

Oat-Free Horse Muesli

Oat-Free Horse Muesli is a nutritionally balanced blend of steam flaked grains, without oats, designed to be fed to horses in pleasure or performance work where an oat-free diet is desired.

Features	Benefits
Nutritionally balanced ration	> An oat-free formulation that meets the protein, energy and mineral requirements of working horses when combined with good quality roughage
Highly palatable	> A highly palatable blend of grains, to tempt the fussiest of eaters
Digestible energy sources	> Lupins and barley are steam flaked to enhance digestion
Contains canola oil & sunflower seeds	> Canola oil and sunflower seeds added for fat based energy sources. Great for coat and body condition
Moderate protein and energy levels	> Contains energy and protein levels suited to horses in pleasure and performance work
Quality assured vitamin/trace mineral premix	> Contains a vitamin/mineral pellet to meet the nutritional requirements of working horses. The pellet eliminates sifting out and reduces dust and wastage
Made in WA	> Formulated specifically for WA conditions
Raw material receival standards	> High quality and safe ingredients with FeedSafe® quality assurance
Cost effective	> An economical muesli feed representing good value for money

Nutritional Analysis

Nutrients	As fed basis
Crude Protein (min)	13.0%
Digestible Energy (est)	12.5 Mj/kg
Crude Fibre (max)	13.0%
Calcium (min)	1.0%
Phosphorus (min)	0.4%
Added Salt (max)	1.3%

Ingredient Selection

Steam flaked barley, steam flaked lupins, sunflower seeds, canola oil, cereal byproducts, canola meal, cereal grains, minerals, molasses, vitamin/trace mineral premix.

Feeding Directions

Oat-Free Muesli is a palatable blend of grains. It includes a vitamin/mineral pellet and should be fed in conjunction with good quality roughage in the form of hay, chaff or pasture.

Oat-Free Muesli is also suitable for spelling/resting horses.

Clean fresh water should be available at all times.

Feeding Recommendations

AGE	MUESLI/100 kg BWT
Light work	0.5 kg
Moderate work	0.8 kg
Heavy work	1.0 kg
