

Quality Policy Statement

COR-MGMT-POL-0022

Objectives

We are committed to the quality and continuous improvement of our process, services, and systems to ensure we meet or exceed customer requirements and quality standards.

We will achieve this by:

- Establishing and maintaining a quality management system in accordance with ISO9001;
- Complying with licences conditions, relevant laws, and regulations;
- Setting objectives and targets to measure performance and identify and address risks and opportunities;
- Providing adequate resources and training to ensure consistent delivery of our services and products;
- Encouraging all employees to integrate quality management into the way we work and to promote continuous improvement in their area of responsibility;
- Actively seeking feedback from our customers; and
- Reviewing and monitoring our processes and performance, whilst seeking out opportunities to improve the quality of our products, services, and the effectiveness of our systems.

Responsibilities

Responsibility for the application of this policy rests with all Coogee employees, contractors and joint venturers engaged in activities under Coogee's operational control.

All managers are responsible for the communication and promotion of this policy to internal and external stakeholders and to monitor the effectiveness of the quality management system in their area of control.

This policy will be reviewed regularly and updated as required.
