Surf Life Saving Western Australia acknowledges all traditional custodians throughout Western Australia and their continuing connection to the land, waters and community. We pay our respects to all members of the Aboriginal communities and their cultures; and to Elders both past and present.

63

A MESSAGE FROM THE

PREMIER

Around nine in 10 Western Australians live less than 50 kilometres of the coast. Our glorious beaches are a source of state pride - they are where we live, recreate, and socialise. They also attract hundreds of thousands of visitors from interstate and overseas every year.

It's also a fact our vast and stunning coastline belies an unpredictability. But for more than 100 years, SLSWA has helped beachgoers to understand and overcome the unpredictability of our coastal waters. Most importantly, as the organisation's name suggests, it has saved lives. When anyone sees the iconic red and yellow uniforms of Surf Life Saving Western Australia, they know a level of risk has been removed.

To the members, volunteers and staff that have played a role in rescues, or helped foster a culture of beach safety, I express my deep appreciation. The past year has reiterated SLSWA's position as a pillar of WA society. The 31 clubs are integral parts of their respective communities - their red and yellow kits ubiquitous on our popular beaches. Equally, the outlet it offers children and youths is invaluable.

In March and April, Western Australia hosted the Aussies for the first time in five years. More than 5,000 athletes from nearly 130 Australian Surf Life Saving Clubs converged

on Scarborough and Trigg beaches. There was strong representation from Western Australian clubs, with more than 200 podium finishes over nine days of competition. Aside from the incredible athleticism on display, the event has excellent tourism benefits by bringing thousands of interstate visitors to Perth.

As we enter the 2023-24 season, I look forward to seeing the new South West Development Centre in Margaret River. This will be a boon for the next generation of surf life savers and further SLSWA's coastal safety objectives.

I wish SLSWA members all the very best for 2023-24.

ROGER COOK MLA
PREMIER OF WESTERN AUSTRALIA

A MESSAGE FROM THE

PRESIDENT & CEO

Craig Smith-Gander AM - President

James O'Toole - CEO

On behalf of the Board of Surf Life Saving WA, it is with great pleasure that we present the 2022/23 Annual Report and highlight some of the achievements of the past year.

First and foremost, we recognise our nearly 25,000 members across WA, whose ongoing commitment is what keeps our clubs and our movement thriving. Whether you are on the frontline of service delivery, patrolling between the red and yellow flags, supporting your club each weekend off the beach, or a nipper parent assisting with water safety, each and every one of you plays a vital role in delivering our mission of saving lives on the WA coast.

This season across WA, our 6,144 volunteer surf lifesavers performed more than 210 rescues, 18,130 preventative actions and nearly 1,690 first aid treatments.

Combined with our Westpac Life Saver Rescue Helicopter Service, Emergency Response Jet Ski Teams, and Abalone and Drone Patrols, the impact our people have on the safety of our community is immeasurable, and once again, we can be proud to say that no lives were lost between the red and yellow flags on WA beaches this season.

We extend our thanks to the WA Government, whose support through a number of avenues assists us in the delivery of these essential services. This year, we were delighted to secure another five years of support through the Department of Fire & Emergency Services Capital Equipment Grant, which assists with providing essential equipment such as ATVs and Jet Skis to our clubs.

We also welcomed grant funding from Lotterywest to support the roll-out of our club-based Drone Patrol and look forward to the growth of this program over the coming years.

In sport, and no doubt buoyed by the long-awaited return of "The Aussies" to WA beaches in March & April this year, participation was extremely strong with a 35% increase in open, 42% in Nippers, and 29% in masters. Our SunSmart WA Surf League series also saw an 11% increase in participation.

This participation was reflected in Aussies' entries, which experienced a 23% increase on 2018's participation, the last time The Aussies were held on WA sand. Congratulations also to the 99 WA athletes selected to represent WA in our Western Suns Interstate Teams.

It was wonderful to welcome surf sports partner Healthway, promoting the SunSmart message, back for a further two years, and to confirm funding through the Department of Local Government, Sport and Recreational Industries.

The ongoing training of our members and the community

remains of central importance, with nearly 3,000 Awards delivered this year. We also saw the roll-out of the new Silver Medallion Patrol Captains' Award and delivered free First Aid courses to more than 500 members.

We are delighted to say that one of our major undertakings in recent years, the establishment of our South West Development Centre in Margaret River, has reached completion and will be open for use from August 2023. We look forward to welcoming many of our clubs to the Centre to enjoy the facilities on offer, and we are excited to be hosting our popular Youth Camps at the premises early in the new year. Thanks again to Lotterywest for their support of this project.

Finally, we recognise the tremendous support of our many corporate partners who share in our mission and make the achievements outlined in this report possible. Thank you for your commitment to helping us save lives and build great communities here in WA.

President's Addendum

As I close out my final term as President and Board Member of Surf Life Saving WA, I reflect on the many wonderful experiences and achievements I have witnessed over my nine years of service.

As an active clubby, volunteer surf lifesaver, surf boat sweep, and, more recently, Jet Ski Operator, it has been an honour to represent the interests of the membership in this movement that has played such a significant role in my and my family's lives.

I also recognise fellow Board Members Chris Brien (9 years of service) and Garry Williams (10 years of service), who served their final terms in 2022/23. The time, energy, and expertise they have provided during their tenures cannot be underestimated. On behalf of you, the members, I thank them for their service.

Like you, we are all volunteers, but what this wonderful movement gives back to us repays far more than the time spent giving to the organisation. As I now step away from my formal duties, I can assure you that it does not signify the end of my involvement in this fantastic movement in which I will continue to be involved for years to come.

Life & Sporting Hall of Fame Member Dinner

With the late cancellation of the 2021 event due to COVID, it was wonderful to once again host our Life and WA Sporting Hall of Fame Member Dinner at Scarboro Surf Life Saving Club over the weekend of the SunSmart WA Surf Life Saving Championships.

This event continues to provide a fantastic opportunity for the stalwarts of Surf Life Saving in WA to catch up, reminisce and hear about the activities and achievements of the organisation over the past year.

It was wonderful to have 2021 and 2022 Sporting Hall of Fame inductees Brendon Sarson and Simon Huitenga in attendance, along with 2022 Life Member inductees Mark Hills and Chris Brien ESM.

LIFESAVING SERVICES

Saving lives on the West Australian coast is the cornerstone of what we do. Our Lifesaving Services include a range of volunteer and contracted services delivered to the community based on service need and profile. These essential and critical services provided by our well-trained members and employees are integral to maintaining the coastal recreational lifestyle that West Australians enjoy.

FIRST AIDS

Through our 31 affiliated WA Clubs, volunteer lifesaving patrols are delivered at multiple locations along the WA coast, from Broome to Esperance.

Our trained and proficient volunteer members demonstrate unwavering commitment and discipline to deliver this service to the community. Often in hazardous situations, they undertake prevention and rescue activity while offering on-call services when emergency responses arise outside rostered patrol times.

On behalf of the WA community, thanks are given to the 6,100 + volunteers who contributed nearly 105,000 patrol hours, performed 212 rescues, and completed over 18,000 preventative actions in the past season.

SLSWA is the largest provider of professional beach lifeguard services in Western Australia, managed under contract with local government authorities (metropolitan and regional) and the State Government.

Beach Lifeguard services ensure continuity at locations that cannot be covered by volunteer surf lifesavers, especially during weekday periods. They are essential in reducing incidents and loss of life when individuals undertake leisure and recreational activities at the beach. They also provide an employment pathway for volunteer patrolling members at our WA clubs.

We extend our thanks to all external stakeholders who support these services.

The following beaches were serviced by SLSWA lifeguards during the 2022/23 season:

- Middleton Beach, Albany
- Ocean Beach, Denmark
- Margaret River Mouth Beach
- Meelup, Bunker Bay, Yallingup Beach, Smiths Beach
- The Basin, Rottnest Island
- Secret Harbour Beach
- Penguin Island Sandbar (based at Mersey Point)
- Cottesloe Beach
- City and Floreat Beaches (plus a roving service)
- Hillarys Boat Harbour, Mullaloo, and Sorrento Beaches; and
- Quinns Beach, Yanchep Lagoon (plus roving service).

Supported by the Government of Western Australia and partnered by Westpac, our Westpac Life Saver Rescue Helicopter Services (WLRH) continues to deliver important safety outcomes that contribute to the ongoing confidence of individuals to recreate on WA beaches.

SLSWA operates two helicopters with coverage along the metropolitan and the south west coast. The metropolitan service is based at Rous Head, North Fremantle and patrols from Yanchep in the north to Port Bouvard in the south and Rottnest Island in the West. The south west service, based out of Busselton Margaret River Airport, patrols between Bunbury and Hamelin Bay.

The crews conduct coastal surveillance patrols that encompass the lookout for marine life including sharks, people in distress, incidents on beaches, potential threats and hazards, and search and rescue taskings.

The 2022/23 season saw an increase of 9% in the number of shark sightings and a 75% increase in requests for sea search and rescue activity. Of note is the nearly 30,000 beachgoers that received notification of an imminent threat due to the proximity of shark/s. These statistics demonstrate the continued value of the service.

Drone Patrol

Unmanned aerial surveillance (drone) activity has become a standard component of surveillance operations around Australia, and there are many types, formats, and methodologies to adopt this technology into lifesaving service activity.

In Western Australia, drones are a localised surveillance initiative that can operate at locations where there is no other aerial surveillance initiative, supplementing the capabilities of our Westpac Life Saver Rescue Helicopter Service.

The 2022/23 season focussed on developing sustainability in the Program and providing Clubs with greater autonomy to manage their drone programs within the club environment.

Thanks to a Lotterywest grant, the Drone Program was reenergised with new equipment and additional training and operational support opportunities for qualified members while also working towards building a sustainable base of club-based trainers and assessors. With the support of the Lotterywest grant, the following was achieved:

- Growth of club-based programs from 12 to 14 Clubs
- 28 complete operational lifesaving patrol kits received by clubs
- Access to online training programs and supported member training pathways
- Four abalone fishing sessions supported by Drone Patrol.

Operational club patrols achieved:

- 472 hours of localised aerial surveillance delivered
- 16 new operators are in the process of or have completed training to endorse them to operate an SLSWA drone
- 56 qualified operators
- 14 endorsed clubs

Jet Ski Program

TRAINED & ENDORSED MEMBERS

22 LOCATIONS

SEARCH & RESCUE MISSIONS

Our Jet Ski program is integral to the lifesaving patrol service delivery model and compliments the Inflatable Rescue Boat (IRB). The Jet Ski and our highly trained operators are a valuable resource for external agencies such as the WA Water Police, regularly tasked to participate in Marine Search and Rescue incidents and support police divers where required.

During the 2022/23 season, members spent over 3,130 hours delivering Jet Ski patrols, including support for four Abalone sessions across five fishing zones.

Jet Ski Emergency Response Teams were also tasked to support 13 search and rescue missions spanning from Esperance to North Cottesloe.

SurfCom

Key to SLSWA's communications is the state-wide operations communication and coordination centre, known as SurfCom. SurfCom supports volunteer club lifesaving services and several agencies, including the WA Police, St John Ambulance, the Department of Primary Industries and Regional Development's Shark Response Unit and several local governments.

