A MESSAGE FROM THE

# **PREMIER**

Western Australia proudly has the longest coastline of any state in the country.

At almost 13,000 kilometres, our stunning coastline is longer than the distance from Perth to Hawaii. Being girt by sea has many benefits. Surrounded by natural beauty, many of us enjoy an enviable coastal lifestyle. Our nation also produces some of the best swimmers on the planet.

However, this fortunate proximity to the coast also comes with great responsibility. Beachgoers have a responsibility to inform themselves of the risks associated with enjoying the coast. As we have seen, even with the best preparation, sometimes water-related accidents happen. That's where Surf Life Saving Western Australia comes in.

The organisation's 31 clubs and almost 25,000 members perform a critical role across our vast coastline. Surf Life Saving WA clubs are so much more than a safety net for those that come unstuck. It is a societal force in Western Australia that promotes a culture of water safety, community cohesion, as well as some friendly competition.

It has been an exciting year for Surf Life Saving WA. In May, the newly renovated Albany Surf Life Saving Club at Middleton Beach was officially opened. Meanwhile, the Western Australian Government continued to work with Surf Life Saving WA on our Shark Hazard Mitigation Strategy - so Western Australians can continue to enjoy the State's world class beaches with confidence.

The year ahead will prove a busy one. More people than ever are moving to Western Australia for work and lifestyle opportunities. That means more people at our beaches, and more prospective club members.

I wish everyone the very best for 2025-26.

ROGER COOK MLA

PREMIER OF WESTERN AUSTRALIA

A MESSAGE FROM THE

# PRESIDENT & CEO

Heidi Gan OLY - President

James O'Toole - CEO

On behalf of the Board of Surf Life Saving WA, it gives us great pleasure to present our 2024/25 Annual Report. As we reflect on the past year and note the many achievements across all facets of our movement, there is much to be proud of.

This year, with the Board and management, we reviewed and updated our strategic plan for 2025 – 2030. Our mission of saving lives and building great communities, underpinned by our strategic goals of zero preventable drowning deaths on the WA coast, and supporting an inclusive and vibrant surf life saving community, remains our focus and drives all that we do.

This season on our beaches, our lifesaving services performed nearly 900 rescues, including more than 200 on just one weekend in January, a truly incredible result. Each of these rescues represents a near miss and a potential life saved, clearly demonstrating that our services are more critical than ever.

Sadly, we still see too many lives lost on our coast. With the help of our members and stakeholders, we will continue to deliver initiatives that aim to reduce this toll and achieve our strategic goal of zero preventable drowning deaths.

Ensuring we remain connected with our regional members continues to be a focus area for the Board. This season, we visited many of our regional clubs including Esperance Goldfields, Denmark, Broome, Dampier, Geraldton, Champion Bay, and Bunbury, and it was inspiring to see the fantastic work our clubs are doing out there.

We also congratulate Esperance Goldfields, Albany, and Broome on their recent club redevelopments and openings. Appropriate and fit-for-purpose facilities are a critical component of the lifesaving services we provide. Instrumental in everything achieved this season are our corporate partners and stakeholders. We are proud of the longstanding partnerships we have built and grateful for the unwavering support they afford us. None of the achievements outlined in this report would be possible without them.

This season, we are very proud to have extended our relationship with Woodside Energy, which renewed its support for a further five years and expanded it to include our Woodside Jet Ski Program, while Healthway signed on to support our summer surf sports season for a further three years, promoting the Fuel to Go & Play message.

We also continue to work closely with the WA Government through several departments, and this support is essential in helping us deliver many key initiatives that underpin our mission.

And finally, to our more than 24,300 members across Western Australia, you are the heart of our movement, and we thank you for the unwavering passion you demonstrate in all that you do.

HEIDI GAN OLY PRESIDENT JAMES O'TOOLE CHIEF EXECUTIVE OFFICER

# LIFESAVING SERVICES

1 MAY 2024 - 30 APRIL 2025

Services provided by our trained and committed surf lifesavers are critically important as we strive to achieve our mission of saving lives and building great communities to preserve the Western Australian coastal lifestyle. Our surf lifesavers commit thousands of hours in training, development, and service delivery with a singular focus on helping people safely enjoy our beautiful coastline and beaches.

These Lifesaving services are a crucial factor in enabling the Western Australian community to use beaches more safely.

PATROLLING
SURF LIFESAVERS

Recreating along our coastline plays an important role in the West Australian lifestyle. Through the delivery of beach patrols, emergency response, and water safety services, surf lifesavers are critical to helping the community enjoy aquatic recreational activity more safely. The number of rescues performed each season is a key reason beach users return home alive. Our surf lifesavers are brave and selfless members of their local community. We commend their continued dedication to the organisation.

The statistics recorded this year highlight the outstanding outcomes in what has been one of the busiest seasons in recent times. Surf lifesavers with proficient skills increased by 9% which assisted in achieving a 10% increase in patrol hours committed. Despite a near 20% increase in preventative actions, the number of rescues performed was almost 40% higher than the previous year.

Despite the numerous positive outcomes, with almost 13,000 km of coastline, there is still more to be done to ensure the safety of West Australian beach users.

#### **Lifeguard Services**

RESCUES

638 FIRST AIDS

81,162
PREVENTATIVE ACTIONS

29,585 PATROL HOURS

115 LIFEGUARDS

Surf Life Saving WA is the largest provider of contracted lifeguard services in Western Australia, at a state and local government level, complementing the voluntary weekend patrols delivered by our clubs.

The following beaches were serviced by SLSWA lifeguards during the 2024/25 season:

- Middleton Beach (City of Albany)
- Ocean Beach (Shire of Denmark)
- Margaret River Mouth Beach (Shire of Augusta/Margaret River)

- Yallingup Beach, Smiths Beach (City of Busselton)
- Secret Harbour Beach (City of Rockingham)
- City Beach, Floreat Beach, Roving (Town of Cambridge)
- Cottesloe Beach (Town of Cottesloe)
- Hillarys Boat Harbour, Mullaloo and Sorrento Beaches (City of Joondalup)
- Quinns Beach, Yanchep Lagoon, Roving (City of Wanneroo)
- Penguin Island based at Mersey Point, Meelup Beach, Bunker Bay, The Basin – Rottnest, (WA Government)

Supported by the Government of Western Australia and proudly partnered by Westpac, the Westpac Life Saver Rescue Helicopter Service (WLRHS) continues to deliver critical safety outcomes for West Australians recreating along the state's coast. This service remains at the apex of the WA Government Shark Hazard Mitigation Strategy.

Operating from Rous Head, Fremantle and Busselton Margaret River Airport, the service provides comprehensive aerial patrol and emergency response capabilities from Yanchep to Port Bouvard and from Bunbury to Hamelin Bay. These two aircraft cover some of the most heavily visited coastal stretches in the state, supporting the more than 30 on-ground lifesaving and lifeguard operations within this area.

A standout operational outcome this season was the 137% year-on-year increase in search and rescue taskings, rising from 27 missions in 2023/24 to 64 this season. This marked increase highlights both the growing demand for aerial emergency response and the critical role that the helicopters play in supporting emergency services and protecting lives along the WA coast.

#### **Drone Patrol**

The continued integration of localised drone operations into lifesaving services provides operational benefits through improving the availability of real-time situational awareness and response capabilities to on-beach patrols.

Through the support of a Lotterywest grant, the program has benefited from improved access to equipment and increased operational activity. This has led to an improvement in the availability of member training and the development of club-based trainers.

These initiatives have seen a positive increase in the use of drones to support delivery of lifesaving services, demonstrated by a 33% increase in the hours that a beach patrol had access to a drone operator and equipment, a 135% increase in the number of drone patrol flights, and a 27% increase in the number of clubs integrating drones into their operations this season. These results demonstrate that integration of this lifesaving strategy is moving toward becoming a normalised part of lifesaving operations.

#### SurfCom

Key to SLSWA operational communications is the state-wide communication and operations control team, known as SurfCom. SurfCom supports volunteer lifesaving and SLSWA centre operations, plus multiple external agencies, including but not limited to WA Police, St John Ambulance WA, Department of Biodiversity, Conservation and Attractions, Department of Primary & Regional Development Shark Response units, and nine metropolitan and regional local government areas.

SurfCom is responsible for coordinating requests for emergency tasking (13SURF), undertakes operational asset tracking and distress monitoring, incident logging and recording, monitoring Emergency Rescue Communications (ERCN), and recording of operational data that assists with operational situational awareness and analysis.

#### **Surf Alert Modules (SAMs)**

SurfCom continues to provide support to the seven (7) SAMs located along our coast at Claytons Beach, Leighton Beach, Falcon Bay, Pyramids Beach, Picnic Cove, Twilight Beach and Whylie Bay.

Remotely operated by SurfCom, these units enhance beach user safety through key features including LED safety messaging screens, audible alerts, shark alarms, and direct intercom access to SurfCom for real-time communication and incident coordination.

#### 13SURF and St John Ambulance First Responder Program

As a conduit to seek first response and request operational support of relevant lifesaving services in a coastal emergency, 13SURF provides external emergency response agencies (specifically St John Ambulance WA and WA Police) with direct access to SLSWA SurfCom operations.

During the 2024/25 season, the 13SURF hotline received 149 calls for operational support. Surf lifesavers were able to respond to 80 requests, committing 50 hours.

