

SAFE MINISTRY UPDATE

National Volunteer Week recognises the contribution of millions of volunteers across the country and invites everyone to discover how giving their time and talents can create connection, purpose, and stronger communities.

The theme for 2026 is **Your Year to Volunteer**. 'Your Year to Volunteer' honours the contributions of volunteers and invites people across Australia to make 2026 a year of meaningful involvement, in ways that work for them. This week is a moment to thank those who already give their time and to invite others to discover how volunteering can create connection, purpose, and lasting positive change.

Thank you to all our volunteers

We would like to take the opportunity to thank all our volunteers across the Diocese – we appreciate and acknowledge all you do.