SurfCom supports 13SURF tasking, operational asset tracking and distress monitoring, incident logging and recording, monitoring of Emergency Rescue Communications Network (ERCN), call taking and despatching, and capturing and recording operational data that assisted various stakeholders.

SurfCom also communicates real-life beach safety messaging to the public, including notification of beach closures, shark sightings and general coastal safety advice, via Twitter and BeachSAFE.org.au

13SURF and St John Ambulance First Responder Program

13SURF is an emergency service hotline number managed directly by SurfCom. This hotline is vital in providing a direct communication resource for external emergency management agencies to Surf Life Saving's first response resources or to request the tasking of relevant lifesaving services to assist during coastal emergencies. External agencies that utilise 13SURF include St John Ambulance and the WA Police.

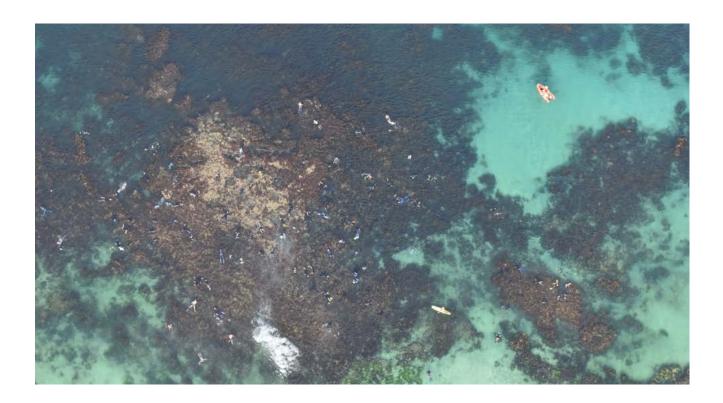

During the 2022/23 season, 107 calls were received via 13SURF seeking assistance from Surf Life Saving resources.

Capital Equipment Support Program

The SLSWA Capital Equipment Support Program, delivered by the WA Government through the Department of Fire and Emergency Services, completed its final year of the current five-year Program.

This generous support enabled the following valuable items to be distributed to the volunteer Surf Life Saving clubs across the 2022/2023 season:

- Nine (9) x Jet Skis
- Eight (8) x Side by Side Vehicles (SSVs); and
- Twelve (12) x Inflatable Rescue Boats

Abalone Patrol

ACTIONS

14 ARESCUES FIRST

45 FIRST AIDS

Recreational abalone fishing in WA's West Coast Zone is restricted to a maximum of five (5) one-hour sessions per season. With thousands of licences issued each year, the hugely popular but hazardous activity sees fishers descend upon the inshore reef around the metropolitan area during the designated abalone season.

The 2022/23 season delivered four fishing sessions, from December through February, with support provided by members from fourteen Surf Life Saving Clubs. Club volunteers filled various roles, including lifesaving, coordinators, powercraft operators, surveillance and rescue crew and drone operators.

Conditions were favourable during the four (4) sessions and, coupled with the support of participating clubs, resulted in no serious incidents and no lives lost. The participation of volunteer surf lifesavers is a significant factor in this result.

Abalone Patrol Funding Support - Recreational Fishing Fund

Thanks to the Department of Primary Industries and Regional Development – Recreational Fishing Fund, an additional three years of grant funding was secured to support the ongoing involvement of SLSWA's clubs in delivering lifesaving services to the thousands of licenced abalone fishers.

The Grant assists in ensuring clubs are adequately resourced through training and the provision of safety equipment to undertake preventative, rescue and emergency response services during the abalone fishing sessions, as well as supporting essential risk mitigation strategies, which result in a reduction in major incidents. All participating clubs must be commended for their commitment to protecting fishers during the Abalone season.

Resources Allocated Each Session

- Volunteer Surf Lifesavers 160
- Person Hours 3,000+
- Drones 3
- Powercraft 24 (Jet Skis and IRB)
- Westpac Life Saver Rescue Helicopter Service

SURF SPORTS

Surf sports play a key role in the Surf Life Saving movement developing the necessary skills to carry out surf lifesaving's core purpose - saving lives.

Annually, thousands of members utilise and challenge their lifesaving skills in a competitive sporting environment by participating in various surf sports events throughout the year.

Key Events & Activities

The sporting event portfolio included a full calendar of events across the year, including the below Championship Events:

CHAMPIONSHIP EVENTS		
EVENT	CHAMPION CLUB	HANDICAP WINNER
WA Board Riding Championships	Trigg Island SLSC	N/A
WA Pool Rescue Championships	Sorrento SLSC	N/A
WA IRB Championships	Mullaloo SLSC	N/A

SunSmart WA Surf Life Saving Championships - Nippers	Sorrento SLSC	Quinns Mindarie SLSC
SunSmart WA Surf Life Saving Championships - Youth/Open Youth	Trigg Island SLSC North Cottesloe	Trigg Island SLSC N/A

The 2022/23 surf sports season was filled with ambitious objectives, particularly with the 2023 Australian Surf Life Saving Championships set to take place in WA at Scarborough & Trigg Beaches in late March.

With a huge calendar of 48 events scheduled across the state, the season provided a rigorous platform to enhance and test the skills of athletes. Notably, clubs took on the responsibility of managing many of these events, receiving support from SLSWA as needed. This arrangement not only generated income for the clubs but also nurtured their event management capabilities.

The ongoing development of the SurfTec entry and results system has also reached a point where it now caters to all club events and team compositions, facilitating smoother and more efficient processes.

Another significant development for the season was the delivery of the beach events of the SunSmart WA Championships being delivered as a standalone event which proved to be a resounding success, albeit with a few initial challenges that will be addressed moving forwards.

SunSmart Regional Nipper Championships

The SunSmart Regional Nipper Championships have created a valuable platform for young nippers to actively engage and participate in surf sports competitions in their own region. Delivered over January and February, these championships took place in four regions at the host clubs of Dongara Denison, Port Bouvard, City of Bunbury, and Esperance-Goldfields, each of which successfully accommodated over 500 eager participants ranging from U8 to U13 age groups.

These Championships also provided an additional qualification pathway to our SunSmart WA Nipper Championships.

Western Suns State Teams

After two years of COVID cancellations, the Interstate Championships finally returned, with SLSWA supporting ninety-nine athletes to travel and compete across the Pool Rescue, IRB Racing, Surf Boats, Ocean/Beach, and Youth Pathway Cup teams, as well as two Super Surf Teams League teams.

Western

WESTERN SUNS OCEAN & BEACH INTERSTATE TEAM

Held in Maroubra, NSW, our interstate team comprised thirty-six Open, Youth (U17), and Pathway Cup (U14-15) athletes, and with exceptional efforts by all athletes and coaches, the team claimed bronze overall and in each division.

A special mention to Tana Wesley, Megan McCaffrey, and Jules Fredonnet for their outstanding performances as they secured gold in the youth flags, sprint, and board race, respectively.

With the Manly and Freshwater carnivals scheduled for the following weekend, many of the athletes stayed on to compete in these events.

WESTERN SUNS BOAT ROWERS TEAM

The Interstate Championships and Australis Surf Rowers League (ASRL) took place in February at Bulli Beach, NSW, with forty WA athletes making the journey east.

In the U19 male interstate race, congratulations to the Mullaloo Stormbringers on an outstanding performance, which saw them secure the win while the North Cottesloe Shifty Business crew took bronze in the Open Female event.

WESTERN SUNS IRB RACING TEAM

The Interstate and Australian IRB Championships took place in July 2022 at Mollymook, New South Wales with a group from Scarboro SLSC racing for Western Australia and their Club over the Championship weekend.

Team Manager: David Thomson

Hollie Shiels-Rudd Jessica Cake Ella McCullagh Charlette Croxford Angus McMillan Jake Fricker Thomas Horton

WESTERN SUNS POOL RESCUE TEAM

The Interstate and National Pool Rescue Championships took place in August 2022 on the Gold Coast. Despite having a small roster of only six female and five male athletes, the team delivered outstanding performances, surpassing expectations by setting numerous Australian records and achieving personal best times.

Officials and Coaches

Surf Life Saving Australia's Surf Sports Officials and Coaches operate within the framework of the National Accreditation Scheme which is overseen by the Australian Sports Commission. Within the movement, there are established pathways for both officials and coaches. In the 2022/23 season, our members achieved impressive milestones, with 14 individuals attaining new senior official accreditations and 48 earning new coach awards.

Significantly contributing to the growth in coach awards were the 13 new surf boat sweep accreditations, which were a direct result of the sweep school conducted throughout the season. This initiative played a pivotal role in expanding the expertise of our members.

To further enhance the support provided to our officials, coaches, and athletes, the ongoing development of the Sports Hub has been a key focus. Accessible through the Members Area, this platform now offers a wealth of resources, including videos, articles, and workshops, covering a wide range of topics and disciplines. Its aim is to provide additional support and guidance to our dedicated officials, coaches, and athletes.

SunSmart WA Surf Life Saving Championships

WA Board Riding Championships

After a lengthy hiatus due to numerous factors, the 2022/23 season marked the return of the Board Riding Championships held at Trigg Beach in early June. Despite less-than-ideal conditions, the championships served as a valuable reintroduction to the competitive arena, especially given the scheduling of the 2023 Aussies scheduled to take place in WA.

WA Pool Rescue Championships

The Pool Rescue Championships delivered one and a half days of intense racing with some outstanding results from competitors spanning ages U10 to Masters (30+).

Sorrento SLSC athletes delivered exceptional performances across the weekend, successfully defending their crown against tough competition from Secret Harbour SLSC, who came in second, with Trigg Island third.

These championships held additional significance as they served as the selection event for the Western Suns Pool Rescue team.

WA IRB Racing Championships

Following two unsuccessful attempts to stage the event due to adverse weather conditions, the IRB Championships eventually took place at Sorrento Beach, with the conditions serving up some fast-paced action which ultimately propelled Mullaloo to their sixth consecutive championship title, setting a new record, ahead of Scarboro in second.

SunSmart WA Endurance Championships

The SunSmart WA Endurance Championships, featuring the ocean and beach events at Sorrento and Surf Boats at Mullaloo, tested the more than 450 competitors with challenging conditions served-up. Congratulations to North Cottesloe SLSC for taking out the Champion Club title.

SunSmart WA Country Championships

Held over the long weekend in March, Trigg Beach witnessed an impressive showdown as nearly 270 competitors representing 15 regional clubs battled it out in the WA Country Championships. Maintaining its remarkable streak, City of Bunbury secured its 29th consecutive Champion Club title, in addition to the Handicap Club banner, further solidifying its dominance in the competition.

SunSmart WA Little Nipper Championships

The 2023 SunSmart WA Little Nipper Championships took place at Mullaloo Beach, attracting more than 473 competitors from twenty clubs. These enthusiastic athletes showcased their skills in the core surf lifesaving events of beach flags, beach sprints, board races and surf races. While the competition amongst these budding athletes was intense, their camaraderie and sportsmanship were equally impressive as they wholeheartedly cheered on their fellow club members.

