The club function rooms and toilets and changing rooms will be open from 6.30am. Please ensure all Little Nippers are always supervised whilst using the club facilities and that the facilities are respected.

Alternative City of Wanneroo toilets can be found linked to the Sea Spice Restaurant/Portofino's building, directly next to the club.

### Competition requirements

Under 8 – Minimum of 7 years old with U8 Junior Competition Skills evaluation.

Under 9 - Minimum of 8 years old with U9 Junior Competition Skills evaluation.

Please ensure Woodside Nippers hi-vis vests and club caps are worn to this event.

Clubs are responsible to ensure that their Woodside Nippers have the required Junior Competition skills evaluation. Those Woodside Nippers without the Competition Skills evaluation can only participate in beach events.

QMSLSC strongly suggests that all competitors come equipped with a wide brimmed hat, long sleeved shirt, a full water bottle and appropriate sun cream.

No red bands will be used at this event.

### Officials

Officials and Marshalls will be provided and sourced by the QMSLSC Lead official. Morning tea and refreshments will be provided in the Officials' tent, lunch will be provided in the club. We thank all officials from all clubs who have volunteered to support this event.

### Water Safety

Clubs are required to provide 1 water safety person per 10 competitors. Water safety personnel must hold NRC, SRC or BM. Please provide a minimum of a rescue tube per person. QMSLSC will be providing water safety via IRB, Jet Ski and in-water personnel. All water safety personnel must wear an orange Water Safety rash vest or yellow Patrolling Member rash vest.

Please meet the Water Safety Coordinator at 7:00 am at the water marshalling point between the water arenas to be assigned roles.

### Briefings

These will be held at 6:45 am - **Officials and Team Managers Briefing**

Officials and Marshalls– First Aid tent.

### Marshalling

Age Managers are to ensure that Woodside Nippers are ready and prepared for marshalling. This will allow the carnival to run to its intended timelines.

Please support the Marshall by briefing Little Nippers on the importance of listening and staying in the designated lines they are placed in. There are no parents allowed in the marshalling areas.

Place boards to the left side of the marshalling tents that you will be competing in.

Age Managers are responsible for bringing boards to competitors once they are lined up by the Marshall.

Flag competitors will be knocked out at a rate decided by the official in the flag arena.
