**HUON HOOKE - THE REAL REVIEW - AUGUST 2017 - 96 POINTS**

---

"The best Medhyk I can recall tasting, this has better balance of oak and is more spicy and Rhône-like in its aroma spectrum. The wine is full-bodied and has real old-vine density and concentration. Powerful but balanced, it's destined to age for the long haul, but is also enjoyable now."

**JAMES HALLIDAY 2017 WINE COMPANION - AUGUST 2016 - 97 POINTS**

---

"Hand-picked, destemmed to open fermenters, plunged/trodden, basket pressed to French oak, tasted at 9 months, the best matured for a further 6 months. Deeply coloured, it has the power of a Rolls Royce, but shares the smooth as silk delivery of that power; blackberries, poached plum, star anise and licorice are perfectly framed and presented by quality French oak, now perfectly integrated."