SunSmart WA Surf Life Saving Championships - **Nippers**

In a fresh approach, two days of surf events were delivered, with the beach events hosted on a separate day along with those for the Youth and Open categories, a strategy that delivered a notable 49% increase in entries across the events. Continuing their dominance, Sorrento claimed the Champion Nipper Club title for the third consecutive year, with North Cottesloe in second and Trigg Island in third. Notably, Quinns Mindarie made a significant leap in the rankings, climbing two places from the previous season and ultimately clinching the Nipper Handicap Club title.

SunSmart WA Surf Life Saving Championships - Masters

Trigg took on the responsibility of hosting both the beach and surf events of the master's championships. With anticipation building towards the Aussies in WA and the introduction of a separate beach and surf program, there was a notable 26% increase in participation across these two events. Trigg showcased their excellence by claiming the Championships banner, closely followed by Mullaloo in second and Sorrento third.

SunSmart WA Surf Life Saving Championships - Youth/Open

As with the Nipper Championships, this season introduced a separate day for the beach events in an effort to increase participation by minimising scheduling conflicts with water-based events, allowing regional competitors to participate on the same weekend as their Country Championships, and ensuring sufficient space for the sprint arena, which has been a challenge on many beaches.

The inclusion of dedicated Championship events such as Rescue, Lifesaving, Short Course Surf Boats, Beach, and Surf, along with the WA-hosted Aussies, played a significant role in achieving an overall increase of more than 50% in participation across all events.

Trigg emerged as the 2023 Champion Club, closely followed by North Cottesloe in second and Sorrento in third, in addition to the Handicap banner. North Cottesloe secured the Youth Champion Club banner.

The Aussies

Scarborough and Trigg were the proud hosts of the highly anticipated 2023 Australian Championships, "The Aussies". Despite the unusually calm surf, the added unpredictability and excitement of Scarborough's renowned shoreline dumper was a highlight, and the competition was intense across the nine days.

The number of WA entries was up a significant 23% compared to 2018, the last time the event was held in WA. With many competitors delivering outstanding performances, expectations are strong coming into the 2023/24 season.

2023 AUSSIES OPENS MEDAL TALLY:

2023 AUSSIES YOUTH MEDAL TALLY:

2023 AUSSIES MASTERS MEDAL TALLY:

Australian Life Saving Team

Trigg Island's Jake Smith and Harrison Hynes were selected for the Australian Life Saving Team, which competed at the Lifesaving World Championships in Riccione, Italy, in late September 2022. Exceptional performances by Jake and Harrison played a significant role in the Australian team's victory, with Jake claiming two individual world titles and, alongside Harrison, three team gold medals. Their outstanding achievements contributed to their well-deserved recognition.

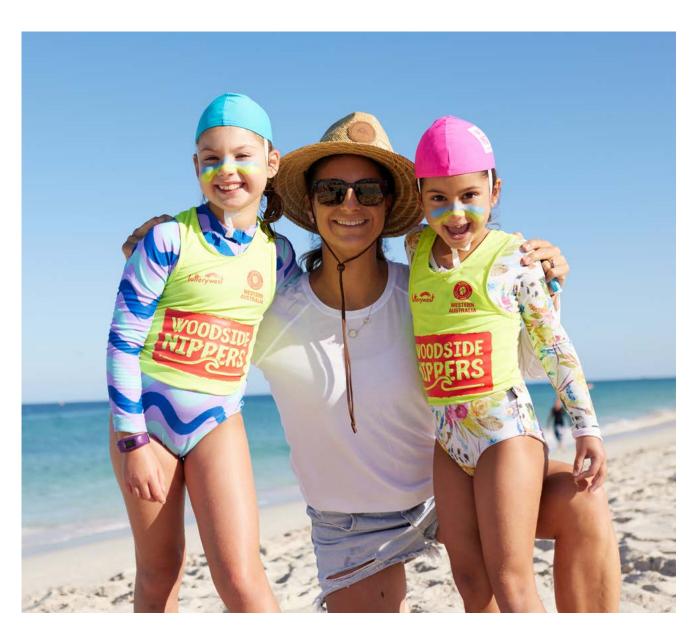

Special Thanks

The surf sports team extends its thanks to all the supporters on the club grounds, including officials, announcers, set-up and pack-down crews, water safety personnel, coaches, trainers, administrators, team managers, interest groups, and panels. Special appreciation goes to the host clubs themselves. The collective effort of these individuals and groups is instrumental in ensuring the smooth operation of these events.

Furthermore, we acknowledge the invaluable support of our long-term naming rights partner, Healthway, in promoting the SunSmart message. Their ongoing commitment has been crucial to the success of these events.

NIPPERS & YOUTH

Woodside Nippers

The 2022/23 season saw 8,245 enrolled Nippers across our 31 clubs. Significantly, the program grew regionally with increases in membership for Broome, Dampier, Esperance Goldfields, Margaret River and Smiths Beach Surf Life Saving Clubs. The Great Southern region (Esperance Goldfields, Denmark and Albany) had a 4.5% increase in membership.

Now in its fourth year, the Woodside Energy partnership continues to enable us to provide every enrolled Nipper with a free uniform pack comprised of a high-vis rash vest, skull cap, wide-brim sunhat and bag.

Youth Program

SLSWA's Youth Leaders' Program (YLP) provides a range of suggested activities across lifesaving, training, surf sports and leadership to provide structure for clubs to help engage their youth on a Sunday club morning. It is an opt-in program where participants progress through three reward levels, from Bronze to Gold.

In 2022/23, 131 youth members registered for the YLP, with 78 achieving Bronze level, 50 Silver and 28 Gold, for which they were recognised at the 2023 Nipper and Youth Awards.

YOUTH LEADERS PROGRAM GOLD RECIPIENTS

Congratulations to the following youth members who are recognised at the annual Nipper and Youth Awards Ceremony presented by the Scottish Masonic Charitable Foundation of WA;

Youth Pathways is a series of programs designed to introduce youth members to some of the pathways available as they progress through Surf Life Saving. Delivered both in-person and online, attendance across the season at both metropolitan and regional courses continues to be strong.

Highlights over the 2022/23 season include:

- Youth Age Manager 106 participants
- Youth Coach 84 participants
- Youth Official 57 participants

Youth Development Camps

In late December 2022, fifty-five U17 youth members travelled to Forest Edge Recreation Camp in Waroona for the Rise Up Camp. Participants spent the first day getting to know each other through various ice-breaker activities and upskilling their bronze to the First Aid pre-requisite for the Advanced Resuscitation Techniques Course.

The following days saw many challenging and hilarious moments as they participated in abseiling, kayaking, raft and billy cart building, and leadership and teamwork-focused competitions.

In early January 2023, our TOAD Camp for U14 & U15 members was held at the Ern Halliday Recreation Camp. Seventy-two members attended the four-day camp, with all participants gaining their Radio Operators Certificate. Participants enjoyed working together on various activities, including archery, the big-swing and crate climb and mountain biking. Thanks to Sorrento Surf Life Saving Club, who helped us by running an activities morning at Sorrento Beach.

Long-time supporters of Surf Life Saving WA, the Scottish Masonic Charitable Foundation of WA, continue to provide financial assistance, which helps us deliver these camps and provide our regional youth with generous travel subsidies to enable them to attend. It also allows us to deliver a range of exciting and challenging activities, ensuring our youth members have a great camp experience. We sincerely thank the Foundation for its continued support.

TRAINING & EDUCATION

Surf Life Saving WA is committed to educating the broader community on coastal safety through training, education and public awareness programs designed for children, parents, school groups, multicultural, and at risk groups. Delivered by our fully trained surf lifesavers who are familiar with the coastal environment and the unique challenges it presents, all revenue generated through these programs is invested back into the organisation to support our clubs and members across WA.

We also continue to educate and upskill our volunteer members to save lives and, as a Registered Training Organisation (RTO) deliver a range of industry leading, accredited and non-accredited first aid courses and lifesaving programs to both members and the WA community.

South West Development Centre

In 2021, we received a Lotterywest grant of up to \$867,182 towards the construction of the Surf Life Saving WA Development Centre in Margaret River, a key element of our strategic plan, volunteer development and engagement strategy.

Located on two acres in the heart of Margaret River, the Centre can accommodate up to 92 people across multiple residences. It will be available for SLSWA, affiliated clubs, and members to utilise a camp-style facility to run a variety of programs.

Over the 2022/23 season, we have been busy working through the final stages of development in time for the official opening of the Centre in August 2023.

We are extremely grateful for Lotterywest's support of this important project.

MEMBERS Member Awards

While the focus of member training and education in the 2022/23 season remained on delivering the lifesaving awards of Community Surf Rescue Certificate and Bronze Medallion, several other programs were provided to upskill members in key resuscitation, rescue, and leadership capabilities.

With an update to the Advanced Resuscitation award coming into effect prior to the commencement of the 2022/23 season, SLSWA trainers, assessors and facilitators (TAFs) have been working with members to achieve the updated version of the award, which now also includes the prerequisite of first aid. This updated version allows members to continue to use vital oxygen equipment in rescue situations.

Thanks to the federal government's Black Spot Reduction Program, additional training and professional development opportunities were made available to Jet Ski drivers. These included inter-agency training and familiarisation sessions with other marine response agencies to increase awareness, prevention, and mitigation of coastal fatalities in regional areas. This program will be available again next season.

The 2022/23 season also included the introduction of the new Silver Medallion Patrol Captain award, replacing the Silver Medallion Beach Management award. Initial induction sessions were delivered for TAFs to deliver the new course content to enable rollout to Patrol Captains across WA Clubs.

SLSWA continued to offer free nationally accredited First Aid training to members over the 22/23 season with support from the Federal Government's VET Funding. During the season, 528 members gained the HLTAID011 Provide First Aid and HLTAID015 Provide Advanced Resuscitation and Oxygen Therapy awards. This program has also assisted in SLSWA maintaining Registered Training Organisation (RTO) compliance for the delivery of nationally accredited VET training to members as well as Professional Development opportunities to SLSWA member trainers.

MEMBER AWARDS 2022/23	
AWARDS ALLOCATED FROM MAY 2022 - APRIL 2023	TOTALS FOR THE YEAR 2022/23

Rookie Lifeguard Program

The 2022/23 season saw the third instalment of the weeklong school holiday Rookie Lifeguard Program. Thirty members aged between 16 and 17 honed their lifesaving skills through various challenges and development sessions that tested their fitness and exposed them to advanced lifesaving activities such as rock rescue training.

They also gained insights into key Lifesaving Department operations, including jet ski and helicopter services and learnt about pathways to employment as a lifeguard and other support operations programs such as SurfCom.

Every individual in the program went from strength to strength, demonstrating determination and development of leadership and teamwork skills each day.

On completion of the first week, ten participants were selected to participate in a Lifeguard Immersion Week alongside SLSWA's contracted Lifeguard Services, where they spent the week being mentored on the job across a range of beaches where SLSWA services are implemented.

SLSA National Leadership College

The National Leadership College is an annual leadership and development program delivered by Surf Life Saving Australia to recognise young leaders in Surf Life Saving aged between 20 and 30 years.

Held from 29 January – 4 February 2023 in Sydney, Elise Stallard (Coogee Beach SLSC), Izak Geddes (Secret Harbour SLSC) and Maddison Walker (Yanchep SLSC) were endorsed by Surf Life Saving WA to attend and represent WA. They were joined by nineteen other participants from across Australia.

