ABOUT THE SYSTEM

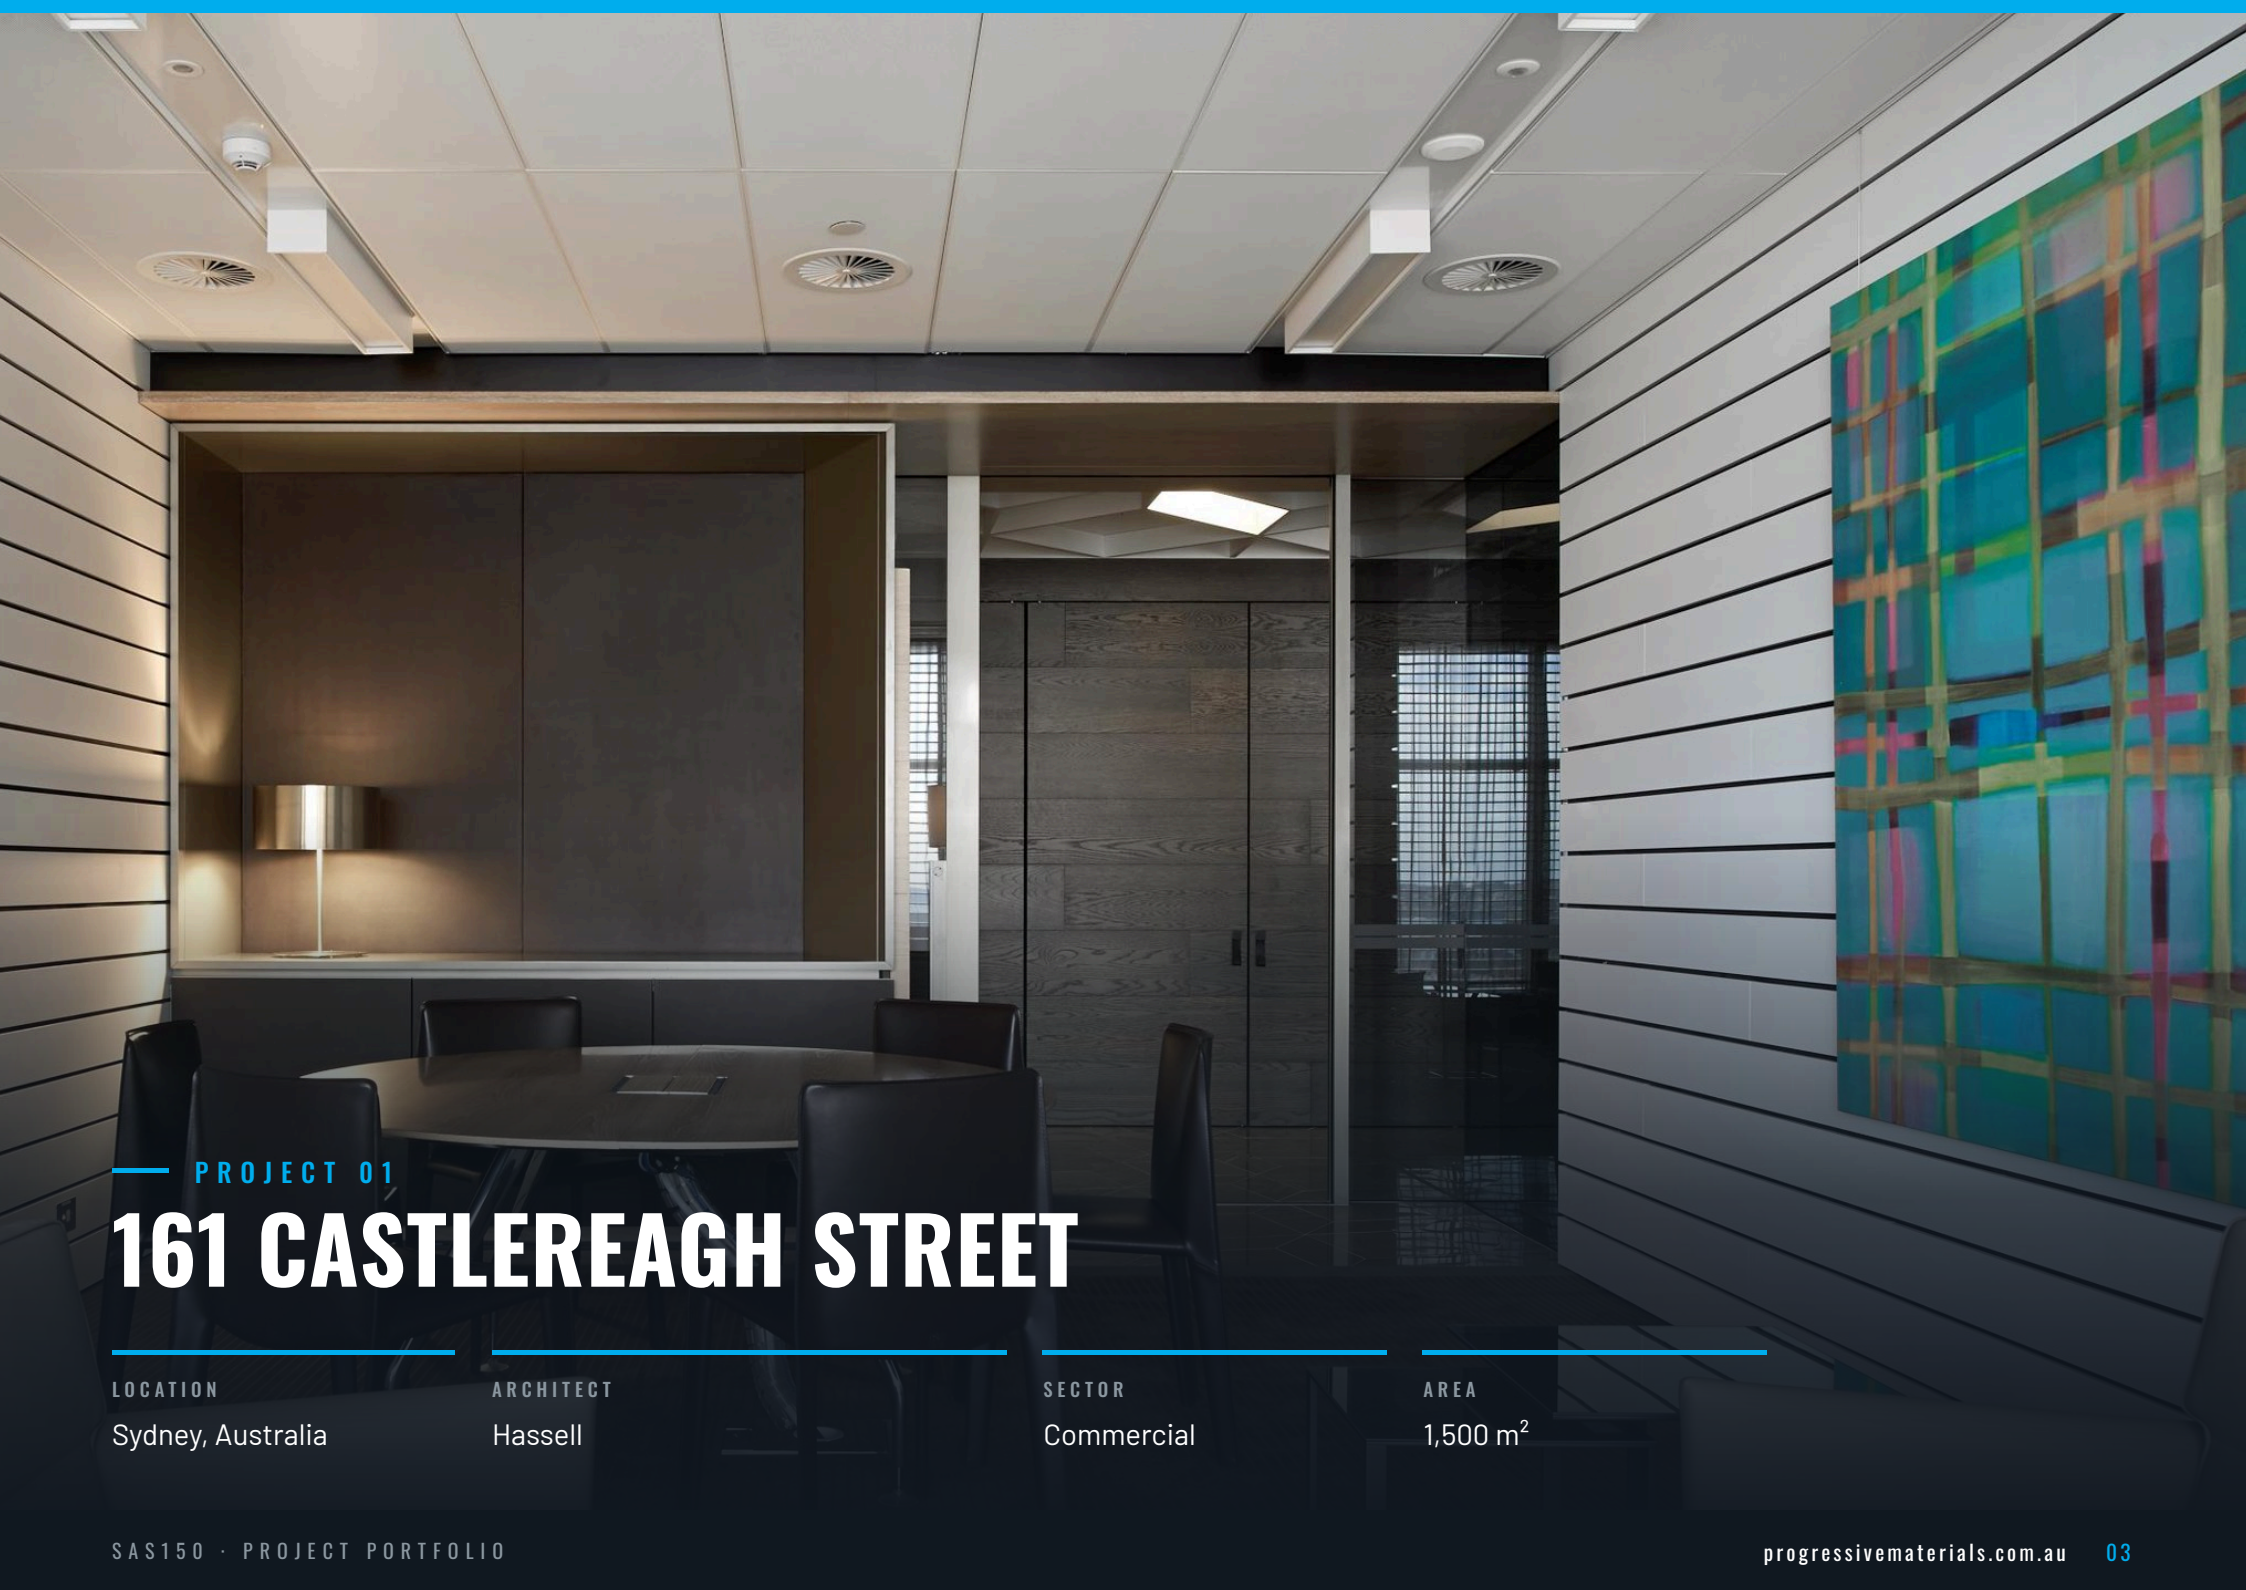

SAS150

SAS150 offers all the benefits of SAS120, with the additional convenience of hinge-down access minimising risk of damage. Clip-in systems allow for upward cleaning pressure without dislodging or displacing tiles. If required, voids can be secured through the use of a simple clip mechanism. Hospitals and food preparation areas are ideal examples of appropriate environments, however the system is suitable for numerous applications.

