

DCBH Committee Meeting 1st November 2020

2019 – 2020 Financial Report

Richard Ings <richard@richardings.com.au>
to Stephen, me

Wed, 23 Sep, 08:31

Hi Sonia and Stephen, Unfortunately I can't do the audit but you actually don't need an auditor especially the one you have charging 2k absolute dead centre robbery (see attached you are TIER 1) As turnover is under 25k you just need someone to review like a bookkeeper a bank manager etc etc should cost next to nothing But if accountant firm does it they have to follow all audit rules and insurances Sorry I can't help but don't use the ones you have been regards Richard

Kind Regards,

Ph (07) 5575 7850
Fax (07) 5580 9871
PO Box 1000, Burleigh Heads QLD 4220
Suite 1303 Lakeside 2, Bermuda Point, 1 Lake Orr Dr, Varsity Lakes QLD 4227
ABN: 73 086 787 635 Tax Agent Registration No: 40019002

As Richards can't do our financial book review for last financial year and we are confirmed Tier 1, I have asked Mark Coffey if would check them. Mark is the husband of my manager and there is no conflict of interest as I'm not employed by my manager. Mark is retired from working years for Federal Police and he currently is employed with Public Health as COVID cell manager and he has his own Consulting Business.

Mark is just finalising our books and I should get them back within the next couple of weeks. He's doing a good job and we should be back on track with our financial mess we've been in over the past few years.

National AGM Report

- Archery Action Magazine**
- running at a financial loss each year (40 000 – 100 000\$/annum)
 - postage, printing, reduce membership
 - several proposals have been made (online, send to clubs, etc.)

From 2021, Archery Action Magazine will be available as online only. At the end of the year an annual 'Year Book' which will be printed and sent to all members.

Branch A 2021 shoot calendar has been submitted and been approved by National. Our next years NT Titles will be in September and consist of:

- 2 Day 3D shoot
- 2 Day ABA shoot
- 3 Day IFAA competition

Branch B – J Annual Reports are up on the www.ntarchery.org.au website

National Constitution will change as National ABA is moving from and 'Association' towards a 'Limited' organisation. This will have very minimal effect on club constitutions and may be requires some minor changes to Branch constitutions down the line.

Branch A Report

Shoot calendar, no issues with FPFA. Grading shoots are set-up again in line with Darwin to occur on the same day.

Hoping to have some people coming down from Darwin for the NT Titles.

3D target progress report from Abbey Archery.

DCBH 2021 Shoot Calendar

Has been displayed for a few weeks for feedback. No changes have been proposed.

Main changes was that we will have some FITA shoots still on Saturday. But in the hotter month a few FITA shoots are set on Practice Sundays, starting at 11am after a possible couple of hours practice. This might encourages some newer club members to join.

A Open day is planned for March 2021 with two follow-up days as the last couple of time.

Score Recorder Report

All club shoot results are on the white board in the club house and on the ntarchery website. In addition, our Branch A Grading shoots are also displayed on the ABA National Website.

Membership update

Kellemer family stated that they are not coming anymore as the children lost interest.