COMMUNITY First Aid Training

14,392

FIRST AID & COMMUNITY TRAINING PARTICIPANTS

During the 2022/23 season, SLSWA delivered First Aid and Lifesaving training for corporate and community groups throughout Western Australia. As a Registered Training Organisation (RTO 51104) SLSWA has a range of First Aid Units of Competency on scope for delivery to members and the general public.

The most popular courses delivered are HLTAID011 Provide First Aid, and HLTAID009 Provide CPR, which provide Vocational Education and Training (VET) accredited qualifications to students.

In addition to this, SLSWA also offers the non-VET accredited Community Surf Rescue Certificate, which is recognised as the key water safety award for instructors or teachers taking student groups into an open water environment.

Life Skills For Life

The Life Skills For Life (LSFL) program continues to be a popular introduction to basic first aid and lifesaving skills for students of all ages. Delivered by lifesaving instructors in a classroom setting, LSFL offers a fun environment for students to learn essential skills that could one day help to save a life.

During the 2022/23 season, sessions were conducted for students from a range of organisations, including schools, OSH Care and community groups. LSFL sessions are customised and contextualised to suit the age and particular requirements of the students in each group.

Surf Life Saving Cadets

Surf Life Saving Cadets is an in-school program delivering lifesaving and First Aid skills to students aged 13 to 17 years. It gives students the ability to learn how to become a lifesaver by participating in a range of activities and courses, including Community Surf Rescue Certificate, Provide Frist Aid and, for some participants, the Bronze Medallion. SLSWA engages with six government and private schools conducting the Surf Life Saving Cadets program.

SurfBabies & SurfKids

In the 2022/23 season, over one thousand children participated in our SurfBabies and SurfKids programs at various beach locations. Held over two series starting in October and February, this fun six-week course delivers an introduction to open water environments, beach safety and surf awareness for children aged 2-7

BeachSAFE Communities

Entering its ninth year and securing another extension of three years, our partnership with Lendlease and Development WA continues to provide the residents of Lendlease's Alkimos Beach and Alkimos Vista Estates with access to a range of beach safety and first aid programs throughout the year.

Our programs run from the beach, local schools, and the Alkimos Surf Life Saving Club.

The scorecard below outlines the significant engagement seen over the 2022/23 season.

We thank Lendlease and Development WA for there ongoing support and opportunity to extend the partnership in making Alkimos Beach and Alkimos Vista a BeachSAFE community.

BeachSAFE Program Scorecard

SEASON 2022/23 (JULY 2022 TO JUNE 2023)

1,500 homes currently occupied in Alkimos Beach & Alkimos Vista

3,009 people were engaged in a BeachSAFE program at Alkimos Beach & Alkimos Vista this year

COMMUNITY PROGRAMS

Sprout Hub, Pop Up Library and Alkimos Beach

146 Senior Members / 13 +

COASTAL DROWNING RESEARCH

Drowning Overview

OVERALL

- 21 coastal and ocean drownings deaths
- 24% increase on the previous year

DEMOGRAPHICS

- 90% were male
- 58% were in the 55+ year old age group

TIME

- 86% occurred between 6am and 6pm
- 48% occurred on the weekend
- 43% occurred in autumn
- 33% occurred in the summer

ACTIVITY

- 19% related to swimming/wading
- 19% related to snorkeling
- 19% related to boating

LOCATION (REGIONS)

- 43% occurred in remote areas
- 33% occurred in regional areas
- 24% occurred in the Perth Metropolitan area

The table below summarises the past three seasons of coastal and ocean drowning deaths in WA.

1 JULY – 30 JUNE	COASTAL DROWNING DEATHS	OCEAN DROWNING DEATHS	TOTAL
2022-23	20	1	21
2021-22	16	1	17
2020-21	18	3	21

These deaths are classified as either coastal or ocean based on the distance from the shoreline, and figures are correct as of 1 July 2023. However, pending ongoing coronial investigations, this data may be amended. Figures may also differ from previous annual reports due to pending coronial investigations and differing reporting periods.

Coastal drowning death: where the location of the drowning is on the coast, in the ocean up to 3NM offshore or inland up to five times the width of the inlet/river.

Ocean drowning death: where the location of the drowning is in the ocean between 3NM and 12NM (the Australian territorial water limit)

SLSWA collects and analyses coastal drowning data to identify trends and support evidence-based decision-making for drowning prevention efforts. Data is collected through media monitors and confirmed through the National Coronial Information System (NCIS).

The figure of 21 is higher than the previous year, we will continue to work towards a goal of zero preventable drowning deaths off our coast.

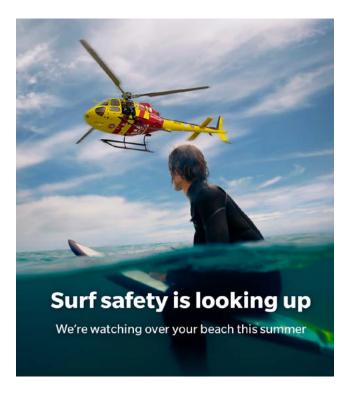

However, we must recognise that the figure would be significantly higher were it not for the rescues performed by our lifesaving services in 2022/23.

According to the 2018 Cost Benefit Analysis of Surf Life Saving WA, 5% of Total Rescues* would have resulted in a fatality. This means that, without the 923 Total Rescues performed in WA across the 2022/23 season, the number of coastal and ocean drowning deaths would have potentially risen by a further 47 fatalities.

^{*}Total rescues = Rescues + (Preventative Actions x 1%)

[^]Remote location: coastal areas including the North coast: Pilbara to Kimberley, the Gascoyne coast and Goldfields-Esperance coastline.

MARKETING & EVENTS

Marketing

The iconic Surf Life Saving brand is highly recognisable and regarded, carrying over 100 years of history and tradition, and leads all of our marketing activities.

Our mission of saving lives and building great communities underpins the messaging in all of our marketing as we seek to promote beach-safe behaviours to the beach-going public and the sense of community and volunteerism that comes from being a member of one of our 31 WA clubs.

In 2022/23, we delivered the third year of our summer safety campaign featuring our Westpac Life Saver Rescue Helicopter Service. Raising awareness of its vital role in protecting WA beachgoers, we utilised traditional and digital mediums with a range of below-the-line resources to help educate the beach-going public and drive visitation to our website.

Our Woodside Nippers membership campaign, delivered across digital, print, out-of-home, radio and TV, continues to help raise the profile of the program and drive growth at our clubs.

Digital & Social Media

We continue to experience positive organic growth across our social media channels, and they remain a vital channel for communicating with our members and the public. Overwhelmingly, content featuring our members and their achievements across the breadth of activities receives the highest levels of engagement.

For many years, we have utilised Facebook to live-stream key surf sports events, including our SunSmart WA Surf League and finals action from our SunSmart WA Surf Life Saving Championships, generating high traffic and views.

Our Twitter account remains an important element of the State Governments Shark Mitigation Strategy as a key channel for communicating up-to-date shark activity.

Our digital strategy sees us continue to invest in our website to enhance the user experience. Over the past season, the integration of an online event calendar has proved to be a fantastic resource for members and clubs.

We communicate year-round with our clubs, members and stakeholders via eNewsletters, including our weekly administrative Club News.

8.2% FOLLOWING INCREASE

4.9%
FOLLOWING
INCREASE

22.8% FOLLOWING INCREASE

Media & Public Relations

We continue to take a proactive approach to generating media content, disseminating stories and information to local and state media concerning coastal safety and highlighting the achievements of our organisation, clubs and members across the four pillars.

A highlight over the past season was the exceptional coverage our Coastal Bravery Awards received, generating numerous stories across print and broadcast media throughout the state.

Life & Sporting Hall of Fame Member Dinner

With the late cancellation of the 2022 event due to COVID, it was wonderful to once again host our Life and WA Sporting Hall of Fame Member Dinner at Scarboro Surf Life Saving Club over the weekend of the SunSmart WA Surf Life Saving Championships.

This event continues to provide a fantastic opportunity for the stalwarts of Surf Life Saving in WA to catch up, reminisce and hear about the activities and achievements of the organisation over the past year.

It was wonderful to have 2021 and 2022 Sporting Hall of Fame inductees Brendon Sarson and Simon Huitenga in attendance, along with 2022 Life Members inductees Mark Hills and Chris Brien.

2022 SLSA Awards of Excellence

On Saturday, 5th November, members from across the country came together on the Gold Coast to celebrate the achievements of members & clubs from all around Australia and to recognise their dedication and commitment to their communities.

A huge congratulations to all the WA representatives that attended and to Quinns Mindarie member Richard Lissett who was named 2022 DHL Volunteer of the Year for his outstanding contributions to the movement.

- PRESENTED BY SURF LIFE SAVING WA -

The Coastal Bravery Awards presented by Surf Life Saving WA recognise and celebrate those who display selflessness and bravery whilst endeavouring to save the life of another on the West Australian coast.

Awards nominations come from community members, emergency service agencies and SLSWA's own lifesavers, and an appointed committee with expertise in coastal safety and rescue and coastal conditions assess each nomination against rigorous criteria.

Over 300 guests joined Master of Ceremonies Monika Kos for the 2023 Coastal Bravery Awards ceremony on Friday, 26th May, as thirty-one individuals were recognised for their acts of bravery performed on the WA coast. Recipients included everyday citizens, members of the WA Police, and several SLSWA members.

We were delighted to have Mr Stuart Aubrey MLA, Member for Scarborough and Scarboro Surf Life Saving Club member, Joanne Lucas SC, Surf Life Saving Coastal Safety Ambassador, and Surf Life Saving WA Director, Ms Heidi Gan OLY, assist in presenting the recipients with their awards.

NIPPER & YOUTH AWARDS

2022 **WINNERS**

Nipper of the Year

Tahlia Croome - Sorrento SLSC

Youth of the Year

Angus Bowles - Albany SLSC

Youth Official of the Year

Adam Fortey - Cottesloe SLSC

U15 Lifesaver of the Year

Elise Fry - City of Bunbury SLSC

Surf Sports Champion: Nipper

Madelyn Bertolini- Sorrento SLSC

U14/U15 Athlete of the Year

Zahra Buckley - Sorrento SLSC

With the impact of COVID-19, the 2022 Nippers & Youth Awards presented by the Scottish Masonic Charitable Foundation of WA was postponed to Saturday 8th October 2022.

Close to 300 quests came together to recognise and celebrate the achievements across various areas, including lifesaving, surf sports competition and volunteering in the 2021/22 season.

Categories awarded included the U15 Lifesaver of the Year, Surf Sports Nipper Champion, U14/U15 Athlete, Youth Official, Nipper and Youth of the Year.

Thirty-four outstanding individuals were also recognised for their attainment of Gold Level in our Youth Leaders Program, which required them to have accumulated more than 230 volunteer hours while a youth member, requiring significant commitment and dedication across multiple seasons.