#### **Capital Equipment Support Program**

Through the Department of Fire and Emergency Services, the WA Government supports the delivery capabilities of our lifesaving services via the SLSWA Lifesaving Capital Equipment Support program, which provided the following valuable resources to clubs this season:

- Six (6) x Jet Skis
- Eight (8) x Side by Side Vehicles (SSVs); and
- Five (5) x Inflatable Rescue Boats (IRBs)

#### **Woodside Jet Ski Program**

Along with the support of the WA Government, this season, SLSWA partner Woodside Energy extended its partnership to become a key supporter of our Jet Ski operations. The Jet Ski is an integral component of club lifesaving services. It is central to providing efficient and effective emergency response and search and rescue operations, with our respected and highly skilled operators often called upon by external agencies such as the WA Water Police to support emergency response operations.

Supported and facilitated by SLSWA, 26 clubs integrate this equipment into their planned service arrangements and out-of-hours emergency response.

This season, club volunteers dedicated over 2,480 hours to operating jet skis during lifesaving service activities, including crucial support for the four abalone fishing sessions.

#### **Abalone Patrol**

FIRST AIDS

3,224
PREVENTATIVE ACTIONS

Abalone fishing is a popular yet dangerous Western Australian recreational fishing activity, with thousands of individuals being issued with a fishing licence each season. This activity remains one of the most tightly regulated fishing activities in the world, with WA's West Coast Zone only open for four sessions of one hour each (7-8 am), between December and February each year.

With many fishers unfamiliar with the areas in which they harvest the abalone and little to no swimming ability placing them at high risk, the prevention, rescue and emergency response actions delivered by SLSWA and our lifesavers at these sessions are the single most crucial factor in their safety.

To deliver these services, 16 clubs were involved through planned and coordinated actions underpinned by Local Operating Plans and Hazardous Surf Forecast Assessments and each fishing session was supported on average by:

- 210 surf lifesavers
- 800 person-hours
- 3 drones
- 30 powercraft (Jet Skis and IRB)
- Westpac Life Saver Rescue Helicopter Service

To support the participation by surf lifesavers, the Department of Primary Industries and Regional Development, via the Recreational Fishing Fund, maintains a service agreement with SLSWA. This support is received with thanks. This season marked the final year of a three-year agreement.

# SURF SPORTS

Surf sports play a key role in the Surf Life Saving movement developing the necessary skills to carry out surf lifesaving's core purpose - saving lives.

Annually, thousands of members utilise and challenge their lifesaving skills in a competitive sporting environment by participating in various surf sports events throughout the year.

#### **Key Events & Activities**

The 2024/25 surf sports season delivered a strong and engaging program, with 48 events held across the state, providing athletes with a valuable platform to refine their skills and compete at a high level throughout the year.

Many clubs took on the responsibility of hosting events, with the support of SLSWA where needed. This approach not only enabled increased club involvement but also provided opportunities for clubs to build capacity in event management and generate additional revenue.

This season, as we renewed our longstanding partnership with Healthway for a further three years, and it also marked the transition to a new naming rights health message, from SunSmart to Fuel to Go & Play. We look forward to continuing to work with the team at Healthway to share this healthy eating message with the membership across the coming seasons.

#### Fuel to Go & Play Regional Nipper Championships

The Fuel to Go & Play Regional Nipper Championships continued to provide an important opportunity for young nippers to get involved in surf sports within their local communities. Held throughout January and February, the events were hosted across four regional locations: Champion Bay (Mid West), Mandurah (Peel), City of Bunbury (South West), and Denmark (Great Southern). Each host club played a key role in delivering a successful event, welcoming and supporting more than 500 enthusiastic participants from the U8 to U13 age groups.

These regional championships also provide an additional qualification pathway to our Fuel to Go & Play WA Nipper Championships.

#### Fuel to Go & Play WA Surf League

The Fuel to Go & Play WA Surf League continues to attract high levels of participation with a total of 852 entries across the three-event series. Delivered at multiple locations to provide varied conditions, this season's program featured slightly shorter distances and, kicking off the summer sport season, offered abundant racing opportunities for athletes, serving as a selection opportunity for the Western Suns representative teams.

The sporting event portfolio included a full calendar of events across the year, including the below Championship Events:

Fuel to Go & Play WA Surf Life Saving Championships - Youth/Open Champion Youth Club	Sorrento SLSC Sorrento SLSC	Sorrento SLSC N/A

#### Officials and Coaches

SLSWA has continued to expand and enhance its coaching and officiating programs through a range of initiatives aimed at supporting both metropolitan and regional clubs. These initiatives included inviting High-Performance coaches from Surf Life Saving Australia to share their expertise, giving local participants exposure to diverse coaching styles that they can apply, from Woodside Nippers to advanced athlete development.

With funding received from the Department of Sport & Recreation, we were able to help fund nine surf boat sweeps to attend the ASRL Sweeps Academy in NSW to refine their skills.

With this same funding, we were also able to help the R&R group deliver a successful two-day workshop for over 95 participants, while Fremantle SLSC hosted a Core Officials course that trained 55 new officials. These programs have significantly boosted capability and collaboration across clubs.

Further support has been directed to clubs across the state, from the Great Southern to the Mid West, to address gaps in coaching and officiating development, with a total of 87 individuals (46 males and 41 females) completing training workshops during the season. Of these, 31 were from regions where access to training is often limited, helping bridge the opportunity gap.

The participant data reflects a wide age range and gender diversity, demonstrating the reach and inclusivity of the initiative. These efforts ensure clubs across WA are better equipped to deliver safe, engaging, and high-quality surf sports programs at all levels.

#### **WA Championships Events**

#### **WA Board Riding Championships**

Held in June at Scarborough Beach, the 2024 Championships saw some of the best conditions in recent years, with large, clean waves that made for thrilling competition, highlighting the skill of competitors. Trigg Island claimed the overall first position, with Sorrento in second, and North Cottesloe third.

#### WA Pool Rescue Championships

The 2024 WA Pool Rescue Championships were once again held at Perth's HPC and featured some impressive racing by athletes, including two of Australia's best in Trigg Island's Jake Smith & Harrison Hynes. Over the day and a half of competition, we saw many athletes from Nippers through to masters take home their first medals.

Overall, Sorrento took home their fourth consecutive Champion Club title, but not without fierce competition from Cottesloe in second, and Scarboro in third.

These Championships held additional significance as they served as the selection event for the Western Suns Pool Rescue team.

#### **WA IRB Racing Championships**

The WA IRB Racing Championships at Trigg Beach saw thrilling competition, with exciting conditions throughout the day testing the team's skills. Mullaloo came out on top, securing their eighth consecutive Champion Club pennant, followed by Fremantle and Coogee Beach, rounding out the top three.

#### **Fuel to Go & Play WA Endurance Championships**

Taking place in mid-October, with both ocean and beach events held at Leighton Beach, this event is the first major hit out for the championship season. With a healthy 462 competitors across all disciplines aged U12 – 70+, the slightly rough conditions meant for some fun racing on the day, with Sorrento awarded Champion Club.

#### **Fuel to Go & Play WA Country Championships**

The WA Country Championships, held in Bunbury over the January long weekend, brought together 230 competitors from 15 regional clubs. While Friday's swell was looking daunting, the waves calmed by Saturday, offering a fun and exciting environment for competitors.

City of Bunbury dominated the event, winning the overall point score with 879 points, followed by Mandurah on 277 and Secret Harbour with 271 points. This event highlighted the talent and sportsmanship of regional clubs, making for a thrilling weekend of surf life saving competition.

#### **Fuel to Go & Play WA Masters Championships**

The Masters Championships, held at Sorrento Beach over two days, saw 334 competitors showcasing their skills across multiple events. The two-day format provided a great atmosphere for both competitors and spectators alike, especially for the country clubs who travelled in for the weekend.

Mullaloo emerged victorious, taking first place with 573 points, followed by Trigg Island in second and Sorrento in third.

## Fuel to Go & Play WA Little Nippers Championships

Held at Fremantle Beach in February, the Little Nipper Championships saw an exciting display of young talent, with 462 participants aged U8 and U9, representing 20 different clubs. The competition featured a variety of events, including beach sprints, beach flags, board races, and swim.

Perfect conditions on the day made for an enjoyable and competitive atmosphere, highlighting the spirit of sportsmanship and camaraderie amongst the participants.

#### **Fuel to Go & Play WA Nipper Championships**

The Nipper Championships over the March long weekend at Trigg Beach were held under perfect, sunny conditions, creating a fantastic atmosphere for both competitors and spectators. With an impressive 866 competitors, the championships were a celebration of talent, teamwork, and great sportsmanship.

Sorrento claimed the Nipper Champion Club title for the fifth consecutive year, while North Cottesloe finished in second, ahead of Mullaloo in third. Mullaloo was also recognised as the Nipper Handicap winner for the most improved club, adding to the excitement of the weekend.

## Fuel to Go & Play WA Surf Life Saving Championships - Youth/Open

The 2025 Youth and Open Championships saw over 1,200 athletes compete across two weekends of thrilling competition. Trigg held the beach events, followed by City Beach with the ocean events. City of Perth SLSC proudly hosted as part of their 100-year celebrations, the milestone setting added a special sense of occasion to what is already the pinnacle event on the surf sport calendar.

With intense competition across all disciplines and age groups, the championships highlighted the impressive depth of talent across the state, while livestreaming both days of competition showcased the athletes' performances to a broader audience.

