Summary:	This circular is calling for an Expression of Interest from SLS clubs to run SunSmart Surf Sports events in the upcoming 2020/21 season.
Action:	Clubs are required to complete an online Expressions of Interest form and submit by 5pm Thursday 13 August 2020.
Appendix:	Hosting Surf Sports Event Checklist

There are opportunities for clubs to run interclub SunSmart Carnivals throughout the upcoming season. Please note that these events will be managed and the responsibility of the club running it. SLSWA will provide guidelines on program and duration of event along with assistance as required and identified during discussions with each club. Assistance may include promotion and supply of additional gear.

In the metropolitan area there are three set dates where we are keen to see SunSmart events being held. These dates have been determined based off our current draft planning calendar.

1. A southern metropolitan clubs SunSmart Development Carnival on Sunday 29 November 2020 for U10 – U15
2. A SunSmart Nipper Carnival on Sunday 13 December 2020
3. A SunSmart Nipper Carnival on Sunday 10 January 2021

A Development Carnival is a modified, high participation style event with shorter courses encouraging those Nippers and Youth new to SLS to try Surf Sports.

Metropolitan clubs interested in running one or more of the SunSmart events listed above are asked to complete the online [Expression of Interest Form](#). As a guide, we have indicated the fee charged last year for that style of event.

The **Expression of Interest Form** is required to be submitted by 5pm, Thursday 13 August 2020. After the closing date, SLSWA may need to negotiate with clubs to ensure we have a workable series of events.

A checklist, as part of this circular, **Appendix: Hosting Surf Sports Event Checklist**, has been designed to assist clubs in running a SunSmart Event. Clubs may wish to review this list before committing to running an event.