2023 WINNERS

Nipper of the Year

Billy Hawkes - Trigg Island SLSC

Youth of the Year

Jazmin Kalmar - Secret Harbour SLSC

Youth Official of the Year

Lily Tolev - Scarboro SLSC

U14/U15 Lifesaver of the Year

Cael McLure - Scarboro SLSC

Surf Sports Champion: U14/U15

Edward Davis - North Cottesloe SLSC

U14/U15 Athlete of the Year

Edward Davis - North Cottesloe SLSC

The 2023 Nipper & Youth Awards were held on Saturday, 29th April and were our biggest yet, with nearly 350 member recipients and their families in attendance. Twenty-eight outstanding individuals from a range of clubs were recognised for their attainment of Gold Level in Surf Life Saving WA's Youth Leaders Program.

Congratulations to all recipients, finalists, and winners, who are great young ambassadors for their clubs, demonstrating that the future is bright for Surf Life Saving in WA.

A special thank you goes out to our presenting partner, the Scottish Masonic Charitable Foundation of WA, whose support of SLSWA's youth members is invaluable.

Surf Life Saving Western Australia

2023 WINNERS

Joined by SLSWA Chief Patron, His Excellency, the Honourable Chris Dawson AC APM, Governor of Western Australia, more than 460 attendees representing WA's 31 Surf Life Saving Clubs, corporate and government partners packed out Crown's Grand Ballroom for the 2023 SLSWA Awards of Excellence, celebrating the achievements and hard work of our members across the year.

Swanbourne Nedlands Surf Life Saving Club had a year of success across all areas, resulting in the club claiming the Lavan Club of the Year title and taking away a cheque for \$10,000.

Long-serving Sorrento Surf Life Saving Club member Laurie Mott was named Surf Lifesaver of the Year in recognition of his leadership and dedication to his front-line work, while Floreat's John King was awarded Volunteer of the Year for his contributions across a range of areas at a club, state and national level.

Secret Harbour Surf Life Saving Club's Mitchell Shackles was named Young Surf Lifesaver of the Year following a fantastic season.

Sorrento members' achievements were recognised in the surf sports arena, with Michael Booth named Coach of the Year, and Roger Nowell, Official of the Year.

North Cottesloe also had a successful year taking home three awards, including the Community Education Program of the Year for their Sea Lions Program, which works with teens with disabilities to help them develop valuable water safety skills, build confidence, and become part of a supportive and connected community.

Congratulations to all the finalists and medallists on the evening, and thank you to the dedicated committees and judges who worked hard behind the scenes to consider and assess each submission.

Young Volunteer of the Year

Angus Bowles - Albany SLSC

FUNDRAISING

We express our gratitude to the Western Australian philanthropic community for their unwavering support. This year, our donors contributed to training, resources, and equipment for WA's volunteer surf lifesavers by participating in and donating to the following fundraising programs.

Winter Appeal

The 2022 Winter Appeal focussed on our volunteer surf lifesavers' work in delivering the annual abalone fishing patrols. Abalone fishing is a popular but highly hazardous recreational activity, and our surf lifesavers play a vital role in keeping participants safe.

Every year, thousands of enthusiastic abalone fishers set out to pursue their catch along our onshore reef. Unfortunately, many abalone fishers lack the knowledge, skills, suitable equipment and attire to participate safely, and a significant portion admit to being inexperienced swimmers.

For one participant, Paul, unaware of the danger that awaited him, his first abalone fishing experience almost turned deadly. Standing at the edge of the reef, a powerful wave knocked Paul off balance, forcing him into deep water. In the chaos, he lost one of his fins and struggled to orient himself due to the blinding sun. As panic set in, his other fin slipped off, intensifying his distress. Recognising Paul's predicament, his partner urgently called for assistance. Volunteer surf lifesaver Declan arrived swiftly in an Inflatable Rescue Boat, rescuing Paul and guiding him to safety. Were Declan and our other lifesavers not on duty, this fishing experience could have ended very differently for Paul.

Beach Champions

While the focus of member training and education in the Our Beach Champions are a group of WA givers who

contribute monthly to our cause, playing a vital and ongoing role in preserving lives on WA's beaches. Their ongoing commitment allows us to plan ahead to ensure the safety of beachgoers.

Many of our Beach Champions have been part of the Surf Life Saving extended family for many years. They ask for nothing in return and might not even be regular beachgoers. Some may owe their life to surf lifesaving. All provide an invaluable contribution; we cannot thank them enough for their ongoing support.

Summer Appeal

The 2022 Summer Appeal showcased the future of surf lifesaving through the inspiring story of sisters Jade and Beth. In an incredible feat, these two young surf lifesavers rescued two men, surpassing their age and size, who were caught in a rip. Astonishingly, they accomplished this rescue utilising only their competition boards.

The two men had ventured into the waters of Mullaloo Beach when they were suddenly caught in a powerful rip. Their desperate cries for help reached the ears of a young boy who promptly alerted his mother, while another concerned individual rushed to Mullaloo Surf Life Saving Club seeking assistance. At the Club, they encountered Jade and Beth preparing for an afternoon training session. The girls reacted immediately, grabbing their competition boards and swiftly paddling out to rescue the exhausted men.

The successful rescue carried out by Jade and Beth that day would not have been possible without the skills and confidence developed through years of training and experience in the surf.

BeachSAFE Street Appeal

On the 2nd of December 2022, volunteers from many of WA's Surf Life Saving clubs took to the streets across Western Australia to collect funds during the annual SLSWA BeachSAFE Street Appeal.

This appeal not only provides an avenue for surf life saving clubs to raise funds to support their club initiatives, but also to connect with their respective local communities and raise awareness of the critical community service that they provide.

Wave of the Future

We express our deepest gratitude to the individuals who have pledged a gift in their Will through our 'Wave of the Future' program. Their enduring legacy will contribute to saving lives and preserving the cherished West Australian beach lifestyle for future generations.

Boardies Challenge

Our Beach Champions are a group of WA givers who contribute monthly to our cause, playing a vital and ongoing role in preserving

lives on WA's beaches. Their ongoing commitment allows us to plan ahead to ensure the safety of beachgoers.

Many of our Beach Champions have been part of the Surf Life Saving extended family for many years, they might not even be regular beachgoers, yet they ask for nothing in return. Some owe their life to surf lifesaving. All provide an invaluable contribution; we cannot thank them enough for their ongoing support.

Giving Day

Our annual Giving Day is an opportunity for the West Australian community to come together for 24 hours and raise as much money as possible to support our volunteer surf lifesavers' training and equipment requirements. Thanks to the tremendous generosity of our Giving Day partners, every donation made during our annual 'Be a Lifesaver for a Day' campaign was matched.

We sincerely thank the West Australian community and our generous partners for their support.

PARTNERSHIPS

The dedication of SLSWA members is matched only by that of our extraordinary partners, whose collective commitment and passion for Surf Life Saving in WA enables us to focus on what we do best - saving lives. We thank them for their continued and valued support.

MAJOR NATIONAL PARTNERS

Ampol

The partnership with Ampol sees two iconic Australian brands join forces to help deliver safer beaches and save lives. It underpins Ampol's commitment to being a positive contributor in the communities where it operates and using its scale, network, and employee base to improve the lives of all Australians.

A number of Ampol employees are long-term surf life saving volunteers at their local clubs, and the company will also be activating the partnership through its retail network and broader infrastructure assets to promote surf safety messages and to support Surf Life Saving Australia's important work.

DHL

As a Major National Partner of Surf Life Saving Australia, DHL has been helping surf lifesavers deliver safer beaches since 2003. DHL is the global market leader in the logistics and transportation industry and shares many core values with Surf Life Saving Australia, including speed, passion and a can-do attitude.

Isuzu Ute Australia

Isuzu UTE Australia, home to the award-winning Isuzu D-MAX Ute and 7-seat MU-X SUV, is taking their safety-centric approach to a whole new level, as a Major National Partner and the Official Automotive Supplier of Surf Life Saving Australia.

At the heart of every Isuzu vehicle lies over 100 years of automotive experience and the tried and tested tough truck DNA—making them the pragmatic choice for SLSA with its proven reputation for durability and reliability. Providing our lifesavers across the country with a fleet of D-MAX and MU-X's, Isuzu UTE Australia is proud to support Surf Life Saving's mission and commitment to keeping our beaches safe.

Westpac

Westpac has been proudly partnering with Surf Life Saving Australia (SLSA) for nearly five decades since the inception of the Westpac Lifesaver Rescue Helicopter Service (WLRHS) in 1973. It is one of the longest corporate community partnerships in Australia.

Over 300 rescue professionals and volunteers make up the national operation, which includes WA's two helicopters, operating out of North Fremantle and Busselton. During summer, the Service covers over 84% of the Australian population and to date, the WLRHS has performed more than 80,000 missions across Australia, with no one ever having to pay to be rescued.

STATE PARTNERS

MAJOR PARTNERS

Healthway

Healthway is a long-standing supporter of SLSWA, promoting the SunSmart message through sponsorship of our year-round calendar of surf sports events, including the SunSmart WA Surf Life Saving Championships and the SunSmart WA Surf League. The SunSmart message is important for our surf lifesavers and membership, and we are grateful for their continued support.

Woodside Energy

Woodside Energy continues to be a strong supporter of our organisation, providing essential safety equipment for our lifesavers and supporting the development and enhancement of our beach camera network. In 2019, this support extended to include the Woodside Nippers program, helping train our lifesavers of the future.

GOVERNMENT OF WESTERN AUSTRALIA

SLSWA receives significant support from the WA Government by way of service agreements and grants through the Departments of Premier and Cabinet; Local Government, Sport and Cultural Industries; Primary Industries and Regional Development; and Fire and Emergency Services, which assists in the delivery of a range of services and capital equipment projects.

Lotterywest also provides invaluable support to SLSWA and many of WA's surf life saving clubs, assisting with grants for vital infrastructure and equipment needs.

COMMUNITY PARTNERS

Lendlease

Thanks to the highly successful and innovative partnership with Lendlease and Development WA at Alkimos Beach and Alkimos Vista, every resident of these estates is provided free access to our beach safety education and awareness programs run from the local schools, community centres and the Alkimos Surf Life Saving Club.

Scottish Masonic Charitable Foundation of WA

The Scottish Masonic Charitable Foundation has long supported our youth members through their generous support of our highly popular Rise Up and T.O.A.D summer camps and Youth Program and as presenting partners of our annual Nipper & Youth Awards.

SUPPORTING PARTNERS

Engine

SLSWA is proud to have Engine as the official apparel partner of our Western Suns state representative teams and our preferred supplier of swimwear and apparel.

Lavan

Thanks to Lavan, who continues to generously support our annual SLSWA Awards of Excellence through their sponsorship of the Lavan Club of the Year category.

SECTION 02

RECORDS & RESULTS

BOARD OF DIRECTORS

Craig Smith-Gander AM - President

Elected as President of SLSWA in August 2014. Craig is a former president of North Cottesloe SLSC and a life member of the club. He is a past Chair of Surf Sports for SLSWA and past member of the Australian Surf Sports Advisory Board. He is a Director of Surf Life Saving Australia.

Craig has chaired other not for profit organisations including Westcycle and the Western Roads Federation and is an experienced public company Director and business owner. Craig has had a lifetime involvement in sport, including hockey and surf boats at elite level, and competed in Australia and overseas in cycle road racing. He played plenty of rugby union in the Army and has tried his hand at pretty much every sport available. Craig continues to cycle and competes as a sweep in surf boat competitions.

