

Risk Management, Internal Compliance and Control Policy

Purpose

Management, under guidance of the Board and Audit & Risk Committee, determines the risk profile of Mineral Resources Limited (Company or Mineral Resources) and is responsible for overseeing and approving risk management strategy and policies, internal compliance and internal control.

This Policy outlines the Company's risk management, compliance and control practices.

Risk Management, Compliance and Control Process

The Company's process of risk management, internal compliance and control includes:

- establishing the Company's goals and objectives, and implementing and monitoring strategies and policies to achieve these goals and objectives
- continuously identifying and reacting to risks that might impact upon the achievement of the Company's goals and objectives, and monitoring the environment for emerging factors and trends that affect these risks
- formulating risk management strategies to manage identified risks and designing and implementing appropriate risk management policies and internal controls; and
- monitoring the performance of, and continuously improving the effectiveness of, risk management systems and internal compliance and controls, including an ongoing assessment of the effectiveness of risk management and internal compliance and control.

Within the identified risk profile of the Company, comprehensive practices are in place that are directed towards achieving the following objectives:

- effectiveness and efficiency in the use of the Company's resources
- compliance with applicable laws and regulations; and
- preparation of reliable published financial information.

The Board, via the Audit and Risk Committee, oversees an ongoing assessment of the effectiveness of risk management, internal compliance and control.

Responsibility

Responsibility for undertaking and assessing risk management and internal control effectiveness is delegated to management. Management is required by the Board to report back on the efficiency and effectiveness of risk management. Management is required to appraise the Board of changing circumstances within the Company and within the international business environment.

Review of Policy

This policy will be periodically reviewed, revised and re-published where necessary to ensure that it remains relevant and appropriate to the Company's activities.
