REVIEWS

ROB GEDDES MW - APRIL 2021 - 92 POINTS

"This wine balances fruit intensity with mouth filling soft tannins to provide exceptional drinking after decanting. Loaded with mocha coffee dark chocolate oak and dark chocolate into black liquorice and star anise fruit aromas. The palate has a smooth soft mouth coating tannin texture with wide ripe luscious mouth filling flavours showing caper berry and black berry fruit flavours with excellent mineral tannins. The easy drinking qualities are enhanced by the length and mouth coating tannins that finish with clove, oregano spice from the fruit and chocolatey oak flavours. Capable of 8 years cellaring."