Garry Williams CSM

Appointed to the SLSWA Board in April 2013. Garry and his family (Megan, Andrew and Jessica) are all active members of Secret Harbour SLSC, having joined the club in 2005, with Garry and Megan being life members of the club. Garry is the clubs RWC Officer and Youth Involvement Program Coordinator. He is a trainer, assessor, competitor and official with a passion for the ongoing development of our youth as not only lifesavers but as future leaders in our community. He was awarded SLS's National Volunteer of the Year in 2009 and Trainer of the Year in 2021.

Garry is an Aeronautical Engineer, a serving member of the Royal Australian Navy and has significant Heavy Lift Helicopter Aviation Engineering Experience both in embarked Navy Frigates and ashore in Naval Aircraft Squadrons. He is a recipient of the Defence Conspicuous Service Medal for meritorious achievement and devotion to duty. Garry has extensive leadership and project management experience gained through his work in Defence and is currently the Navy Project Manager for the integration of the Navies Sea Hawk (MH60 Romeo) Helicopters into the Navies ANZAC Class Frigate.

Sarah Leonard

Appointed to the SLSWA Board in October 2014. Sarah is the General Counsel and Company Secretary of Lynas Rare Earths Limited. She is an experienced general counsel and a leading resources and infrastructure lawyer. She was previously the Group Legal Counsel at Monadelphous Group Limited and a Partner of Corrs Chambers Westgarth.

Sarah is experienced in governance, contract negotiation and risk management. Sarah was formerly the Education Officer at City of Perth SLSC and was a participant in the SLSA National Leadership Development Program.

Chris Brien ESM

Appointed to the SLSWA Board in August 2014. Chris has been an active patrolling surf lifesaver since 1991, upon gaining his bronze medallion at Scarboro SLSC. After moving to Esperance in 1994 he became a member of Esperance Goldfields SLSC. As well as rowing and sweeping surf boats, Chris is also a trainer, assessor and officiates at carnivals. Chris has held a wide range of positions at Esperance Goldfields including nine years as President and is a Life Member of the club. In his early years as a club president Chris sat on the state council until the governance change in 2005. He then attended president forums until he resigned as president in 2012. Chris has been key in establishing the Jet Ski Team in Esperance and is the Coordinator and Duty Officer for the South East region.

In 2010 Chris was awarded a citation of appreciation from the Western Australian Police for his leadership during the Bremer Bay search. In 2011 he was honoured with the inaugural SLSWA Support Operations Volunteer of the Year award. Chris has owned and run several businesses since leaving the Army in 1984. For the past twenty two years has been operating a successful concrete and roof truss business in Esperance.

Heidi Gan

Appointed to the SLSWA Board in September 2017. Heidi is a two-time Olympian in the sport of open water swimming, has competed at the world championships in both surf lifesaving and swimming, and is a multiple medallist at both the State and National Surf Lifesaving Championships. She has been an active patrolling surf lifesaver since 2005 and has most recently been a member of the City of Perth SLSC.

Heidi is currently Senior Legal Counsel and Assistant Company Secretary at Lynas Rare Earths Limited. She was previously an Associate in the Litigation & Dispute Resolution practice of Clifford Chance, a leading international law firm.

Heidi has extensive experience in the not- for-profit sector and is a passionate advocate for community clubs and grassroots sports. Heidi is currently a tribunal panel member of Football West and a Community Representative Member of the Australian Bravery Decorations Council.

Heidi was named the 2020 Women Lawyers of Western Australia Junior Lawyer of the Year, 2020 Law Society of Western Australia Lawyer of the Year (< 5 years PQE) and 2021 Asian Australian Lawyers Association Diversity Leader of the Year.

Leesa Equid

Appointed to the SLSWA Board in June 2019. Leesa is SLSWA's Honorary Medical Officer and 2015 SLSWA DHL Lifesaver of the Year. As an active member of Swanbourne Nedlands SLSC since 2009, Leesa has held Higher Education, and First Aid Officer positions at her club, and was a member of the SLSWA Lifesaving Advisory Committee from 2015-2016.

In addition to her lifesaving duties, Leesa has also been a fierce surf sports competitor, achieving 9 gold, 2 silver and 2 bronze medals at WA Championships and bronze at a National Level.

Leesa is an Emergency Doctor working for the Royal Flying Doctor Service and Joondalup Hospital Emergency Department as an Emergency Specialist. Leesa has completed her Bachelor's Degree in Medicine and Surgery (HONS) in 2012 at the University of Western Australia and has since gained her Certificate IV in Training and Assessment; her Certificate of Clinician Performed Ultrasound (CCPU) AAA and eFAST (Australasian Society of Ultrasound in Medicine) and most recently completed her Fellowship in Emergency Medicine in mid-2020 (FACEM - Australasian College of Emergency Medicine).

Michael Shaw

Appointed to the SLSWA Board in September 2022. Mike is 2022 SLSWA Assessor of the Year, 2019 SLSWA Volunteer of the Year and 2019 Trainer of the Year. Mike has been the Chair of the SLSWA Education Advisory Committee since 2016. An active patrolling surf lifesaver since 2011, after gaining his bronze medallion at Fremantle SLSC. Mike was President of Fremantle SLSC from 2013 to 2017 and has been the Club's Education Manager since 2019. He is an active trainer of Bronze Medallion, Advance Resuscitation and First Aid and, conducts commercial training in Surf Rescue Certificate and First Aid for a number of schools.

Mike gained his Bachelor of Chemical Engineering (Honours) in 1980 from Sydney University and was employed in the oil and gas industry, working in Australia and overseas for 27 years for majors Exxon and Woodside, before becoming an industry consultant in petroleum engineering for the next 10 years. Mike retired from paid work in 2017 to focus his efforts on member training in surf lifesaving. He gained his Certificate IV in Training and Assessment in 2016.

Jarod Stone - Term Expired September 2022

Appointed to the SLSWA Board in May 2012 to September 2022. Jarod is a Chartered Accountant who has worked in the accounting and finance industry for more than two decades. Jarod has previously worked with Ernst & Young, Gooding Partners Chartered Accountants and spent time working in the UK and Europe. Since returning to Perth in 2004 he worked in private

family offices for nine years and was most recently Financial Controller at Wabtec Control Systems. Over that time, he has gained experience across industries such as television and film production, aviation, domestic and international property, commercial aquaculture, construction, corporate healthcare, finance, rail communications and labour hire. Jarod is currently the Chief Operating Officer at Hoppr Ltd, a startup specialising in ad placement technology, a Director and Shareholder of Clear Corporate Solutions, an outsourcing company focused on finance and administrative placements, and is a Director of the Azure Capital Foundation.

CORPORATE GOVERNANCE

Surf Life Saving Western Australia Inc. (SLSWA) is an incorporated body under the Associations Incorporation Act 2015 (WA) and is recognised as the official 'State Centre' and controlling authority for Surf Life Saving in Western Australia. SLSWA is subject to compliance with the Rules and Regulations of Surf Life Saving Australia Ltd (SLSA) and is recognised for administering and focusing on surf lifesaving in Western Australia (WA). This statement summarises SLSWA's governance practices that were in effect during the year, highlighting decisions and reporting in accordance within the Rules and Regulations of SLSWA.

Communications with Members

The SLSWA Board aims to ensure that members are kept informed of all major developments affecting surf lifesaving. Information is communicated to members through this document (SLSWA's Annual Report), bulletins, circulars, minutes and memorandums with respect to changes in business, financial position, future development, results and activities, and quarterly State Council meetings and member advisory board meetings. Electronic information is also available on the SLSWA website: www.mybeach.com.au

General Meetings of Members (State Council)

The State Council is the legal owner of SLSWA. Its role is to amend the SLSWA Constitution, review and elect the Board, review SLSWA's financial position and approve the strategic outcomes presented by the Board.

The State Council comprises the Chairman (President of the Board), Mr Craig Smith-Gander AM and a Club Delegate from each of the affiliated clubs in WA each with the right to vote at general meetings. The Chairman may exercise a casting vote but no deliberative vote. SLSWA Life Members, Board Members, and the Chief Executive Officer have the right to be present and to debate at general meetings, but not to vote. SLSWA full-time and honorary officers and individual members were allowed to attend general meetings as visitors. In addition to the AGM on 3 September 2022, the Board under Part 21, Para 21.1 of the SLSWA Constitution, convened two State Council meetings held on 25 June 2022 and 3 September 2022.

Board of Director's Composition and Meetings

The Board is responsible to members for overall business performance. It enacts SLSWA's strategic direction and priorities to be both appropriate and achievable; ensures the financial viability and security of SLSWA; established the policy and regulatory framework for governing SLSWA; monitors organisational compliance with relevant legislation and regulations; assesses risks facing the organisation; and appoints committees and honorary officers to carry out aspects of their work.

The Board comprised the Chairman and seven Board Members who are individual members of SLSWA, each with the right to one vote on any question. The Chairman has a casting vote but no deliberative vote. These are honorary positions that attract no remuneration except for reimbursement of expenses such as telephone, travel and accommodation costs incurred whilst performing Board activities. Board Members are elected in accordance with Part 25, Para 25(a) of the SLSWA Constitution.

Sarah Leonard	7	5	2025
Michael Shaw	7	5	2025
James O'Toole	7	7	Appointed February 2015
Jarod Stone	7	2	Term Expired 3 September 2022

Conflict of Interest

Each Board Member declared their interest in any contractual, selection, disciplinary or other matter in which a conflict of interest arose and made absent him/her from discussions of such matters and was not entitled to vote in respect of such matter. In the event of any uncertainty as to whether it was necessary for a Board Member to refrain from discussions or voting, the issue was immediately determined by the Board.

Code of Conduct

The Board has in place a Code of Conduct contained in its Personnel Handbook which all full-time and honorary officers and committee members must adhere to. An induction program, including the provision of the handbook and member brochure was made available to all SLSWA personnel.

Chief Executive Officer

SLSWA's most senior employee, the Chief Executive Officer is appointed by the Board and is subject to annual performance reviews by the Board. The role is responsible for the day-to-day operations of SLSWA. Mr. James O'Toole was appointed to this position, officially commencing on 18 February 2015.

Committees of the Board

Committees and member advisory boards are constituted by Part 33 of the SLSWA Constitution to assist the Board in the discharge of its responsibilities. The committees and member advisory boards are for held for one-year term, this term being 2022/2023. The Australian Honours and Awards Committee is held for two-year term, this being 2020/2021, 2021/2022. Due to the impact of COVID-19, the current Honours and Awards Committee appointment was extended by the SLSWA Board for a further year to cover the 2022/2023 season.

Australian Honours and Awards Committee

The Life Members and Awards Committee recommends to the Board nominations of individual members for SLSWA Life Membership, SLSA Life Membership, appropriate levels of Australian Honours and Awards. The committee comprised Timothy Tucak (Chair), Garry Williams, Stephen Carrick, Tracey Tenaglia and David Somers (Nominee of the SLSWA CEO).

Lifesaving Committee

The Lifesaving Committee develops, monitors and reviews standards, policy and procedures relating to water safety, patrols, training and assessment. The committee comprised Liam Burke (Chair), Elise Stallard, Brett Wakefield and Domenic Cowdell (Nominee of the SLSWA CEO).

