## Badminton NT Newsletter

June 2020

### Membership Extension

As 30<sup>th</sup> June approaches, all players who were members during the closure for COVID-19 have had their memberships extended until 30<sup>th</sup> September. 2020 membership will now be due on 1<sup>st</sup> October and players will only have to pay for a 9 month membership instead of the full year.

This offer is only for current members who are renewing their membership. New members will pay the full rates.

Thanks to Badminton Australia for reducing their fees and allowing us to pass this on to our members.

### Do You Have a Gym Membership?

Now that we are in Stage 3 restrictions, the gym is available for use by those players with a gym membership. Please remember that social distancing is still in place so only a limited number of people can be in there at the same time. There needs to be 1.5 metres between people at all time including when you are using equipment. The only exception is if you are spotting someone working with weights when you need to stay a safe distance away but able to help if needed.

Email [admin@ntbadminton.org.au](mailto:admin@ntbadminton.org.au) if you still need your gym access reactivated.

No new gym memberships will be accepted until the end of September.

### BadmintonNT New Website Launch

The new NT Badminton Association website is about to be launched. This will be the first port of call when you need to know what is happening and all the important dates. Please send us an email to tell us what you think and let us know if there are any issues.

Do you have any good clear landscape badminton action shots or photos from the old days? The committee is trying to build up photo albums to use on our website and would love to get a copy of your memories to share. If possible a short note about when the photo was taken and who is in it if you have that information would be appreciated.

### Win a free membership for 2021 in our 1<sup>st</sup> competition

Our new website has a competition for members only that will be a lot of fun. Keep checking the website this week for our new look webpage and find the competition under the Noticeboard tab in Club News and Events

## Need to Contact Badminton NT

As we move into the very busy end of the financial year, our hard working Treasurer cannot always answer the phone or reply to messages until long after most people have gone to bed..

Please email [admin@ntbadminton.com.au](mailto:admin@ntbadminton.com.au) if you need to contact us, instead of ringing, as this gives more people the opportunity to help you with your enquiry..

## Spread the Word

The 2020 Alice Springs/Darwin Challenge is rumoured to be on the go in the near future. Will this be 3<sup>rd</sup> time lucky for Darwin or will Alice Springs be victorious for the third time?