Sorrento emerged as the overall winner, claiming the club's first-ever Championship banner, in addition to the Handicap title and the Champion Youth Club, closing out an impressive and dominant season of sport.

#### **Western Suns State Teams**

SLSWA supported 95 athletes across the representative teams for Pool Rescue, Surf Boats, Ocean/Beach, Pathway Cup, as well as two Super Surf League Teams, the Broome Pearlers and Scarborough Sunsets.

#### **WESTERN SUNS OCEAN & BEACH INTERSTATE TEAM**

Delivering some of the biggest surf seen at this competition in many years, our Western Suns Youth/Open team took on the SLSA Interstate Championships at Wanda, NSW, in December 2024, delivering some fantastic performances in the water and on the sand.

Despite the running track being thoroughly washed away due to the large surf, our beach athletes performed well with both Holly Fraser & Emma Atwell taking second placings in the Beach Flags, and our Open Mixed Beach Relay team also finishing with a silver medal.

Overall, the team performed well, and as our youngest team ever selected, the experience gained will stand them in good stead for years to come.

#### **WESTERN SUNS SURF BOAT ROWERS TEAM**

WA had a remarkable showing at the ASRL Interstate Championships event in Coffs Harbour, NSW, putting up an incredible fight against the competition. Despite narrowly missing out on second place to QLD by just one point, WA's performance was nothing short of outstanding.

The highlight of the event was the thrilling victory in the All-Age Mixed Relay, where the Western Suns' display of exceptional teamwork and skill secured a well-deserved win. The victory in this event left the team on a high, proud of their achievements and solidifying WA's reputation as a force to be reckoned with.

#### **SUPER SURF TEAMS LEAGUE**

This season, the two-day Super Surf Teams League national series held in Wanda, NSW, over the same weekend as the Interstate Championships, provided categories for both an Open and an U17 team to compete. These two teams performed exceptionally well, with the U17 Broome Pearlers picking up a bronze medal after finishing third in their division.

#### The Aussies

The 2025 Australian Surf Life Saving Championships were held on Queensland's North Kirra Beach. Kicking off with the Youth Championships, highlights included Trigg Island's Oliver Browne winning his third consecutive Australian Surf Race gold, and their U15 Male Cameron Relay team claiming the title, and Sorrento's U14 Beach Sprinters Mia Bright & Kai Barrett won gold in their respective events.

The WA masters athletes had their share of success, with many competitors winning gold, notably Ceris Humble of Trigg Island, who came home with three.

In the Open competition, Anna Lockley from City of Bunbury (competing for City of Perth) won the U17 Female Single Ski, and the Cottesloe Open Female 2x1km Beach Relay Run took gold as well.

In the Adaptive Championships, Ryan Grant of Coogee Beach walked away with a total of six medals, four of which were gold, while Max Letizia (Sorrento) medalled in four events also.

Overall, these championships were very successful for WA, and we look forward to heading back to North Kirra next season.

#### **Australian Life Saving Team**

Trigg Island's Jake Smith and Harrison Hynes were again chosen to represent the Australian Life Saving Team for the 2024 Lifesaving World Championships, held on the Gold Coast. Jake, named as a team captain, helped steer them to a victory, as did Harrison's performance in the men's 100m Manikin Tow with Fins, breaking his own World Record set in 2023, with an impressive time of 47.68 seconds.

#### **Special Thanks**

The SLSWA Surf Sports team would like to express our heartfelt thanks to everyone who has supported us throughout the season, both on and off the club grounds. This includes officials, announcers, setup and teardown crews, water safety staff, coaches, trainers, administrators, team managers, interest groups, and panel members.

We also extend a special thanks to the host clubs for their dedication and hard work. The smooth execution of our events is only possible because of the combined efforts of all these individuals and teams.

Additionally, we are grateful for the ongoing support of our valued naming rights partner, Healthway, in promoting the Fuel to Go & Play message and their commitment to promoting healthy eating. Their dedication to encouraging nutritious choices has been a key factor in the success of our events.

# NIPPERS & YOUTH

#### **Woodside Nippers**

The past season saw a total of 8,421 Nippers enrolled in the Woodside Nippers program across our 31 clubs, marking growth from the previous season. Several regional clubs also experienced substantial increases, with Busselton, Dalyellup Beach, and Esperance Goldfields each recording growth of 20% or more.

We were also delighted to renew our highly successful partnership with Woodside for a further five years, through until 2028/29. This partnership continues to provide invaluable support to our Nippers and clubs across WA, helping teach vital beach safety skills to young West Australians.

#### **Youth Program**

SLSWA's Youth Programs, for members aged U14-U17, continue to engage young members across all pillars of surf life saving, and provide clubs with a framework to run engaging and purposeful sessions on Sunday mornings. This season, 1,918 youth members were involved across the Programs.

The Youth Leaders Program (YLP) is an opt-in initiative that enables participants to progress through three achievement levels: Bronze, Silver, and Gold. This season, 25 members achieved the Bronze level, 13 the Silver level, and 23 reached the Gold level. These achievements were celebrated at the 2025 Nipper & Youth Awards.

Many of these exceptional young members continue to develop their leadership skills by taking on roles within their clubs, contributing to the future of surf life saving in WA.

## YOUTH LEADERS PROGRAM GOLD RECIPIENTS

#### Recipients

- Elysia Boschin Alkimos
- Olivia Chapman Alkimos
- Michellie Neaves City of Bunbury
- Aidee Baker Esperance Goldfields
- Oisin Murphy Esperance Goldfields
- Brady Fulcher Quinns Mindarie
- Hannah Quirk Quinns Mindarie
- Molly Colgan Quinns Mindarie
- Jack Brohman Scarboro
- Jessica Goddard Secret Harbour
- Rhett Gibbons Secret Harbour
- Arielle Butler Trigg Island
- Georgia Gleim Trigg Island
- Giaan Versace Trigg Island
- Holly Shiels Trigg Island
- Isaac May Trigg Island
- Josie Burton Trigg Island
- Marley Johansson Trigg Island
- Milla Tan Trigg Island
- Morgan Buck Trigg Island
- Olivia Shiels Trigg Island
- Sian Back Trigg Island
- Kayla Campbell Yanchep

A range of Youth Pathway Courses were also delivered, introducing youth members to the roles available to them as they progress through their journey in surf life saving. Delivered both in person and online, allowing for a strong representation of members from both metropolitan and regional clubs, the following attendance was demonstrated:

- Youth Age Manager/Coach 50 participants
- Youth Trainer 25 participants
- Youth Official 37 participants

#### **Youth Development Camps**

The annual Rise-Up and TOAD camps were successfully held throughout December and January at the South West Development Centre (SWDC), which once again proved to be an ideal venue for delivering these activities.

The Rise-Up camp welcomed 59 U17 members, who kicked off their experience with a series of games and ice-breaker activities to build connections. Over the following days, participants took part in adventurous challenges, such as abseiling and coasteering, which encouraged them to push their limits and develop resilience. They also completed a bridging course to upgrade their Bronze Medallion to First Aid Certificate, a prerequisite for the Advanced Resuscitation Techniques Certificate.

The TOAD camp hosted 60 youth members from the U14 and U15 age groups. During their stay, participants earned their Radio Operators Certificate and engaged in a variety of team-building activities. Highlights included coasteering, surfing, and the ever-popular nightly game of spotlight, creating a memorable and enjoyable experience for all involved.

We are once again incredibly grateful to the Scottish Masonic Charitable Foundation of WA for their generous and ongoing sponsorship, which continues to make these opportunities for our Youth members possible.

#### **Youth Committee**

This season, the Board established the new Youth Committee, comprising U17 members, to provide feedback on programs and initiatives for their peers. With the SLSWA Development Committee setting objectives for the Youth Committee, the resultant cross-collaboration enabled a valuable youth perspective to be brought to the table.

The committee met five times during the season, also having the opportunity to sit with the SLSWA Board and share ideas, including initiatives to help clubs increase youth participation and retain youth members.

# TRAINING & EDUCATION

#### **MEMBERS**

#### **Member Awards**

This season, SLSWA volunteer Trainers, Assessors, and Facilitators (TAFs) delivered over 3,000 awards to club members, providing them with the skills, knowledge and awareness to deliver essential lifesaving and emergency response services for their club and community.

This season also saw the rollout of the Silver Medallion Aquatic Rescue (SMAR) course to clubs after trials were conducted throughout the previous season. This training provides enhanced rescue skills, including rock entries, search patterns, and underwater patient recovery. Over 100 members gained their SMAR qualification during the season.

Following a national update in IRB operations, there was a focus this season on upgrading powercraft TAFs, IRB drivers, and IRB crew to be trained in the new skill requirements. The new skills include refined rescue techniques and IRB patient approach procedures. SLSWA representatives have been active in providing feedback to

the Surf Life Saving Australia (SLSA) Powercraft Advisory Group, contributing to the ongoing development of IRB and RWC operations.

Thanks to a grant from Lotterywest, SLSWA continues to expand drone operations through developing TAFs to train members within their own clubs, as well as offering centralised course opportunities. Through these training pathways, the SLSWA Drone Program has now extended to 19 clubs with 28 TAFs and 125 operators.

