SMART NUTRITIONAL - MAX CRUS - NOVEMBER 2020 - 90 POINTS

"At the bold end of the rosé spectrum, this suits summer barbecues when a real red is too much ... is that possible?"

QWINE - STEVE LESZCZYNSKI - NOVEMBER 2020 - 89 POINTS

"A delightful softness is what hooks me in here. Organic Rosé - what's not to like when quality whispers your name for less than 20 bucks. Red berries and watermelon husk sit at the steering wheel. Soft textural feels span the mouth ever so slowly like a stone sending out a ripple in a flat body of water. Creamy feels with an ever so subtle savoury presence to close. Tick tick."
