CIRCULAR 3

Please refer to the previously released [Circular 3](#) for event details.

ENTRIES

Entries have been reopened to allow members who could not compete on the original dates to enter if they are available on the rescheduled dates. Those who entered do not need to reenter. **No late member entries will be accepted.**

Clubs are then to update/create their teams from their entered individual athletes before the close of team entries. Team compositions must be completed by Monday 28 July 2025, 11.59pm. Once team entries close **individuals unassigned to teams, unnamed teams and incomplete teams will be deleted.**

Entry fees are non-refundable.

WESTERN SUNS IRB STATE TEAM

For the purposes of recognising performances, at the conclusion of the Championships a Honorary State Team will still be selected allowing those athletes who have earned the honour to be recognised. Unfortunately, as the State Team is now going to be selected after the Interstates the Team will not have the opportunity to compete this year and as such will not receive a uniform and travel subsidy.

CANCELLATION

Hopefully we will get favorable conditions that allow for two days of IRB Racing. Should the event not be able to proceed on both days an IRB Racing Championship will not be contested in 2025.