PROJECTS
6 featured

SECTORS
Commercial, Education

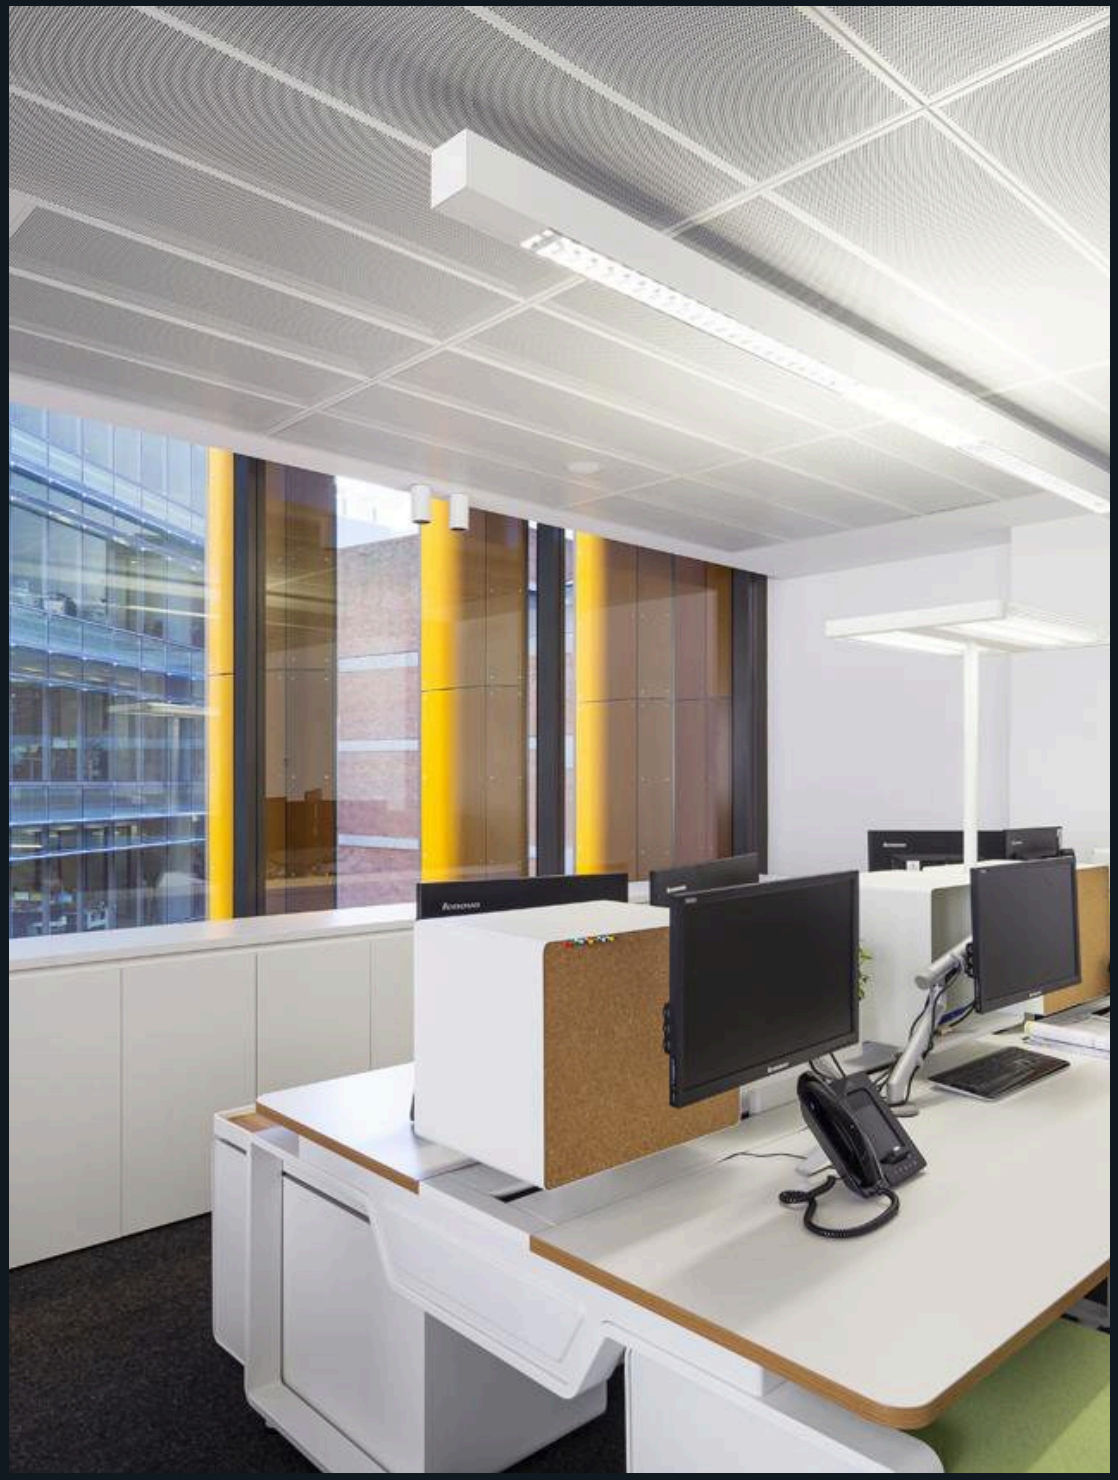

PROJECT 01

