SAFE MINISTRY VISITS

Please consider events or opportunities where Safe Ministry can be invited to attend your parish. We are available to attend Parish Council Meetings, Sunday Services, coffee mornings and other activities.

We are keen to meet more of you this year, so if we haven't been to your parish, please be in contact with us to arrange a visit.

Tip: We love reading about what is happening in your parish – could we be included on your parish mailing list for newsletters.

PARISH SCREENING REPORTS

The next Parish Screening Reports will be collated from information received by **29 February 2024**, so please ensure you are sending all screening and training information to screenings@perth.anglican.org before that date.

Tip: How about hosting a Safe Ministry morning tea after a Sunday Service. Have forms available for volunteers to fill out and then give Safe Ministry a call and we can come and collect from you or simply scan through or send in via the post.

WORKING WITH CHILDREN CHECKS COPIES OF CARDS REQUIRED

It is a legal requirement that the Safe Ministry Team holds a copy of Working With Children cards for all volunteers and employees who require this for their roles.

Please check the November Parish screening reports for expired cards and for the 'To Be Provided (scan/copy)' check stage on the report. If this is relevant to you, please send a copy of the card to screenings@perth.anglican.org so that Diocesan records can be updated by 29 February 2024.

Tip: If your WWC is expired on the Screening report or is no longer required for your role, please ensure you let Safe Ministry know, as well as updating the WWC Screening Unit.

WARMTH FOR THE WINTER MISSION AT ARMADALE IN OUR 120TH YEAR

It is hot, especially in a non air-conditioned brick church in the Eastern suburbs! Despite the heat the people of St Matt's are tough and preparations for our Winter mission, in this our 120th year, are beginning.

We will be collecting donations of blankets, sleeping bag, doonas, beanies, gloves, warm tops, jeans, track suits, new socks, closed in sneakers and 'in-date' food. As convenient please contact Fr Jeff for collection and thank you for your continued support.

THANK YOU FOR YOUR SUPPORT AT CHRISTMAS

Thank you to the schools both Anglican and state, the churches - Anglican and others, the Tai Chi group, CWA branch and many generous individuals that supported our Christmas mission at Armadale.

Through your help and the help of others we were able to provide a better Christmas for over sixty vulnerable families.

Elective Unit: Critical Thinking

Critical thinking is essential to any educational process as well as to citizens living in a society. Achieving a high level of critical thinking is one of the most important goals of education. It is only when learning how to critically approach an essay, a question, or a problem, for example, that a person does something freely.

To argue is to make something clear as the meaning of the Latin root *arguere* makes clear. This unit aims to enhance the thinking and communication skills that are fundamental to your studies. Employers in most professions and industries regard these abilities as essential. Critical thinking demands rigorous and reasoned analysis, imagination and insight. In this unit you will develop and practise these skills and learn how to structure a strong argumentative essay.

GRACE ANGLICAN CHURCH

Cnr of Grand Boulevard and Shenton Avenue
Joondalup

SEEKING A PRIEST

The Anglican Parish of Joondalup is seeking a half time Priest who is looking to lead them into a chapter of further growth and community building.

Grace Church is a distinctive parish being in a joint venture with the health department and the State government. It has a beautiful and quite different worship space, with the parish having no responsibility for the upkeep of its infrastructure.

Grace Church is located the heart of Joondalup, across the road from Joondalup Health Campus and sees itself a vital part of a wholistic healing ministry. It is an inclusive community focused church, with the emphasis on "Unity in Diversity".

Worship at Grace Church is in the traditional Anglican style, with a focus on Faith in Jesus and love for God.

This role will require someone with solid leadership skills, a passion for diversity in the community, for family and children's ministry and the ability to enable parishioners to grow in their calling to ministry.

Expressions of Interest form for completion and return available from perth.anglican.org

Director of the Spirituality Centre

- Is God calling you to lead our Spirituality Centre?
 - Do you have a passion for the spiritual life?
 - Do you want to encourage others in their journey with God?

St George's Cathedral is on the look out for a new member of the clergy team who will lead our Spirituality Centre into its next phase. For many years, the Spirituality Centre has been an important part of the Cathedral's outreach and mission, as it helped people connect with God and search for life's meaning.

Our new Director will help people in their life with God through providing a welcoming programme that encourages people to learn to rest in God, to let God love them, to let that love flow out into the world, as they recognise and respond to God's presence and love in every aspect of life.

We hope our new Director will use the teachings and insights of spiritual writers and teachers down the centuries to ignite a passion for the spiritual life in the twenty-first century.