Sports Committee

The Surf Sports Advisory Committee selects finalists and winners for Awards of Excellence categories and makes recommendations through the CEO to the Board of Directors regarding the direction of surf sports in WA. The committee

comprised Timothy Tucak (Chair), Sonja Belle-Wood, Brett Slocombe, Adrian Kirkpatrick and Sandy Clarke (Nominee of the SLSWA CEO).

Development Committee

The Development Advisory Committee recommends initiatives to provide leadership opportunities and pathways to all members and clubs in WA and is involved in establishing good practice models for the development of our junior members. The committee comprised Angela Razvi (Chair), Jessica Simpson, Shelly Rourke, Tanya Honor and David Somers (Nominee of the SLSWA CEO).

Education and Training Committee

The Education and Training Advisory Committee has been tasked to review education and training programs, policies and activities together with undertaking research and development as required. The committee is to participate in moderation and validation of resources and engage in the delivery of the strategic direction of Member Education of SLSWA. The committee comprised Michael Shaw (Chair), Graham Sharpe, Lauren Darge, Jeffrey Medcalf and David Gallagher (Nominee of the SLSWA CEO).

Hall of Fame Committee

The Hall of Fame Committee recommends to the Board nominations of individual members for SLSWA Hall of Fame Award. The committee comprised Heidi Gan (Chair), Dean Belmont, Andrew Mosel and Sandy Clarke (Nominee of the SLSWA CEO).

Finance and Audit Committee

The Finance and Audit Committee oversee the reliability and integrity of accounting policies and financial reporting. The committee comprised Jarod Stone (Chair), Sarah Leonard, James O'Toole, Rob Murphy and Alexandra Smith.

Risk and Governance Committee

The Risk and Governance Committee oversee the development of a through Risk Management Plan and the continuing assessment of our performance against the plan. The committee comprised Craig Smith-Gander AM (Chair), Garry Williams CSM and Rob Murphy.

Strategic Committee

The Strategic Committee identifies strategic issues and recommends to the board visions and strategic initiatives. The committee comprised Chris Brien ESM (Chair), James O'Toole, Mike Rees, Andrew Dimsey and Reece Baker.

DIRECTORS' REPORT

The Directors submit the financial report of Surf Life Saving Western Australia Inc. ("the Association") for the year ended 30 April 2023.

Board of Directors

The names of Directors throughout the year and at the date of this report are:

James O'Toole

(CEO)

Craig Smith-Gander

(President)

Garry Williams

Jarod Stone

Chris Brien

Sarah Leonard

Leesa Equid

Heidi Gan

Michael Shaw

Principal Activities

The principal activities of the Association during the financial year were:

• The provision of life saving and emergency services, recreation, sport and youth development throughout Western Australia.

The operating activities of Surf Life Saving Western Australia Inc. reported a surplus of \$951,976 (2022: \$2,285,365).

The surplus will continue to provide support across several areas of the movement. These include:

- 1. maintaining and improving key assets such as IT infrastructure and the ERCN network;
- 2. expediting the rollout of various equipment, and providing for maintenance and replacement;
- 3. assistance with the development of new programs to provide long term benefit to clubs and their members, in particular Nippers, Youth and Surf Sport development;
- 4. assisting the Association to deploy more services in growth areas, and to assist clubs with their expanding role/s in the delivery of frontline services;
- 5. allowing increased focus outside of the metropolitan area, including the substantial re/development of the Margaret River site to create a world class facility for use in training, development and surf sports competition along with providing enhanced local support to members and clubs in the southwest region; and
- 6. enabling continued investment in our internal fundraising capacity for the benefit of all SLSWA clubs.

Signed in accordance with a resolution of the Board of Directors.

Craig Smith-Gander

President

James O'Toole

Chief Executive Officer

Dated this 23rd day of August 2023

STATEMENT OF PROFIT OR LOSS AND OTHER COMPREHENSIVE INCOME

NOTES TO THE FINANCIAL STATEMENTS

For the year ended 30 April 2023

Note 1: Statement of significant accounting policies

Basis of preparation

This financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations), other authoritative pronouncements of the Australian Accounting Standards Board, the requirements of the Australian Charities and Not-for-Profits Commission Act 2012 and the Associations Incorporation Act 2015.

The financial report covers Surf Life Saving Western Australia Inc. as an individual entity. Surf Life Saving Western Australia Inc. is an Association incorporated in Western Australia under the Associations Incorporation Act 2015.

The financial report of Surf Life Saving Western Australia Inc. as an individual entity complies with all Australian equivalents to International Financial Reporting Standards (AIFRS) in their entirety. Compliance with AIFRS ensures compliance with International Financial Reporting Standards.

The following is a summary of the material accounting policies adopted by the Association in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

The accounting policies set out below have been consistently applied to all years presented.

Reporting Basis and Conventions

The financial report has been prepared on an accrual basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied. The amounts presented in the financial report are present in Australian dollars and have been rounded to the nearest dollar.

New, revised or amending Accounting Standards and Interpretations adopted

The Association has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the preparation of the Association's annual financial statements for the previous reporting period.

Accounting Policies

(a) Income Tax

The Association has obtained tax-exempt status under current Australian Taxation legislation.

(b) Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the Association's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the Association's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

Notes to the Financial statements for the year ended 30 April 2023

(c) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Property

Freehold land and buildings are recorded at their fair value (being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction), based on periodic, but at least triennial valuations by external independent valuers. During the intervening periods, the fair values are determined on the basis of a directors' valuation.

If the carrying amount of a class of assets is increased as a result of a revaluation, the net revaluation increase is credited to a revaluation reserve in equity. However, the net revaluation increase is recognised in the profit or loss to the extent that it reverses a net revaluation decrease of the same class of assets previously recognised in the profit or loss.

If the carrying amount of a class of assets has decreased as a result of a revaluation, the net revaluation is recognised in the profit or loss. However, the net revaluation decrease is debited to the revaluation reserve in equity to the extent of any credit balance existing in any revaluation surplus in respect of that same class of asset. The net revaluation decrease recognised in the revaluation reserve reduces the amount accumulated in equity.

Plant and Equipment

Plant and equipment is measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by Directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

Depreciation

The depreciable amount of plant and equipment along with the motor vehicles and building fitouts are depreciated on a diminishing value basis or straight line basis over their useful life from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets (excluding land and buildings) are:

•	· ·
Class of Fixed Asset	Depreciation Rate
Office equipment	25% to 40%
Coastal Safety equipment	25% to 100%
Surf education equipment	30% to 67%
Competition equipment	20% to 67%
Motor vehicles	25%
Fixtures and Fittings	3% to 13%

Assets residual values and useful lives are reviewed and adjusted, if appropriate, at each balance date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income.

(d) Impairment of Assets

At each reporting date, the Association reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the assets fair value less costs to sell and value-in-use, is compared to the assets carrying value. Any excess of the assets carrying value over its recoverable amount is expensed to the statement of comprehensive income.

Where it is not possible to estimate the recoverable amount of an individual asset, the Association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Notes to the Financial statements for the year ended 30 April 2023

(e) Fair Value Measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interest. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

(f) Employee Benefits

Provision is made in respect of the Association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

(g) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks and other short-term highly liquid investments with original maturities of three months or less.

(h) Revenue recognition

The Association recognises revenue as follows:

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the association is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the association: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Grants/ Sponsorship

Grant revenue is recognised in profit or loss when the Association satisfies the performance obligations stated within the funding agreements. If performance obligations are not sufficiently specific, the Association recognises this revenue, at a point in time, which is generally on receipt.

Donations

Revenue from donations is recognised upon receipt of the funds.

Interest

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Volunteer services

The Association has elected not to recognise volunteer services as either revenue or other forms of contributions received. As such, any related consumption or capitalisation of such resources received is also not recognised.

All revenue is stated net of the amount of goods and services tax (GST).

(i) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

Notes to the Financial statements for the year ended 30 April 2023

(i) Financial assets

Initial recognition

Financial assets are classified, at initial recognition, and subsequently measured at amortised cost, fair value through other comprehensive income (OCI), or fair value through profit or loss.

The classification of financial assets at initial recognition that are debt instruments depends on the financial asset's contractual cash flow characteristics and the Association's business model for managing them. Trade receivables that do not contain a significant financing component, are measured at their transaction price.

In order for a financial asset to be classified and measured at amortised cost, it needs to give rise to cash flows that are 'solely payments of principal and interest (SPPI)' on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level. The Association's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

- · Financial assets at amortised cost (debt instruments);
- · Financial assets at fair value through OCI with recycling of cumulative gains and losses (debt instruments);
- Financial assets designated at fair value through OCI with no recycling of cumulative gains and losses upon derecognition (equity instruments); or
- · Financial assets at fair value through profit or loss.

Financial assets at amortised cost

Financial assets at amortised cost are subsequently measured using the effective interest rate ('EIR') method and are subject to impairment. Interest received is recognised as part of finance income in the statement of profit or loss and other comprehensive income. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

The Association's financial assets at amortised cost include trade and other receivables.

Other financial assets

The Association does not have any financial assets that are measured and recognised at fair value through OCI or at fair value through profit or loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised when the rights to receive cash flows from the asset have expired.

Impairment of financial assets

The Association recognises an allowance for ECLs for all debt instruments not held at fair value through profit or loss. ECLs are based on the difference between the contractual cash flows due in accordance with the contract and all the cash flows that the Association expects to receive, discounted at an approximation of the original EIR. ECLs are recognised in two stages. For credit exposures for which there has not been a significant increase in credit risk since initial recognition, ECLs are provided for credit losses that result from default events that are possible within the next 12-months (a 12-month ECL). For those credit exposures for which there has been a significant increase in credit risk since initial recognition, a loss allowance is required for credit losses expected over the remaining life of the exposure, irrespective of the timing of the default (a lifetime ECL).

For trade receivables and other receivables due in less than 12 months, the Association applies the simplified approach in calculating ECLs, as permitted by AASB 9. Therefore, the Association does not track changes in credit risk, but instead, recognises a loss allowance based on the financial asset's lifetime ECL at each reporting date. When determining whether the credit risk of a financial asset has increased significantly since initial recognition and when estimating ECLs, the Association considers reasonable and supportable information that is relevant and available without undue cost or effort. This includes both quantitative and qualitative information and analysis, based on the Association's historical experience and informed credit assessment including forward-looking information.

The Association considers a financial asset in default when internal or external information indicates that the Association is unlikely to receive the outstanding contractual amounts in full before taking into account any credit enhancements held by the Association. A financial asset is written off when there is no reasonable expectation of recovering the contractual cash flows and is not subject to enforcement activity.

At each reporting date, the Association assesses whether financial assets carried at amortised cost are credit- impaired. A financial asset is credit-impaired when one or more events that have a detrimental impact on the estimated future cash flows of the financial asset have occurred.

(k) Financial liabilities

Initial recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Association's financial liabilities include trade and other payables and accruals.

Subsequent measurement

Trade and Other payables, Accruals

After initial recognition, trade and other payables and accruals are subsequently measured at amortised cost. Gains and losses are recognised in the statement of profit or loss and other comprehensive income when the liabilities are derecognised.

Derecognition

A financial liability is derecognised when the associated obligation is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss and other comprehensive income.

