from any role, office or position or from performing any function as the case may be for such period recommended by the Board;
- (b) that the licence or authority of the respondent be revoked;
- (c) that the respondent's contract of employment (if any) be terminated;
- (d) that the respondent ceases to hold any role, office or position then held;
- (e) that a prohibition order be made in terms specified by the Board;
- (f) that the respondent's holding of any role, office or position or the performance of any function as the case may be, will be subject to such conditions or restrictions as the Board may specify;
- (g) that the respondent be required to enter into a worshipping agreement with the Church authority, failing which they be excluded from entry or access to premises or activities of the Church either generally or in a specified location or circumstances;
- (h) that the implementation of a determination be suspended for such period and upon such conditions as specified by the Board;
- (i) that the respondent be counselled;
- (j) that a person be appointed to promote a charge against the respondent before the Diocesan Tribunal;
- (k) that the respondent be deposed from Holy Orders; or
- (l) such other actions as the Board sees fit.

68.2 The Board may further recommend to the Church authority, without binding it, that:

- (a) an apology or other acknowledgement be given to the complainant, survivor or other person affected by the abuse found to have been committed by the respondent; or that
- (b) such other steps of a systemic or process or administrative nature be implemented by the Church authority as may be judged worthwhile to prevent or diminish in future the incidence of abuse and harm to any person.

69 **When the Board must dismiss a complaint**

69.1 If the Board is not satisfied that the respondent committed any alleged breach of professional standards or is satisfied that the complaint is false, vexatious or misconceived, the Board may determine accordingly and must dismiss the complaint.

69.2 If the Board is satisfied that the respondent did commit any of the alleged breach of professional standards but is not satisfied as to any of the matters in paragraphs 57.1(a)(i) or 57.1(a)(ii), the Board may determine accordingly and must take no further action in relation to the complaint.

70 Board may appoint persons to assist inquiry

70.1 The Board may, for the purpose of any particular reference, appoint such person or persons, including the Director, to assist it in inquiring into (but not determining) a reference as the Board thinks fit.

71 Board may seek further information

71.1 The Board may seek further information from the PSC and may at any time and from time to time give directions to it as to any further inquiries or investigation it requires to be carried out for the purposes of the reference and the PSC must, to the best of its ability, cause such directions to be carried out.

72 Where the Board may dismiss a complaint

72.1 If the Board:

- (a) makes a finding that the respondent did not commit the alleged breach of professional standards; or
 - (b) is not satisfied as to any of the matters referred to in the foregoing sections 57.1(a) and 57.1(b),
- the Board may dismiss the complaint or take no further action in relation to the complaint.

73 Proceedings of the Board

73.1 The Board must deal with a complaint or other reference as expeditiously as possible.

73.2 The Board may, as it sees fit, proceed with the determination of a reference or complaint notwithstanding that there may be mediation or conciliation proceedings relating to the subject matter of the reference or complaint being conducted by or at the direction of the referring body and notwithstanding that there may be criminal or other proceedings being taken against the respondent or some other person.

73.3 The place and time of sitting of the Board will be as determined by the President.

73.4 Subject to section 73.5, the Board must give the following persons reasonable notice of the time and place of the sitting of the Board: the Director, the respondent, the subject of any alleged abuse and such authorised persons as the Board believes have a proper interest in the matter.

73.5 The Board is not obliged to give notice of a sitting to a person whose whereabouts cannot, after reasonable enquiries, be ascertained.

PART 5.6 – APPLICATION FOR REVIEW OF A BOARD DECISION

74 Application for review

74.1 A respondent who is aggrieved by a reviewable decision may apply to the Director for a review of the decision.

75 Grounds for review of reviewable decisions

75.1 Application for review of reviewable decisions may only be made on any one or more of the following grounds:

- (a) that a breach of the rules of natural justice happened in relation to the making of the reviewable decision which materially affected the Board's decision;
- (b) that procedures that were required by this Statute to be observed in relation to the making of the reviewable decision were not observed, and the non-observance materially affected the Board's decision;
- (c) that the Board did not have jurisdiction to make the reviewable decision;
- (d) that the reviewable decision was so devoid of any plausible justification that no reasonable Board could have made it; or
- (e) the availability of fresh and compelling evidence which, if available at the time, would be likely to have materially affected the Board's decision.

76 Stay of reviewable decisions

76.1 A Church authority must not give effect to a reviewable decision of the Board until the time for lodging an application for review has passed, and no application has been lodged.

76.2 The making of an application for review acts as a stay of the reviewable decision pending the determination by the Reviewer.

 - (b) where the participant is not serving in a participating diocese or is serving in a participating organisation, as soon as practicable having regard to the needs of the Church or the participating organisation.

Priority as Between Participants
