Introduction

Last season SLSWA introduced a team-based Surf League event in our season calendar. We have scheduled the event again this season (on Saturday 5 December 2026) with revised team composition rules and a revised list of events. The purpose of the revisions is to allow more clubs to enter teams. There will be three divisions offered: Youth, Under 17 and Open.

Youth Division

The Youth Division is for U14 & U15 competitors. A club team must contain a minimum of two (2) competitors with a maximum of eight (8) competitors allowed with the following conditions:

1. Both genders must be represented
2. There is a maximum of four (4) competitors per gender
3. A competitor may compete in more than one individual event noting the more competitors in a team the less likely it will be that a competitor does more than one individual event.
4. The Cameron Relay must be comprised of either two or four person event and must contain equal gender representation i.e. one (1) male and one (1) female **or** two (2) males and two (2) females. Each member must complete at least one leg.

U17 Division

A club team must contain a minimum of two (2) competitors with a maximum of ten (10) competitors allowed with the following conditions:

1. Both genders must be represented
2. There is a maximum of five (5) competitors per gender
3. A competitor may compete in more than one individual event noting the more competitors in a team the less likely it will be that a competitor does more than one individual event.
4. The Taplin Relay is a two or four person event and must contain equal gender representation i.e. one (1) male and one (1) female **or** two (2) males and two (2) females. Each member must complete at least one leg. Taplin Relay Teams will consist of a runner who does all three runs, noting that this is considered one leg.