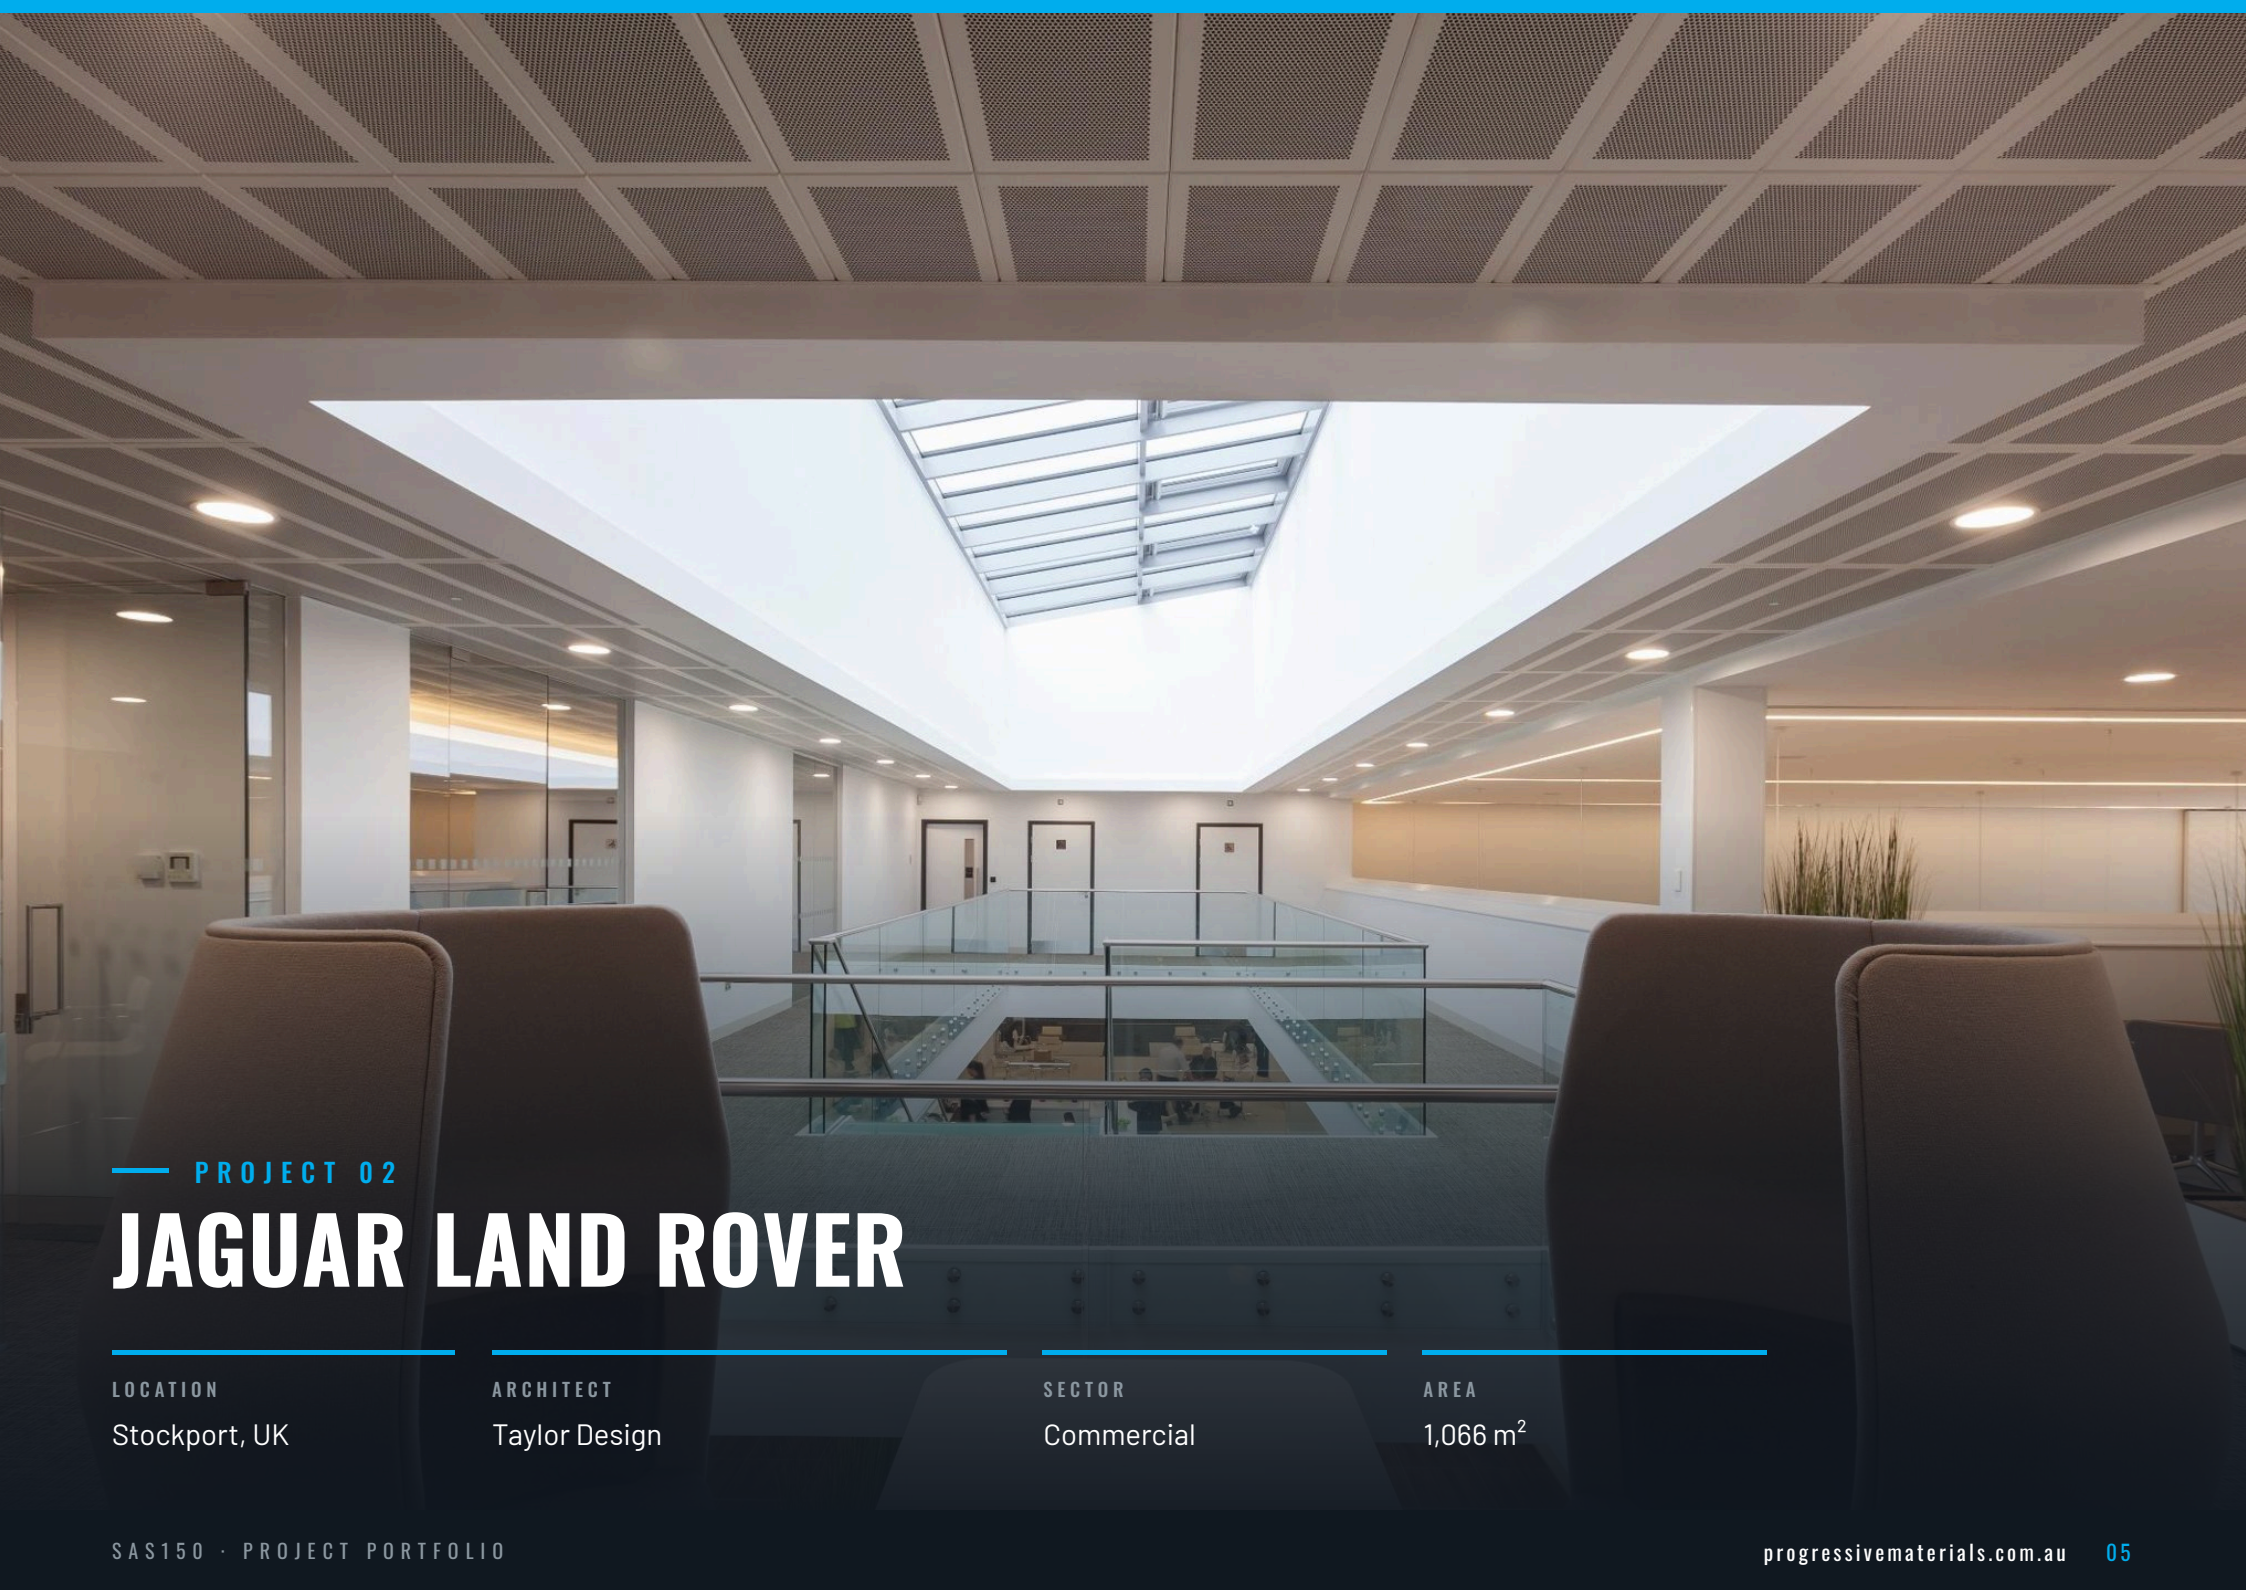

161 CASTLEREAGH STREET

LOCATION	ARCHITECT	SECTOR	AREA