SLSWA has continued to offer free HLTAID011 Provide First Aid and HLTAID015 Provide Advanced Resuscitation and Oxygen Therapy Units of Competency to members with assistance from the Federal Government's Vocational Education and Training (VET) Funding grant. This nationally accredited training was delivered to 528 members this season. Providing these nationally accredited emergency response awards offers the opportunity for volunteer club members to develop their lifesaving skills while also increasing the patrolling capacity of surf clubs.

Training Officer - RWC	2
Training Officer - SRC	2

#### **Rookie Lifeguard Program**

This season marked the fifth year of delivering the Rookie Lifeguard Program, held at the South West Development Centre with 30 members from metropolitan and regional clubs.

The program provided hands-on training across key operational areas, including the Woodside Jet Ski Team, Westpac Life Saver Rescue Helicopter, advanced rescue skills, and leadership development.

For the first time, the program provided participants the opportunity to gain the Silver Medallion in Aquatic Rescue, a significant advancement that bolstered their readiness for frontline lifeguard service.

Upon completion of the Rookie Lifeguard program, ten Rookies were selected for the Immersion Program, gaining on-the-job experience alongside professional SLSWA Lifeguards at iconic locations such as Rottnest Island and Smiths Beach.

## ROOKIE LIFEGUARDS IMMERSION PROGRAM

- Caitlin Harwood North Cottesloe
- Carris Terry Secret Harbour
- Elise Fry City of Bunbury
- Harry Pazin Swanbourne Nedlands
- Isaac Ahola Margaret River
- Luke Franks Binningup
- Ned Eldon Cottesloe
- Riley Job Fremantle
- Sophie Gallagher Swanbourne Nedlands
- Thomas Van Bruchem City of Perth

#### **Youth Lifeguard Program**

The 2024/25 season saw the further expansion of the SLSWA Lifeguard Academy with the introduction of the Youth Lifeguard Program. This two-day program for U14/15 youth members offers a fun and interactive introduction to SLSWA's Lifesaving Services, featuring a range of activities designed to help attendees develop essential skills and knowledge for a career in the industry.

Activities include advanced surf and ocean skills training, introduction to powercraft, including Jet Skis and IRBs, insight into professional Lifeguarding, as well as first aid and emergency response training.

#### **Nipper Lifeguard Program**

In its second year, over 30 participants took part in the one-day Nipper Lifeguard Program. For U13 Nippers, the day offers a range of engaging activities that introduce the lifesaving skills and knowledge applicable to working as a Lifeguard while developing relationships with members from other clubs and having fun.

Activities delivered in the program included practical surf skills and basic first aid sessions, as well as information related to Lifeguard and powercraft operations, and the Westpac Life Saver Rescue Helicopter service. These sessions were delivered by a range of presenters, including Lifeguards, helicopter crew, and SLSWA Instructors, and provided an insight into surf life saving opportunities beyond the Woodside Nippers program.

#### **Young Leaders Camp**

In August 2024, the inaugural Young Leaders Camp was hosted at the South West Development Centre in Margaret River. Hosting 19 up-and-coming leaders between the ages of 18 and 25, the camp provided valuable opportunities for learning and networking.

Workshops covering topics such as leadership styles, emotional intelligence, and conflict negotiation, while a panel discussion with SLSWA President Heidi Gan, Board Member Jack Dowie, and former SLSWA Development Committee Chair Angela Razvi, provided attendees with the opportunity to ask questions about leadership and the panellists' experiences in surf life saving.

The coasteering activity, undertaken in challenging conditions, tested lifesaving skills and also put into practice new leadership skills acquired over the weekend. The camp was ultimately a great success and will continue into future seasons.

#### **SLSA Masterclass**

The annual SLSA Masterclass was held at the University of South Australia from 24 – 28 July, 2024. For members aged 30 and above who hold senior leadership roles in surf life saving, the program aims to provide participants with strategic thinking concepts and tools, as well as equip them to better lead within their club or workplace.

SLSWA continues to support its members' attendance at the Masterclass by fully subsidising two representatives from WA. Last season, those representatives were Kate Hutchison (Swanbourne Nedlands) and Shaun Caruana (Busselton).

#### **SLSA National Leadership College**

During the last week of January 2025, 24 young surf lifesavers from across Australia and New Zealand came together in Sydney for the annual SLSA National Leadership College, a week-long program designed to develop leadership skills and foster connections among our young, emerging leaders within surf life saving.

SLSWA continues to support its members' attendance at the Leadership College by fully subsidising the successful West Australian applicants. This year, WA was represented by Dominic Bertschinger (Swanbourne Nedlands), Julian Ming (North Cottesloe), and Nikita Fredonnet (City of Perth).

## COMMUNITY First Aid Training

14,657
FIRST AID & COMMUNITY
TRAINING PARTICIPANTS

SLSWA continues to provide First Aid and emergency response training to members, as well as community and corporate customers. As a Registered Training Organisation (RTO 51104), we deliver nationally Vocational Education and Training (VET) accredited First Aid Units of Competency, including HLTAID011 Provide First Aid, to the Western Australian community. We also deliver non-accredited training, including the Community Surf Rescue Certificate, which is a recognised award for teachers and instructors delivering training, coaching, or education sessions in an open water environment.

This season, SLSWA also completed RTO re-registration, which is a requirement for all RTOs every seven years. This is an intensive process that involves a compliance audit of all aspects of course delivery and administration. Following the successful outcome of the audit, SLSWA is now registered through to 2031.

#### **BeachSAFE Presentations**

Surf Life Saving WA's "Introduction to BeachSAFE" presentations teach surf awareness and ocean safety to groups from schools, universities, and community organisations that may have limited access to the ocean. These sessions provide safety information regarding beach and ocean conditions, marine life, and environmental factors.

BeachSAFE presentations can be classroom-based or delivered on the beach, to be combined with practical sessions to offer basic surf skills and awareness to course participants.

#### **SurfBabies & SurfKids**

The SurfBabies and SurfKids programs provide a fun opportunity for children and their parents to participate in beach activities, develop basic surf sense, and build confidence to recreate in the ocean safely.

Open to children aged 2-7, these programs are held on Saturday mornings over two six-week series commencing in October and February. This season saw the program delivered to 1,020 participants in eight beach locations of Alkimos, Busselton, Coogee, Cottesloe, Leighton, Mullaloo, Sorrento, and Quinns.

#### **BeachSAFE Communities**

In November 2024, Stockland announced its acquisition of several Lendlease communities across Australia, including Alkimos Beach and Alkimos Vista, with a commitment to continue its support for the delivery of our highly successful BeachSAFE programs for the 2025/26 season.

Celebrating the eleventh year of the partnership, this coastal aquatic safety initiative helps develop essential

life skills and build awareness and confidence in residents through the delivery of vital beach safety and First Aid programs. The first of its kind in Australia, we are proud to celebrate its 11th year in 2024/25

The scorecard below highlights the significant engagement achieved during the period.

## **BeachSAFE Program Scorecard**

**SEASON 2024/25** (JULY 2024 TO JUNE 2025)

4,400 residents currently in Alkimos Beach & Alkimos Vista

1,245 people were engaged in a BeachSAFE program at Alkimos Beach & Alkimos Vista this year

#### **COMMUNITY PROGRAMS**

St James Training Facility and Alkimos Beach

57 adults and children developed their skills in a community based program

31 SurfBabies and SurfKids / 2 - 7 year olds

26 HLTAID011 Provide First Aid & HLTAID009 Provide CPR certificates

#### **SCHOOL PROGRAMS**

St James' Anglican School Surf Life Saving Facility and Alkimos Beach

459 students from St

James' Anglican School completed

BeachSAFE programs

- **300** Surf Life Saving Carnival
- **64** Surf Survival Year 5's
  - 8 HLTAID011 Provide First Aid certificates
  - 8 HLTAID009 Provide CPR certificates
- 15 Community Surf Rescue certificates
- **64** Life Skills for Life

#### **ALKIMOS SURF LIFE SAVING CLUB PROGRAMS**

Alkimos Surf Life Saving Facility and Alkimos Beach

5 Alkimos SLSC Youth members registered for various Youth Pathways

- **21** Bronze Medallions awarded
- 8 Age Manager certificates
- 18 Member HLTAID011 Provide First Aid certificates
- 110 attended Alkimos SLSC Open Day
- 188 attended Alkimos Development Carnival U8-U13

**379** people became members of Alkimos Surf Life Saving Club

151 Nipper Members / 5 - 12 year olds

228 Senior Members / 13 +

# COASTAL DROWNING RESEARCH

#### **Drowning Overview**

#### **OVERALL**

- 27 coastal and ocean drownings deaths
- 35% increase on the previous year

#### **DEMOGRAPHICS**

- 82% were male
- 18% were female
- 26% were in the 40+ age group

#### TIME

- 56% occurred between 12pm and 6pm
- 26% occurred between 6am and 12pm
- 30% occurred on the weekend
- 52% occurred in the summer
- 22% occurred in autumn

#### **ACTIVITY**

- 30% related to swimming/wading
- 18% related to boating
- 15% related to scuba diving
- 11% related to snorkeling
- 11% while attempting a rescue

#### **LOCATION (REGIONS)**

- 37% occurred in regional areas
- 26% occurred in the Perth Metropolitan area
- 26% occurred in remote areas

^Remote location: coastal areas including the North coast: Pilbara to Kimberley, the Gascoyne coast and Goldfields-Esperance coastline.

The table below summarises the past three seasons of coastal and ocean drowning deaths in WA.

