Open directions to the club

ARRIVING & PARKING. (Boats can be dropped off on Friday, call Mike Hoy to arrange time / access 0412 930 034)

Main club entrance. Access the club from Quinns Road. Turn left at the roundabout into the main parking area. The gate to the club wash-down area is between the buildings as you enter.

Overflow parking. Additional parking north of Frederick Stubbs Park is available from 6:00 am. There is no vehicle beach access from Frederick Stubbs Park.

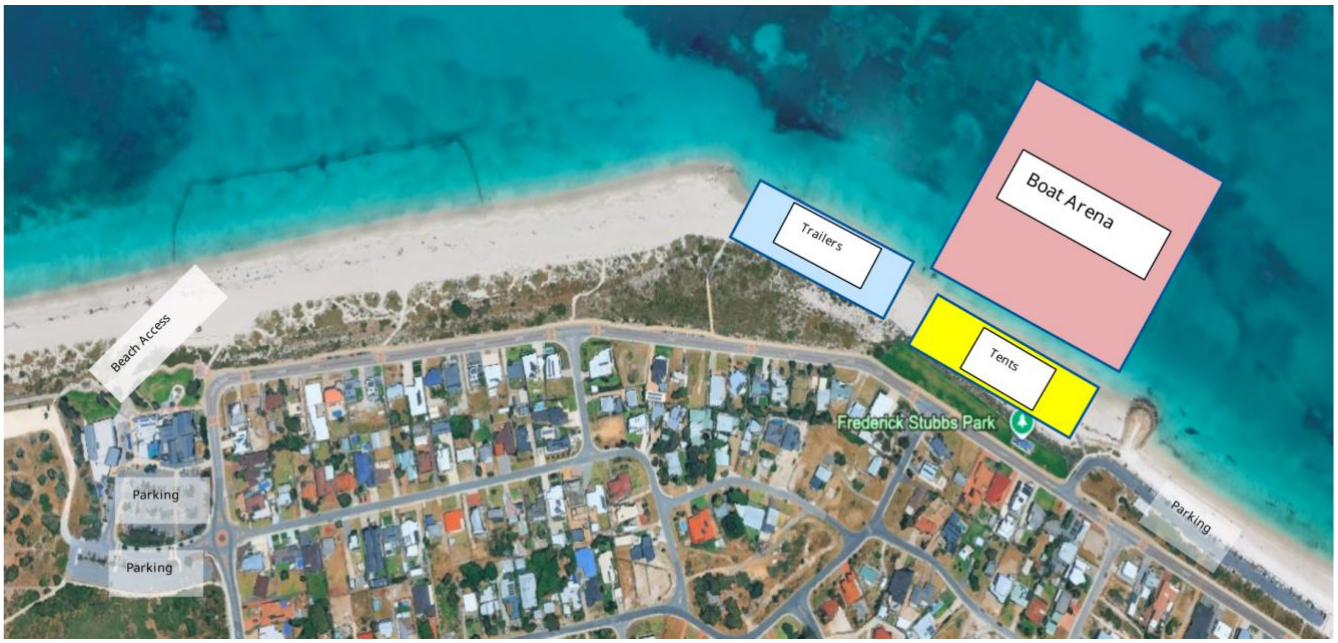

IMPORTANT FOR BOAT CREWS

All boat access to the beach is via Quinns Mindarie SLSC.

BEACH ACCESS

Find your way

Competition arena approximately 400 metres north of the surf club.

Map from the club's existing carnival guide. Follow the marked access, trailer, tent and boat-arena areas.

BRINGING BOATS AND EQUIPMENT

(Boats can be dropped off on Friday, contact Mike Hoy to arrange access and time 0412 930 034**)**

01

Beach access and soft sand

Surf Rescue-branded 4WDs may use the beach access at the club. The beach entry can be very soft; take care and adjust tyre pressures as appropriate.

02

Boat drop-off and tractor assistance

Drop boats at the front of the club. QMSLSC can use its tractor to tow trailers onto the beach. If you would prefer club assistance, please proceed to the wash-down area.

03

Trailers, tents and gear

Keep trailers in the designated beach storage area near the boat launch and stay out of the dunes. Branded Surf Rescue 4WDs may transport tents and gear to the arena along the beach and leave vehicles south of the arena; QMSLSC can organise towing instead.

AFTER THE FINAL RACE

Back at the club

PRESENTATIONS • BBQ • CATCH-UP

When racing wraps up, we would love everyone to come back to the club for presentations and a relaxed catch-up with fellow competitors.

The club bar opens from 11:00 am, and BBQ food will be available for carnival attendees.
