How Easi Salary Works

Establish eligibility and add 'personal electronics' to your salary package

Your eligibility is dependent on your employer's salary packaging policy. [Find out more](#)

Choose your tech from Harvey Norman

Pick out a new laptop, smartphone, or smart watch; any tech that could be claimed as a relevant work expense.

Pay with your pre-tax salary and save

Your purchases will be spread across the nominated fortnight plan. You'll save on paying GST and could reduce your tax liability.

If personal electronic Salary Packaging is set up with your employer, you could be enjoying your new tech gear tonight.