1 JULY – 30 JUNE	COASTAL DROWNING DEATHS	OCEAN DROWNING DEATHS	TOTAL
2024-25	26	1	27
2023-24	19	1	20
2022-23	20	1	21

Please note: All figures presented are sourced through the National Coronial Information System (NCIS), media and internal SLS systems. Currently, all cases included remain open in the NCIS and, as such, should be considered interim and subject to change once confirmed through both internal and the coronial investigations and validation processes.

Coastal drowning death: where the location of the drowning is on the coast, in the ocean up to 3NM offshore or inland up to five times the width of the inlet/river.

Ocean drowning death: where the location of the drowning is in the ocean between 3NM and 12NM (the Australian territorial water limit).

SLSWA collects and analyses coastal drowning data to identify trends and support evidence-based decision-making for drowning prevention efforts. Data is collected through media monitors and confirmed through the National Coronial Information System (NCIS).

The figure of 27 is higher than the previous year, and while we continue to work toward a goal of zero preventable drowning deaths on the WA coast, we recognise that this figure would be significantly higher were it not for the rescues performed by our lifesaving services.

# MARKETING & **EVENTS**

#### Marketing

Surf Life Saving WA continues to focus on marketing activities underpinned by our mission of saving lives and building great communities, and ensuring the iconic and highly respected Surf Life Saving brand remains central in all that we do.

This summer, we participated in the national safety campaign starring Australian actor Angus Sampson. Launched in November, the STOP. LOOK. STAY ALIVE campaign was rolled out nationally across TV, print, online, and outdoor advertising mediums.

With a primary target audience of men, who continue to be overrepresented in coastal drowning deaths, the campaign aimed to encourage beachgoers to make safety a priority when going to the beach, highlighting the surf life saving services and resources available to help keep them safe.

The campaign also partnered with new national partner Qantas to unveil the Beach Passport, a free, online beach safety educational tool. Available in both adult and child versions and multiple languages, the Passport was designed to equip every beachgoer with basic beach safety knowledge. Qantas also offered everyone who completed the Beach Passport 150 Qantas Points, along with the opportunity to go in the draw for 1 million points.

Nationally, West Australians accounted for 12% of the Beach Passport completions.

We also continue to invest in marketing activities to support club membership, specifically with a focus on our Woodside Nippers program. This season, we again delivered a multichannel marketing campaign utilising print, social, digital and out-of-home advertising mediums to support club recruitment efforts. Clubs were also provided with a range of digital resources to leverage this activity across their own channels and activities.

Thanks to our partnerships with Woodside Energy and Westpac, we were also afforded exciting opportunities to feature in their campaigns over summer, providing some exceptional brand visibility during this peak summer period, helping the surf life saving and beach safety message to remain top of mind for West Australian beachgoers.

#### **Digital & Social Media**

As we seek to engage with our members, partners, and stakeholders, both digital and social media play a key role in our strategy for communicating beach safety messaging, celebrating the achievements of our members and clubs, highlighting the contributions of our partners and stakeholders, and keeping the membership engaged and abreast of activities across the state.

This year, we experienced positive growth and engagement across our social media platforms, including a 7% increase in Facebook followers, nearly 14% on Instagram, 14.5% on LinkedIn, and 17.5% on YouTube.

Our X account continues to play a key role in delivering upto-date and timely beach safety messages, including shark sightings and beach closures, helping people make betterinformed decisions regarding beach use, and it continues to play an integral role in the state government's Shark Mitigation Strategy.

We also communicate year-round with our clubs, members and stakeholders via our fortnightly My Beach eNewsletter, distributed to over 23,500 email addresses, and our weekly Club News to club committees and administrators.

#### **Media & Public Relations**

We have had another successful year in the media, achieving exceptional coverage as we've continued to take a proactive and targeted approach to sharing stories highlighting the activities and achievements of our members and services across all four pillars of the organisation.

With the weekly updating and release of national and state lifesaving and drowning statistics across the summer period, we were able to deliver timely media updates, helping keep beach safety messaging at the forefront of beachgoers' minds.

This approach also enabled us to capitalise on the activities of our lifesaving services, highlighting the critical role they play in keeping West Australian beachgoers safe.

We also achieved excellent coverage of the achievements of our members across a breadth of areas, through our Nipper & Youth Awards, Awards of Excellence, and the accomplishments of athletes in the surf sports arena.

#### **Surf Life Saving Foundation**

In July 2024, Surf Life Saving WA (SLSWA) proudly rejoined Surf Life Saving Australia (SLSA)'s national fundraising programs, marking a significant shift back to nationally integrated fundraising. This decision followed an 18-month collaborative journey with SLSA, ensuring alignment with best-practice fundraising standards and providing a guaranteed financial distribution for the term of the fundraising agreement. The move reflects SLSA's transformation into a national leader in fundraising excellence and offers SLSWA increased scale, reduced risk, and greater reach, benefiting both WA surf life saving clubs (SLSCs) and local supporters.

Since the transition, SLSA has maintained a strong focus on community engagement, ensuring fundraising activity continues under SLSWA branding and speaks directly to local supporters.

WA donors were thoughtfully transitioned to the national Guardians of the Surf regular giving program, and many received a dedicated supporter tier in recognition of their contributions. State-specific content was a hallmark of two successful campaigns - the Seasonal and Tax Appeal campaigns. The SLSWA Autumn Newsletter, delivered as part of a personalised supporter journey, celebrated the impact of volunteer surf lifesavers across WA and reinforced the vital role community contributions play in keeping WA beaches safer.

As part of the new national fundraising arrangement, SLSWA now also benefits from the expertise of SLSA's Grant Seeking Unit (GSU), a dedicated national service that helps SLSCs access vital grassroots funding. The GSU offers a suite of services to the clubs, including grant writing, proofreading, acquittal support, and funding opportunity research, completely free of charge. To date, 13 of SLSWA's 31 clubs have received tailored support, resulting in successful funding for a wide range of initiatives that have strengthened club capacity.

## Surf Life Saving WA

## NIPPER & YOUTH AWARDS

## 2025 WINNERS

#### Nipper of the Year

George Cowan - City of Bunbury SLSC

#### Youth of the Year

#### Youth Official of the Year

Florence Shaw - City of Perth SLSC

#### U14/U15 Lifesaver of the Year

Brady Fulcher - Quinns Mindarie SLSC

#### Nipper Athlete of the Year

Edward Wallis - North Cottesloe SLSC

#### U14/U15 Athlete of the Year

Oliver Browne - Trigg Island SLSC

Now in their sixth year, the 2025 Nipper & Youth Awards presented by the Scottish Masonic Charitable Foundation of WA (SMCFWA) were held on Saturday, 17 May, where more than 120 outstanding young members were recognised for their achievements across areas, including lifesaving, surf sports competition, and volunteering.

Over 300 guests, including SLSWA Chief Patron, the Honourable Chris Dawson AC APM, Governor of Western Australia, presenting partner Chairman George Rogers, and recipients' families and friends, gathered at Woodside's Cara Auditorium to celebrate.

Twenty-three outstanding individuals were also recognised for attaining Gold Level in SLSWA's Youth Leaders' Program, which required them to have accumulated more than 230 volunteer hours as a youth member, demonstrating outstanding commitment and dedication across multiple seasons.

Congratulations to all recipients, finalists, and winners who are outstanding young ambassadors for their clubs, showcasing the bright future Surf Life Saving has in WA.

#### 2024 Surf Life Saving Australia **Awards of Excellence**

On Saturday, 9 November 2024, members from across the country gathered in Sydney to celebrate achievements from around the nation and to recognise the dedication, commitment, and successes of the past season.

SLSWA extends its congratulations to all WA representatives who attended, particularly to Coogee Beach's Lachlan Olive, who was named 2024 Youth Surf Lifesaver of the Year, and Trigg Island's Andrew Mosel, who took home Coach of the Year.

#### **Life & Sporting Hall of Fame Member Dinner**

Over the weekend of the Fuel to Go & Play WA Surf Life Saving Championships, it was excellent to host our Life and WA Sporting Hall of Fame Member Dinner. This year at Scarboro Surf Life Saving Club, over 70 of our esteemed members gathered together.

The dinner continues to create a wonderful opportunity for the stalwarts of Surf Life Saving in WA to catch up, reminisce and hear about the activities and achievements of the organisation over the past year.

## 2025 WINNERS

Joined by Chief Patron, the Honourable Chris Dawson AC APM, Governor of Western Australia, more than 450 attendees representing WA's 31 surf life saving clubs, and corporate and government partners, celebrated the past season and member achievements at our 2025 Awards of Excellence.

Kicking the evening off, Secret Harbour's Garry Williams was awarded the President's Medal for his extensive contributions to powercraft operations at a state and national level.

Taking out the coveted Lavan Club of the Year title, including a cheque for \$10,000, Sorrento Surf Life Saving Club had a year of success across all areas of Surf Life Saving, with the awards selection committee highlighting their commitment to building a thriving club culture.

Among the individual award recipients on the evening was Coogee Beach Surf Life Saving Club's Patrick Rivers, named Surf Lifesaver of the Year, and City of Perth member Grant Trew, who was named Volunteer of the Year.

City of Bunbury continued to prove that they're a dominating force across surf sports, with James Duncan named Coach of the Year, and Anna Lockley taking home Young Athlete of the Year. Their commitment to the club's Nipper program didn't go unnoticed either, as they took out Woodside Nippers Club of the Year.

