# DISCLAIMER

The results of Mineral Resources Limited and its subsidiaries ("MinRes" or "Company") are recorded under Australian Accounting Standards ("AAS"). This presentation may contain certain financial data that are "Non IFRS" financial measures. Such measures include EBITDA and Underlying EBITDA. The Company believes that such "non IFRS financial measures" provide a useful means through which to examine the underlying performance of the business. These measures, however, should not be considered to be an indication of, or alternative to, corresponding measures of net profit determined in accordance with AAS. In addition, such measures may not be comparable to similar measures presented by other companies. Please see "Appendix" in 1H23 presentation released on 24 February 2023 for the reconciliation of Non-IFRS Financial Information.

This presentation should not be considered as an offer or invitation to subscribe for or purchase any securities in the Company or as an inducement to make an offer or invitation with respect to those securities. No agreement to subscribe for securities in the Company will be entered into on the basis of this presentation.

This presentation contains forecasts and forward-looking information including statements about growth opportunities and targets; management plans and objectives; production forecasts and targets; commodity prices; demand for commodities; the expected timing for commencing new projects; the anticipated life of projects; operating costs; capital costs; and exchange rates.

These forward-looking statements are based on expectations as at the date of this presentation. Forward looking statements are not a guarantee of future performance as they involve risks, uncertainties and other factors, many of which are beyond the Company's control, and may cause results to be different from statements in this presentation. The Company cautions against reliance on any forward-looking statements or guidance, particularly in the current economic climate and the uncertainty due to COVID-19.

You should not act or refrain from acting in reliance on this presentation material. You should not put undue reliance on forward-looking statements. This overview of MinRes does not purport to be all inclusive or to contain all information which its recipients may require in order to make an informed assessment of the Company or its future prospects. You should conduct your own investigation and perform your own analysis in order to satisfy yourself as to the accuracy and completeness of the information, statements and opinions contained in this presentation before making any investment decision.

The Company makes no representation, assurance or guarantee as to the accuracy or likelihood or fulfilment of any forward-looking statement or any outcomes expressed or implied in any forward-looking statement. To the fullest extent permitted by law, MinRes and its affiliates and their respective officers, directors, employees and agents, accept no responsibility for any information provided in this presentation, including any forward-looking information and disclaim any liability whatsoever (including for negligence) for any loss howsoever arising from any use of this presentation or reliance on anything contained in or omitted from it or otherwise arising in connection with this. In addition, except as required by applicable laws, MinRes accepts no responsibility to update any person regarding any inaccuracy, omission or change in information in this presentation or any other information made available to a person, nor any obligation to furnish the person with any further information.

# DARREN HARDY

CHIEF EXECUTIVE ENERGY & Project Director, Onslow Iron

- Appointed CE Energy in May 2023
- 30+ years' experience
- 12 years with MinRes

Darren first joined MinRes in 1998, before leaving in 2006 to project manage construction at the Telfer gold/copper mine, Boddington gold mine and Hancock's Roy Hill mine.

He returned to MinRes in 2018, bringing a wealth of experience to a range of projects, including his work as Project Director of our Wonmunna mine and Project Director of our Onslow Iron project – a role he continues to hold.

Darren has also served as the General Manager of our Kwinana Workshop and was instrumental in setting up MinRes' Apprentice program.
