

ST MARTIN'S LENT CLASS 2026

CHRIS+IANTY

WHY BELIEVE?

From the beginning of the Church, new Christians were asked to say 'I believe' to the essentials of the faith. And yet, much has changed over the past 2,000 years. Today many will instead ask 'Why believe?'

Why believe in 'God'? Is Jesus still relevant? Is the resurrection believable? What's the point of the Church? Is Christianity reasonable? Led by the Reverend Luke Hoare, explore what Christianity has to offer in the modern, scientific age. Cost: donation.