Congratulations to all the finalists and medallists on the evening, and thank you to the dedicated committees and judges who worked hard to assess each nomination.

## PRESIDENT'S MEDAL

# **PARTNERSHIPS**

The dedication of SLSWA members is matched only by that of our extraordinary partners, whose collective commitment and passion for Surf Life Saving in WA enables us to focus on what we do best - saving lives. We thank them for their continued and valued support.

## **MAJOR NATIONAL PARTNERS**

## DHL

As a Major National Partner of Surf Life Saving Australia, DHL has been helping surf lifesavers deliver safer beaches since 2003. DHL is the global market leader in the logistics and transportation industry and shares many core values with Surf Life Saving Australia, including speed, passion and a can-do attitude.

## Isuzu Ute Australia

Isuzu UTE Australia, home to the award-winning Isuzu D-MAX Ute and 7-seat MU-X SUV, is taking their safety-centric approach to a whole new level, as a Major National Partner and the Official Automotive Supplier of Surf Life Saving Australia.

At the heart of every Isuzu vehicle lies over 100 years of automotive experience and the tried and tested tough truck DNA—making them the pragmatic choice for SLSA with its proven reputation for durability and reliability. Providing our lifesavers across the country with a fleet of D-MAX and MU-X's, Isuzu UTE Australia is proud to support Surf Life Saving's mission and commitment to keeping our beaches safe.

## **Qantas**

Qantas, Australia's national carrier, is proud to be embarking on a monumental new partnership with Surf Life Saving Australia to promote water safety and support their mission to achieve zero preventable deaths in Australian waters.

At the heart of the partnership is a new online training tool called the Beach Passport. Launching in time for the peak summer holiday period, Beach Passport provides the public with basic water safety knowledge and is free and available to every Australian citizen and visitor.

## Westpac

Westpac has been a proud partner of Surf Life Saving Australia (SLSA) for over 50 years, since the inception of the Westpac Lifesaver Rescue Helicopter Service (WLRHS) in 1973. It is one of the longest corporate community partnerships in Australia.

Over 300 rescue professionals and volunteers make up the national operation, which includes WA's two helicopters, operating out of North Fremantle and Busselton. During summer, the service covers over 84% of the Australian population. To date, it has performed more than 100,000 missions across Australia, with no one ever having to pay to be rescued.

## STATE PARTNERS

## **MAJOR PARTNERS**

## Healthway

Healthway is a long-standing supporter of SLSWA. After many years of sharing the SunSmart message through our summer surf sports season, this year saw a change to the healthy eating message of Fuel to Go & Play. This change presents exciting new opportunities to share this important health message across our surf sports events, including the Fuel to Go & Play WA Surf Life Saving Championships and the Fuel to Go & Play WA Surf League, as well as to the broader surf life saving community.

## **Woodside Energy**

Woodside Energy continues to be a strong supporter of our organisation, providing essential safety equipment for our lifesavers and supporting the development and enhancement of our Woodside Nippers Program. In 2024, this support extended to include the Woodside Jet Ski program, helping to maintain the readiness and effectiveness of rescue operations along our coastline.

## **GOVERNMENT OF WESTERN AUSTRALIA**

SLSWA receives significant support from the WA Government by way of service agreements and grants through the Departments of Premier and Cabinet, Creative Industries, Tourism and Sport, Primary Industries and Regional Development, and Fire and Emergency Services, which assists in the delivery of a range of services and capital equipment projects.

Lotterywest also provides invaluable support to SLSWA and many of WA's surf life saving clubs, assisting with grants for vital infrastructure and equipment needs.

## **COMMUNITY PARTNERS**

## **Scottish Masonic Charitable Foundation of WA**

The Scottish Masonic Charitable Foundation has long supported our youth members through their generous support of our highly popular Rise Up and TOAD summer camps, our Youth Program and as presenting partners of our annual Nipper & Youth Awards.

## **Stockland**

In November 2024, Stockland announced its acquisition of several Lendlease communities across Australia, including Alkimos Beach and Alkimos Vista, with a commitment to continue its support for the delivery of our BeachSAFE programs in the Alkimos community for the 2025/26 season. We look forward to continuing to build on this successful program with them in the years to come.

## SUPPORTING PARTNERS

## **Engine**

SLSWA is proud to have Engine as the official apparel partner of our Western Suns state representative teams and our preferred supplier of swimwear and apparel.

## Lavan

Thanks to Lavan, who continues to generously support our annual SLSWA Awards of Excellence through their sponsorship of the Lavan Club of the Year category.

SECTION 02 RECORDS & RESULTS

## **BOARD OF DIRECTORS**

## Heidi Gan OLY - President

Appointed to the SLSWA Board in September 2017 and elected President in September 2023, Heidi is a recognised leader, experienced commercial lawyer, and business development professional. She has over 10 years' experience in corporate law and disputes working in top-tier law firms in Perth and Sydney, and in-house roles. She is experienced in corporate governance, contract negotiation, dispute resolution, and risk management.

Heidi is currently a Principal in the BHP Global Business
Development team. She was previously Senior Legal Counsel and
Assistant Company Secretary at Lynas Rare Earths Limited, and
an Associate with global law firm Clifford Chance. Heidi also has
extensive experience in the not-for-profit sector. She is currently
a tribunal panel member of Football West, and a Community
Representative Member of the Australian Bravery Decorations
Council (an advisory council to the Governor General).

Heidi is a two-time Olympian in the sport of open water swimming. She has competed at the world championships in both surf lifesaving and swimming, and is a multiple medallist at both the State and National Surf Lifesaving Championships. Heidi is a member of the City of Perth SLSC and has been an active patrolling surf lifesaver since 2005.

## Dr Leesa Equid

Appointed to the SLSWA Board in June 2019, Leesa is SLSWA's Honorary Medical Officer and SLSWA's representative on the Australian Resuscitation Council WA Branch. Leesa was the 2015 SLSWA DHL Lifesaver of the Year, sat on the SLSWA Lifesaving Advisory Committee from 2015-2016, and was a mentor in the first cohort of the SLSA Women's Mentoring Program in 2020-2021. Leesa has been a member of the SLSA National Medical Advisory group since 2023. As an active member of Swanbourne Nedlands SLSC since 2009, Leesa has continued to hold multiple officer positions at her club within the Lifesaving, Education and Competition portfolios and competes at Club, State and National level, achieving numerous podium positions across each level.

Leesa is an Emergency Doctor working at Fiona Stanley
Hospital and Joondalup Hospital Emergency Departments as
an Emergency Specialist, with additional work at the Western
Australian Country Health Acute Patient Transport Service team
coordinating retrievals throughout WA. Leesa completed her
Bachelor's Degree in Medicine and Surgery (HONS) in 2012 at
the University of Western Australia, completed her Fellowship
in Emergency Medicine in 2020 (FACEM – Australasian College
of Emergency Medicine), and holds a Certificate IV in Training
and Assessment; Certificate of Clinician Performed Ultrasound
(CCPU) AAA/eFAST/FELS (Australasian Society of Ultrasound
in Medicine) and is working towards completing her Diploma of
Diagnostic Ultrasound – Emergency (DDU).

### Michael Shaw

Appointed to the SLSWA Board in September 2022, Mike was the 2022 SLSWA Assessor of the Year, 2019 SLSWA Volunteer of the Year and 2019 Trainer of the Year. Mike has been the Chair of the SLSWA Education Advisory Committee since 2016, and has been an active patrolling surf lifesaver since 2011 after gaining his bronze medallion at Fremantle SLSC. Mike was President of Fremantle SLSC from 2013 to 2017 and has been the Club's Education Manager since 2019. He is an active trainer of Bronze Medallion, Advance Resuscitation and First Aid, and conducts commercial training in Surf Rescue Certificate and First Aid for a number of schools.

Mike gained his Bachelor of Chemical Engineering (Honours) in 1980 from Sydney University and was employed in the oil and gas industry, working in Australia and overseas for 27 years for majors Exxon and Woodside before becoming an industry consultant in petroleum engineering for the next 10 years. Mike retired from paid work in 2017 to focus his efforts on member training in surf lifesaving. He gained his Certificate IV in Training and Assessment in 2016.

## **Jack Dowie**

Appointed to the SLSWA Board in September 2023. Jack is Senior Project Manager primarily within the Western Australian resources sector. His skills as an effective leader, manager, facilitator, and a proactive communicator, complement the responsibility as a Board member as well as an approachable peer club member.

Joining the surf lifesaving community in 2006 as a Nipper parent, Jack progressed to Board level at Fremantle SLSC in 2010, including the role as President from 2019 to 2023. Jack, who continues to actively patrol and compete for his club, was recognised as a Life Member in 2025.

## **Richard Elderfield**

Appointed to the SLSWA Board in September 2023, Richard has been an active surf lifesaving volunteer since 2009. In this time he has earned a reputation as a versatile and skilled leader; developing qualifications and experience across the full spectrum of surf lifesaving activities. As an active trainer, assessor, member of the Emergency Response Team, ski coach and surf sports competitor, Richard has a strong understanding of the rich diversity within the movement and is committed to continuing to provide the community with contemporary, effective and sustainable surf lifesaving services.

Richard and his family are members of Sorrento SLSC. Together with his daughters, he represents the club in State and Aussies competition as a surf ski paddler, developing board paddler, and more occasionally and less competently as beach competitor.

