PRESIDENT'S FOREWORD

Welcome to the **2024 SunSmart WA Surf Life Saving Championships**.

First and foremost, I would like to thank our valued naming rights partner Healthway, promoting the SunSmart message.

Healthway's long-term support of Surf Life Saving in WA and our surf sports program is vital, enabling us to deliver a comprehensive calendar of events for our athletes.

I take this opportunity to remind all athletes and those attending events over the coming weeks to be SunSmart and remember the simple acts of Slip, Slop, Slap, Seek and Slide!

These championships are the pinnacle of our surf sports season and the culmination of many months of hard work, not only from our athletes but also from the coaches, team managers, and all involved in getting us to this point in the season.

We have already seen many of our athletes put their skills to the test in the recent Lifesaving and Surf Rescue events, and over the coming weeks, we look forward to the Surf, Beach and Surf Boat competition.

For those who can't get down to the beach, we will once again be live-streaming much of the action on our Facebook page and YouTube channel and encourage you to tune in and cheer on your club!

Finally, I wish the athletes competing much success. While not all will come out on top of the podium, I encourage everyone to enjoy the competitiveness, camaraderie, and sportsmanship these championships bring.

Heidi Gan OLY
President

NOTES FOR YOUTH / OPEN & MASTERS

- **Red Competition Wristbands** will be used and competitors are asked to bring their bands from last year. If competitors are yet to have a band allocated or have lost a band, new bands will be available at the SLSWA administration van which will be in the centre of the beach at a cost of \$5 each.
- **High-Visibility Competition Vests** – All competitors must wear approved SLSWA high-vis competition vests as per [Circular 16](#). For water events, this means an approved high-vis yellow vest (green also allowable in surf boats) with the SLSWA roundel on the chest or breast. Beach events do not require a high-vis vest; however, if one is worn, they must adhere to the requirements as per [Circular 16](#).
- All competitors are required to wear their **club competition cap**.
- All competitors entered in the championships must have completed and be proficient in the Surf Rescue Certificate (U14/U15) or the Bronze Medallion (U17 and above). It is the clubs responsibility to ensure any competitor entering the event has the necessary skills and fitness requirements for the category they are entered into.
- Where there are insufficient starters for heats, finals will be held immediately, unless event final is scheduled for Sunday.
- This program of events is to be used as a guide only and may be subject to change by event organisers.
- For all **SunSmart WA Surf Life Saving Championships** event and general competitive conditions for affiliated clubs, download the relevant Bulletins - [Youth / Open Bulletin 5](#) - [Masters Bulletin 6](#)
- Champion Club points are drawn from the results of the Lifesaving, Surf Rescue, Beach & Surf events.

NOTES FOR LITTLE NIPPERS & NIPPERS

Little Nippers (U8-U9) will not require wristbands.
- All competitors are required to wear their **Woodside Nippers high-vis vest** and **club competition cap**.
