

Horse & Pony Cubes

Horse & Pony Cubes are a highly palatable, nutritionally balanced feed designed to be fed to horses and ponies in conjunction with good quality roughage. Horse & Pony Cubes may also be suitable for horses that have a tendency to 'heat up' on high grain diets.

Features	Benefits
Nutritionally balanced feed	> Meets the protein, energy and mineral requirements of horses and ponies when combined with good quality roughage
Highly digestible energy sources	> Provides energy without the heating effects of grain diets
Moderate protein and energy levels	> Protein and energy levels formulated to suit pleasure horses and ponies
High fibre	> High fibre content provides additional slow release energy source
Made in WA	> Formulated specifically for WA conditions
Quality assured vitamin/trace mineral premix	> Provides vitamins and minerals to meet nutritional needs and maintain health
Cubed feed	> The easy to feed 9mm pellet is ideal for mature horses. Reduces dust and prevents wastage
No ingredient separation	> Even nutrient blend received by each horse
Raw material receival standards	> High quality and safe ingredients with FeedSafe® quality assurance
Cost Effective	> An economical feed suitable for a wide range of horses and ponies