Beyond surf lifesaving, Richard has considerable senior leadership experience delivering operational services and technology solutions in large and complex organisations. Following more than 16 years' as an Australian Army Officer, he went on to lead commercial businesses servicing the resources, government, commercial and construction sectors with mission-critical telecommunications capabilities. More recently he has served as a senior executive in the Western Australian State Government and currently delivers technology projects in the utilities sector.

## Vicki Rassmussen

Appointed to the SLSWA Board in September 2023, Vicki's passion for surf lifesaving is a testament to her commitment, particularly to community service, and developing our youth members and pathways within surf lifesaving.

Since 2010, Vicki has been a member of the Mullaloo SLSC, joining the club to support her children. However, her dedication quickly became apparent, and she assumed the role of Club Director from 2012 to 2019. During her tenure, Vicki played a pivotal role in shaping the club's success.

From 2017 to 2021, Vicki served as the Chair of the SLSWA's Development Committee. Her leadership in this role facilitated the implementation of many member development initiatives, ensuring the continued growth and sustainability for members and the movement.

Her enthusiasm for surf sports knows no bounds. As a qualified Senior Official, she contributes her expertise across all aspects of surf sports.

Beyond her surf lifesaving roles, Vicki is a leading not-for-profit CEO and a skilled fundraising professional. Her dedication to fundraising earned her the prestigious Arthur Venn Fundraiser of the Year award from the Fundraising Institute Australia in 2018.

## **Jarod Stone**

Appointed to the SLSWA Board in July 2024 to September 2025 as a Casual Vacancy. Jarod is a Chartered Accountant who has worked in the accounting and finance industry for more than two decades. Jarod has previously worked with Ernst & Young, Gooding Partners Chartered Accountants and spent time working in the UK and Europe.

Since returning to Perth in 2004 he worked in private family offices for nine years and was most recently Financial Controller at Wabtec Control Systems. Over that time, he has gained experience across industries such as television and film production, aviation, domestic and international property, commercial aquaculture, construction, corporate healthcare, finance, rail communications and labour hire. Jarod is currently the Chief Operating Officer at Hoppr Ltd, a startup specialising in ad placement technology, a Director and Shareholder of Clear Corporate Solutions, an outsourcing company focused on finance and administrative placements and is a Director of the Azure Capital Foundation.

## Sarah Leonard - Resigned July 2024

Appointed to the SLSWA Board in October 2014. Sarah is the General Counsel and Company Secretary of Lynas Rare Earths Limited. She is an experienced general counsel and a leading resources and infrastructure lawyer. She was previously the Group Legal Counsel at Monadelphous Group Limited and a Partner of Corrs Chambers Westgarth.

Sarah is experienced in governance, contract negotiation and risk management. Sarah was formerly the Education Officer at City of Perth SLSC and was a participant in the SLSA National Leadership Development Program.

## **CORPORATE GOVERNANCE**

Surf Life Saving Western Australia Inc. (SLSWA) is an incorporated body under the Associations Incorporation Act 2015 (WA) and is recognised as the official 'State Centre' and controlling authority for Surf Life Saving in Western Australia. SLSWA is subject to compliance with the Rules and Regulations of Surf Life Saving Australia Ltd (SLSA) and is recognised for administering and focusing on surf lifesaving in Western Australia (WA). This statement summarises SLSWA's governance practices that were in effect during the year, highlighting decisions and reporting in accordance within the Rules and Regulations of SLSWA.

## **Communications with Members**

The SLSWA Board aims to ensure that members are kept informed of all major developments affecting surf lifesaving. Information is communicated to members through this document (SLSWA's Annual Report), bulletins, circulars, minutes and memorandums with respect to changes in business, financial position, future development, results and activities, and quarterly State Council meetings and member advisory board meetings. Electronic information is also available on the SLSWA website: www.mybeach.com.au

## **General Meetings of Members (State Council)**

The State Council is the legal owner of SLSWA. Its role is to amend the SLSWA Constitution, review and elect the Board, review SLSWA's financial position and approve the strategic outcomes presented by the Board.

The State Council comprises the Chairman (President of the Board), Ms Heidi Gan OLY and a Club Delegate from each of the affiliated clubs in WA each with the right to vote at general meetings. The Chairman may exercise a casting vote but no deliberative vote. SLSWA Life Members, Board Members, and the Chief Executive Officer have the right to be present and to debate at general meetings, but not to vote. SLSWA full-time and honorary officers and individual members were allowed to attend general meetings as visitors. In addition to the AGM on 7 September 2024, the Board under Part 21, Para 21.1 of the SLSWA Constitution, convened two State Council meetings held on 15 June 2024 and 7 September 2024.

## **Board of Director's Composition and Meetings**

The Board is responsible to members for overall business performance. It enacts SLSWA's strategic direction and priorities to be both appropriate and achievable; ensures the financial viability and security of SLSWA; established the policy and regulatory framework for governing SLSWA; monitors organisational compliance with relevant legislation and regulations; assesses risks facing the organisation; and appoints committees and honorary officers to carry out aspects of their work.

The Board comprised the Chairman and seven Board Members who are individual members of SLSWA, each with the right to one vote on any question. The Chairman has a casting vote but no deliberative vote. These are honorary positions that attract no remuneration except for reimbursement of expenses such as telephone, travel and accommodation costs incurred whilst performing Board activities. Board Members are elected in accordance with Part 25, Para 25(a) of the SLSWA Constitution.

Name	Meetings Held	Meetings Attended	Expires
Heidi Gan OLY	7	7	2027
Leesa Equid	7	7	2027
Michael Shaw	7	7	2025
Jack Dowie	7	7	2026
Richard Elderfield	7	7	2026
Vicki Rasmussen	7	6	2026
Jarod Stone	7	5	Appointed July 2024
Sarah Leonard	7	1	Resigned July 2024
James O'Toole	7	7	Appointed February 2015

## **Conflict of Interest**

Each Board Member declared their interest in any contractual, selection, disciplinary or other matter in which a conflict of interest arose and made absent him/her from discussions of such matters and was not entitled to vote in respect of such matter. In the event of any uncertainty as to whether it was necessary for a Board Member to refrain from discussions or voting, the issue was immediately determined by the Board.

## **Code of Conduct**

The Board has in place a Code of Conduct contained in its Personnel Handbook which all full-time and honorary officers and committee members must adhere to. An induction program, including the provision of the handbook and member brochure was made available to all SLSWA personnel.

## **Chief Executive Officer**

SLSWA's most senior employee, the Chief Executive Officer is appointed by the Board and is subject to annual performance reviews by the Board. The role is responsible for the day-to-day operations of SLSWA. Mr. James O'Toole was appointed to this position, officially commencing on 18 February 2015.

## **Committees of the Board**

Committees and member advisory boards are constituted by Part 33 of the SLSWA Constitution to assist the Board in the discharge of its responsibilities. The committees and member advisory boards are for held for one-year term, this term being 2024/2025. The Australian Honours and Awards Committee Chair appointment is held for two-year term, this being 2024/2025, 2025/2026.

## **Australian Honours and Awards Committee**

The Life Members and Awards Committee recommends to the Board nominations of individual members for SLSWA Life Membership, SLSA Life Membership, appropriate levels of Australian Honours and Awards. The committee comprised Timothy Tucak (Chair), Bronwyn Meldrum, Garry Williams, Stephen Carrick, Tracey Tenaglia and David Somers (Nominee of the SLSWA CEO).

## **Lifesaving Committee**

The Lifesaving Committee develops, monitors and reviews standards, policy and procedures relating to water safety, patrols, training and assessment. The committee comprised Liam Burke (Chair), Garry Bunford, Mitchell Shackles, Pia Claudius, Richard Lissett, Scott Anderson and Domenic Cowdell (Nominee of the SLSWA CEO).

## **Sports Committee**

The Surf Sports Advisory Committee selects finalists and winners for Awards of Excellence categories and makes recommendations through the CEO to the Board of Directors regarding the direction of surf sports in WA. The committee comprised Amanda Hunt (Chair), Aaron Bell, Glenn Eldon, Justin Meldrum, Nikita Fredonnet and David Somers (Nominee of the SLSWA CEO).

## **Development Committee**

The Development Advisory Committee recommends initiatives to provide leadership opportunities and pathways to all members and clubs in WA and is involved in establishing good practice models for the development of our junior members. The committee comprised Elise Stallard (Chair), Dawn Jones, Isak Geddis, James Currey and David Somers (Nominee of the SLSWA CEO).

## **Education and Training Committee**

The Education and Training Advisory Committee has been tasked to review education and training programs, policies and activities together with undertaking research and development as required. The committee is to participate in moderation and validation of resources and engage in the delivery of the strategic direction of Member Education of SLSWA. The committee comprised Shelly Rourke (Chair), Aaron McRae, Jacqueline McGregor, Kate Burke, Meagan Tong and Domenic Cowdell (Nominee of the SLSWA CEO).

## **Hall of Fame Committee**

The Hall of Fame Committee recommends to the Board nominations of individual members for SLSWA Hall of Fame Award. The committee comprised Heidi Gan OLY (SLSWA Board), Dean Belmont and David Somers (Nominee of the SLSWA CEO).

## **Finance and Audit Committee**

The Finance and Audit Committee oversee the reliability and integrity of accounting policies and financial reporting. The committee comprised Jarod Stone (Chair), Vicki Rasmussen, James O'Toole, Rob Murphy and Andrew Mawby.

