Carnival Guide

Carnival information for attendees and clubs.

Carnival Map

NOTE: Competition Arena Location

The competition arena is 400 metres north of Quinns Mindarie SLSC.

Additional Parking is available at the car park north of Frederick Stubbs Park (Highlighted in Green) which will be available from 6am. There is no vehicle beach access at Frederick Stubbs Park.

All boat access to the beach is via Quinns Mindarie SLSC.

Club Location

Quinns Mindarie Surf Life Saving Club, 2 Quinns Road, Mindarie, WA 6030

The Club is accessed via Quinns Road, turning left at the roundabout and into the Main Parking area. There is an access gate to Club wash down area between the buildings as you drive into the main car park area.

Beach Access

4WD Vehicles with Surf Rescue branding maybe driven onto the Beach, QMSLSC will also provide their tractor for use caution should be taken as the beach entry is very soft.

Clubs in branded vehicles may deflate tyre pressures and tow boat trailers onto the beach.

Boats are to be launched in front of the club and south of the patrol and swimming enclosure, clubs are to row their boats north to the competition arena and store their boats near the arena.

Boat trailers maybe left on the beach in the designated trailer storage area marked on the map near the boat launch area. Please do not enter the dune area.

Due to the distance from the Surf Club, clubs with a surf rescue 4WD may transport their tents and gear to the competition area along the beach and leave their 4WD's on the beach south of the competition arena. Alternatively, QMSLSC will organise this to be towed.

QMSLSC will be able to tow trailers onto the beach for clubs that would prefer not to drive on the beach or do not have a Surf Rescue branded vehicle. QMSLSC will be utilising the Club tractor to tow trailers. For clubs that would prefer QMSLSC to tow their trailer, please proceed to the wash down area and this will be organised.

Arrival and Start Time

Clubs are welcome to arrive from 6:00 am for beach access, setup, and preparation.

7:40 am Sweeps meeting in front of the competition arena.

8:00 am Events start.

Canteen (Food & Drinks)

Quinns Mindarie will open the Club Canteen providing hot drinks and BBQ breakfast food as well as lunch options including pizza. The Canteen is located at the front of the Club near the grassed area.

Post Event Social Catch Up

The Club will open the bar at 11am and all are welcome to join us in a post event presentations, social catch up. We will have the BBQ hot and the pizza oven going, so carnival attendees can grab a drink, pizza or some BBQ food.
