2018 SAUVIGNON BLANC
MARLBOROUGH NZ

VINEYARD

Mondiale Marlborough Sauvignon Blanc was crafted from one of the best flowering and fruitsets in the regions history was followed by a scorching January and wet February that challenged our vineyard crew.

Like a team of perfectly trained acrobats they walked this tightrope with ease and selected the best grapes from vineyards in the region to craft this wine. The cool climate has produced grapes with stunning fruit intensity.

WINEMAKING

Picked late at night to harvest the grapes as cold as possible the grapes were transported to the winery and pressed using modern membrane tank presses. After cold settling the clear juice was carefully racked to cooled fermentation tanks and inoculated with selected yeasts. Cool fermentation was followed by minimal handling filtration and bottling at the Angove Family Estate.
