Rooftop Movies is one of Perth's most popular summer destinations with impressive panoramic city skyline views, a laid-back atmosphere, and the best seat in the house for a stunning sunset. The cinema is located on the top level of an urban carpark in the heart of Northbridge at **68 Roe Street**; a vibrant hideaway six floors above the hustle and bustle of the city.

Rooftop Movies is famous for serving up fun summer vibes, comfy beanbag seating, and tasty treats your guests can enjoy on a balmy summer's night.

We offer multiple packages and offerings to suit your event. From large-scale exclusive functions to customised group packages for your next social event. Read on for more information about what's on offer this summer at **Rooftop Movies**.

PRIVATE EVENTS

What is included?

Looking to add a personal touch to your event? The private hire experience comes complete with extra inclusions for maximum impact.

Film Hire

Cost of the film hire is included in the hire fee, which means all you need to do is choose a movie, and we'll do the hard work for you.

Not sure what movie to choose? We can help! Just tell us a little more about your function and the demographic of people attending, and we can send you a list of suggestions. Choose between a blockbuster film, cult classic, or a throwback retro movie.

Film hire is included in non-ticketed events only. Let us know if you will be charging your guests for entry, as this will change the film hire cost.

Pre-Movie Display

Have a quick ad or a logo you would like displayed on the cinema screen throughout your function? Supply us with your chosen graphics, and we can make sure they're on screen during the evening.

Background Music

Want to get your groove on before the movie? Or unwind for sunset with some chill tunes? Rooftop Movies is equipped to fill the space with your choice of music prior to the film. Let us know if you have any particular music requests for your event.

Additional Equipment

Looking to introduce the proceedings of your screening? For no additional fee, we can set you up with a microphone to take the hassle out of your event.

If you would like to enquire about additional sound requirements, let us know and we can supply a quote.