(I) Right of Use Assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the Association expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right-of use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The Association has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

(m) Lease Liabilities

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Association's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in an index or a rate used; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right-of use asset, or to profit or loss if the carrying amount of the right-of-use asset is fully written down.

(n) Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

(n) Critical accounting judgements, estimates and assumptions (cont.)

Grant income

For grant funding received, the determination of whether the grant agreement includes sufficiently specific performance obligations was a significant judgement involving discussions with a number of parties at the Association and consideration of the terms and conditions within the agreement.

Grants received by the Association have been accounted for under both AASB 15 and AASB 1058 depending on the terms and conditions and decisions made. If this determination was changed then the revenue recognition pattern would be different from that recognised in these financial statements.

Fair value measurement hierarchy

The Association is required to classify all assets and liabilities, measured at fair value, using a three level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement, being: Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date; Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and Level 3: Unobservable inputs for the asset or liability. Considerable judgement is required to determine what is significant to fair value and therefore which category the asset or liability is placed in can be subjective.

The fair value of assets and liabilities classified as level 2 is determined by the use of valuation models. Land and buildings have been valued based on similar assets, location and market conditions.

Impairment of non-financial assets other than goodwill and other indefinite life intangible assets

The Association assesses impairment of non-financial assets other than goodwill and other indefinite life intangible assets at each reporting date by evaluating conditions specific to the Association and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

Employee benefits provision

The liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

Incremental borrowing rate

Where the interest rate implicit in a lease cannot be readily determined, an incremental borrowing rate is estimated to discount future lease payments to measure the present value of the lease liability at the lease commencement date. Such a rate is based on what the Association estimates it would have to pay a third party to borrow the funds necessary to obtain an asset of a similar value to the right-of-use asset, with similar terms, security and economic environment.

⁽a) Balance determined to be the fair value of the State Centre Office at 7 Delawney Street, Balcatta, Western Australia and the Margaret River Property at 214-222 Railway Terrace.

The Balcatta property was purchased on 7 May 2012 for \$6,300,000. As at 30 April 2023, the Directors have assessed the fair value of the Land and Building to be \$5,750,000 based on an independent valuation undertaken during the year.

The Margaret River property was purchased on 6 April 2020 for \$1,350,000 and had been accounting for at cost until the building was came into use. During the year practical completion of the property was achieved and an independent valuation was performed. The directors have assessed the fair value of land and buildings to be \$5,000,000 based on an independent valuation undertaken during the year.

Non-Current		86,801	64,797
		401,424	476,037

Provision for Long Service Leave

A provision has been recognised for employee entitlements relating to long service leave. In calculating the present value of future cash flows in respect of long service leave, the probability of long service leave being taken is based on historical data. The measurement and recognition criteria relating to employee benefits have been included in Note 1 to this report.

Note 10: Reserves

General Reserve

The purpose of the reserve is to provide protection against any adverse effects on major revenue streams to ensure that the critical operational aspects of SLSWA can be provided. The reserve was reviewed prior to the end of the financial year and the Board considered that the amount of \$500,000 to be appropriate. This policy is to be reviewed at the end of each financial year.

Note 11: Right of use asset

	2023 \$	2022 \$
Helicopters		
At Cost (a)	2,932,397	-
Accumulated Depreciation	(977,466)	
	1,954,931	<u>-</u>
Office Equipment		
At Cost	39,500	39,500
Accumulated Depreciation	(20,816)	(13,036)
	18,684	26,464
Total Right of Use Assets	1,973,615	26,464

Additions to right-of-use assets during the year were \$2,932,397.

(a) The association leases three helicopters for its operations under three separate lease agreements of three years each with no options to extend. Two leases commenced on 1 September 2022 and conclude on 30 April 2025. The remaining lease commenced on 20 August 2022 and concludes on 20 August 2025. The Association has used an incremental borrowing rate of 7%.

The Association does not have any short term or low value leases that are expensed as incurred.

Note 12: Lease liability

	2023 \$	2022 \$
Current	959,149	7,577
Non-Current	1,040,628	19,612

Note 13: Grants

Total grants received and recognised as income during the year include the following:		
Fire and Emergency Services Authority of Western Australia (Service Agreement)	1,239,727	1,381,000
SLSA Beach Safe	377,808	587,748
State Government	4,025,788	3,749,690
Department of Sports and Recreation	220,000	180,000
Lotterywest	61,843	867,182
	5,925,166	6,765,620

Note 14: Fair value measurement

The following tables detail the Association's assets and liabilities, measured or disclosed at fair value, using a three level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement, being -

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date. Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Level 3: Unobservable inputs for the asset or liability.

	Level 1 \$	Level 2 \$	Level 3 \$	Total \$
2023		'

	2,305,910	2,334,742
Non-cash investing and financing activities		
Additions to the right-of-use assets	2,932,397	-
	2,932,397	-

Note 17: Financial Instruments

The Association's activities expose it to a variety of financial risks: interest rate risk, credit risk and liquidity risk. The Association's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Association.

The Association uses different methods to measure different types of risk to which it is exposed. These methods include sensitivity analysis in the case of interest rate and aging analysis for credit risk. The Association does not use derivative financial instruments (such as interest rate swaps) to hedge certain risk exposures. Risk management is carried out by the Board of Directors.

The Association holds the following financial instruments:

	30 April 2023 \$	30 April 2022 \$
Cash and cash equivalents	8,541,693	9,643,804
Trade and other receivables	1,704,417	1,717,253
	10,246,110	11,361,057
Trade and other payables	2,009,840	1,905,476
	2,009,840	1,905,476

(i) Interest rate risk

The Association's main interest rate risk arises from cash and cash equivalents. Cash and cash equivalents comprise deposits held at call with bank that are at variable interest rates. Interest rate risks also arise from borrowings.

As at the reporting date, the Association had the following deposits at call with banks.

30 Apr	30 April 2023		30 April 2022	
Weighted average interest rate	Balance \$	Weighted average interest rate	Balance \$	
3.65%	8,541,693	0.22%	9,643,804	

Sensitivity analysis - interest rate risk

Sensitivity analysis has not been provided on the basis that such an analysis is not considered to be material.

(ii) Credit risk

Credit risk arises from the financial assets of the Association, which comprise cash and cash equivalents and trade and other receivables. The Association's exposure to credit risk arises from potential default of the counter party, with a maximum exposure equal to the carrying amount of these instruments.

Trade receivables are non-interest bearing and on 30 day terms. A provision for impairment loss is recognised when there is objective evidence that an individual trade receivable is impaired. No impairment loss was recognised in respect of trade receivables in 2023 (2022: Nil).

At 30 April 2023, the ageing analysis of trade receivables is as follows:

	2023 \$	2022 \$
Current	1,578,684	1,616,320
Past due 30 – 60 days	17,120	29,941
Past due 60 – 90 days	106,063	4,795
Past due over 90 days	2,550	66,197
	1,704,417	1,717,253

Note 17: Financial Instruments (Cont.)

The Association trades with only recognised and creditworthy third parties and as such collateral is not requested nor is it the Association's policy to securitise its trade and other receivables.

In addition, receivable balances are monitored on an ongoing basis with the result that the Association's exposure to bad debts is not significant.

The credit risk on liquid funds is limited because the counter party is a bank with a high credit rating.

(iii) Liquidity risk

The Association manages liquidity risk by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

The Association's financial liabilities include trade and other payables that are paid on a 30 day period.

Note 18: Key management personnel remuneration

The total remuneration paid to key management personnel of the Association is \$927,465 (2022: \$980,475).

Note 19: Commitments

The association did not have any commitments at 30 April 2023 (30 April 2022: \$1,134,147.)

Note 20: Contingencies

The Association did not have any contingencies at 30 April 2023 (30 April 2022: Nil).

Note 21: Related parties

(a) The Association's related parties refers to the key management personnel (refer to Note 18).

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the Association, directly or indirectly, including any director (whether executive or otherwise) is considered key management personnel.

(b) Transactions with related parties

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated. Other than the remuneration of key management personnel, there are no transactions with related parties.

DIRECTORS' DECLARATION

In the opinion of the Board of Directors the financial report as set out on pages 64 to 83:

- Presents a true and fair view of the financial position of Surf Life Saving Western Australia Inc. as at 30 April 2023 and its performance for the year ended on that date in accordance with Australian Accounting Standards, the Australian Charities and Not-for-Profits Commission Act 2012 and the Associations Incorporation Act 2015;
- 2. At the date of this declaration, there are reasonable grounds to believe that Surf Life Saving Western Australia Inc. will be able to pay its debts as and when they fall due; and
- 3. The attached financial statements and notes comply with the Australian Accounting Standards and other mandatory professional reporting requirements.

This declaration is made in accordance with a resolution of the Board and is signed for and on behalf of the Board by:

Craig Smith-Gander

President

Chief Executive Officer

Dated this 23rd day of August 2023

AUDITOR'S INDEPENDENCE DECLARATION

In accordance with the requirements of section 60-40 of the Australian Charities and Not-for-profits Commission Act 2012, as lead auditor for the audit of Surf Life Saving Western Australia Inc. for the year ended 30 April 2023, I declare that, to the best of my knowledge and belief, there have been no contraventions of any applicable code of professional conduct in relation to the audit.

AUDITOR'S REPORT TO THE MEMBERS OF SLSWA

Report on the Audit of the Financial Report

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SURF LIFE SAVING WESTERN AUSTRALIA INC.

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Surf Life Saving Western Australia Inc (the Association), which comprises the statement of financial position as at 30 April 2023, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the directors' declaration.

In our opinion, the accompanying financial report of the Association has been prepared in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012 and the Associations Incorporation Act 2015, including:

- (a) giving a true and fair view of the Association's financial position as at 30 April 2023 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2012.

Basis for Opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Responsibilities of the Directors for the Financial Report

The Directors of the Association are responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation, including the requirements of Section 15(1) and 15(2) of the *Charitable Collections Act (WA) 1946* and *Charitable Collections Regulations (WA) 1947* and for such internal control as the Directors determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Association to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

AUDITOR'S REPORT TO THE MEMBERS OF SLSWA

Report on the Audit of the Financial Report

Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud
 or error, design and perform audit procedures responsive to those risks, and obtain audit
 evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not
 detecting a material misstatement resulting from fraud is higher than for one resulting from error,
 as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override
 of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting in the preparation of the financial report. We also conclude, based on the audit evidence obtained whether a material uncertainty exists related to events and conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the disclosures in the financial report about the material uncertainty or, if such disclosures are inadequate, to modify the opinion on the financial report. However, future events or conditions may cause an entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the
 disclosures and whether the financial statements represent the underlying transactions and
 events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We are also required to provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may be reasonably be thought to bear on our independence, and where applicable, related safeguards.

AUDITOR'S REPORT TO THE MEMBERS OF SLSWA

Report on the Audit of the Financial Report

Report on Other Legal and Regulatory Requirements

Opinion pursuant to the Charitable Collections Act (WA) 1946 and Charitable Collections Regulations (WA) 1947

In our opinion, the Association has complied, in all material respects, with the requirements of the Charitable Collections Act (WA) 1946 and Charitable Collections Regulations (WA) 1947 for the year ended 30 April 2023.