## **Youth Committee**

SLSWA Board introduced a Youth Committee comprising of U17 members. The Youth Committee were set objectives by the Development Committee. The 2024/25 Youth Committee comprised of Jack Brohman, Owen Chaloner, Charlie Czaplinska, Indiah Reidy, Florence Shaw and Maddison Walker (Nominee of the SLSWA CEO).

## **SURF SPORTS RESULTS** YOUTH/OPEN

2025 Fuel to Go & Play WA Surf Life
Saving Championships - Youth/Open
(Includes: Rescue, Lifesaving & First Aid Championshir

### WA Champion Club - Total Aggregate Points Sorrento SLSC

Awarded to the club with the highest total point score.

## WA Handicap Winner

Sorrento SLSC

Awarded to the club with the highest total point score overall, based on handicap derived from the previous WA Championships overall point score.

## WA Champion Youth Club - Total Aggregate Points

Sorrento SLSC
Awarded to the club with the highest total point score from the youth age groups.

## Bernie Kelly Medal

Patrick Eley, Sorrento SLSC

The Bernie Kelly Medal is awarded for the most outstanding performance by an Open competitor at the WA Surf Life Saving Championships.

In 1947, Bernie Kelly of Swanbourne Nedlands SLSC won the Open Surf Belt at the Australian Championships, becoming the first Western Australian to ever win an Australian Open Title, and therefore is honoured with the naming of this prestigious award.

## Overall Club Rank & Points

## **DIRECTORS' REPORT**

The Directors submit the financial report of Surf Life Saving Western Australia Inc. ("the Association") for the year ended 30 April 2025.

## **Board of Directors**

The names of Directors throughout the year and at the date of this report are:

James O'Toole (CEO)

Heidi Gan OLY (President - Chair)

Leesa Equid (Director)
Mike Shaw (Director)
Vicki Rasmussen (Director)
Jack Dowie (Director)
Richard Elderfield (Director)

Jarod Stone (Director) Commenced July 2024
Sarah Leonard (Director) Concluded July 2024

## **Principal Activities**

The principal activities of the Association during the financial year were:

 The provision of life saving and emergency services, recreation, sport and youth development throughout Western Australia.

The operating activities of Surf Life Saving Western Australia Inc. reported a surplus of \$574,177 (2024 \$603,579).

The surplus will continue to provide support across several areas of the movement. These include:

- 1. Maintaining and improving key assets such as IT infrastructure and the ERCN network;
- 2. Expediting the rollout of various equipment, and providing for maintenance and replacement;
- 3. Assistance with the development of new programs to provide long term benefit to clubs and their members, in particular Nippers, Youth and Surf Sport development;
- 4. Assisting the Association to deploy more services in growth areas, and to assist clubs with their expanding role/s in the delivery of frontline services;
- 5. Allowing increased focus outside the metropolitan area through the delivery of initiatives aligned to lifesaving, surf sport, nippers & youth and training & education.

Signed in accordance with a resolution of the Board of Directors.

Heidi Gan OLY President

James O'Toole Chief Executive Officer

Dated this 26th day of August 2025

Cash at the end of the financial year		11,125,008	9,502,514

The accompanying notes form part of these financial statements.

## **NOTES TO THE FINANCIAL STATEMENTS**

## For the year ended 30 April 2025

## Note 1: Material accounting policy information

The accounting policies that are material to the company are set out below. The accounting policies adopted are consistent with those of the previous financial year, unless otherwise stated.

## New, revised or amending Accounting Standards and Interpretations adopted

The Association has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new, revised or amending Accounting Standards or Interpretations that are not yet mandatory have not been early adopted. The incorporated association's assessment of the impact of these new or amended Accounting Standards and Interpretations, most relevant to the incorporated association, are set out below.

AASB 18 Presentation and Disclosure in Financial Statements

This standard is applicable to annual reporting periods beginning on or after 1 January 2027 and early adoption is permitted. The standard replaces IAS 1 'Presentation of Financial Statements,' with many of the original disclosure requirements retained and there will be no impact on the recognition and measurement of items in the financial statements. But the standard will affect presentation and disclosure in the financial statements, including introducing five categories in the statement of profit or loss and other comprehensive income: operating, investing, financing, income taxes and discontinued operations. The standard introduces two mandatory sub-totals in the statement: 'Operating profit' and 'Profit before financing and income taxes.' There are also new disclosure requirements for 'management-defined performance measures,' such as earnings before interest, taxes, depreciation and amortisation ('EBITDA') or 'adjusted profit'. The standard provides enhanced guidance on grouping of information (aggregation and disaggregation), including whether to present this information in the primary financial statements or in the notes. The incorporated association will adopt this standard from 1 January 2027 and it is expected that there will be a significant change to the layout of the statement of profit or loss and other comprehensive income.

The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the preparation of the Association's annual financial statements for the previous reporting period.

## **Basis of preparation**

This financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards (including Australian Accounting Interpretations), other authoritative pronouncements of the Australian Accounting Standards Board, the requirements of the Australian Charities and Not-for-Profits Commission Act 2012 and the Associations Incorporation Act 2015.

The financial report covers Surf Life Saving Western Australia Inc. as an individual entity. Surf Life Saving Western Australia Inc. is an Association incorporated in Western Australia under the Associations Incorporation Act 2015.

The financial report of Surf Life Saving Western Australia Inc. as an individual entity complies with all Australian equivalents to International Financial Reporting Standards (AIFRS) in their entirety. Compliance with AIFRS ensures compliance with International Financial Reporting Standards.

The following is a summary of the material accounting policies adopted by the Association in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

The accounting policies set out below have been consistently applied to all years presented.

## Reporting Basis and Conventions

The financial report has been prepared on an accrual basis and is based on historical costs modified by the revaluation of selected non-current assets, financial assets and financial liabilities for which the fair value basis of accounting has been applied. The amounts presented in the financial report are present in Australian dollars and have been rounded to the nearest dollar.

## **Accounting Policies**

## (a) Income Tax

The Association has obtained tax-exempt status under current Australian Taxation legislation

## (b) Current and non-current classification

Assets and liabilities are presented in the statement of financial position based on current and non-current classification.

An asset is classified as current when: it is either expected to be realised or intended to be sold or consumed in the Association's normal operating cycle; it is held primarily for the purpose of trading; it is expected to be realised within 12 months after the reporting period; or the asset is cash and cash equivalent unless restricted from being exchanged or used to settle a liability for at least 12 months after the reporting period. All other assets are classified as non-current.

A liability is classified as current when: it is either expected to be settled in the Association's normal operating cycle; it is held primarily for the purpose of trading; it is due to be settled within 12 months after the reporting period; or there is no unconditional right to defer the settlement of the liability for at least 12 months after the reporting period. All other liabilities are classified as non-current.

## (c) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

## Property

Freehold land and buildings are recorded at their fair value (being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction), based on periodic, but at least triennial valuations by external independent valuers. During the intervening periods, the fair values are determined on the basis of a directors' valuation.

If the carrying amount of a class of assets is increased as a result of a revaluation, the net revaluation increase is credited to a revaluation reserve in equity. However, the net revaluation increase is recognised in the profit or loss to the extent that it reverses a net revaluation decrease of the same class of assets previously recognised in the profit or loss.

If the carrying amount of a class of assets has decreased as a result of a revaluation, the net revaluation is recognised in the profit or loss. However, the net revaluation decrease is debited to the revaluation reserve in equity to the extent of any credit balance existing in any revaluation surplus in respect of that same class of asset. The net revaluation decrease recognised in the revaluation reserve reduces the amount accumulated in equity.

## Plant and Equipment

Plant and equipment is measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by Directors to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to present values in determining recoverable amounts.

## Depreciation

The depreciable amount of plant and equipment along with the motor vehicles and building fit outs are depreciated on a diminishing value basis or straight-line basis over their useful life from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets (excluding land and buildings) are:

Class of Fixed Asset	Depreciation Rate		
Office equipment	13.33% to 40%		
Coastal Safety equipment	25% to 100%		
Surf education equipment	30% to 67%		
Competition equipment	20% to 67%		
Motor vehicles	25%		
Fixtures and Fittings	3% to 13%		

Assets residual values and useful lives are reviewed and adjusted, if appropriate, at each balance date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income.

## (d) Impairment of Assets

At each reporting date, the Association reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the assets fair value less costs to sell and value-in-use, is compared to the assets carrying value. Any excess of the assets carrying value over its recoverable amount is expensed to the statement of comprehensive income.

Where it is not possible to estimate the recoverable amount of an individual asset, the Association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

## (e) Fair Value Measurement

When an asset or liability, financial or non-financial, is measured at fair value for recognition or disclosure purposes, the fair value is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date; and assumes that the transaction will take place either: in the principal market; or in the absence of a principal market, in the most advantageous market.

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming they act in their economic best interest. For non-financial assets, the fair value measurement is based on its highest and best use. Valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, are used, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

## (f) Employee Benefits

Provision is made in respect of the Association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

## (g) Revenue recognition

The Association recognises revenue as follows:

### Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the association is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the association: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative stand-alone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

## Grants/ Sponsorship

Grant revenue is recognised in profit or loss when the Association satisfies the performance obligations stated within the funding agreements. If performance obligations are not sufficiently specific and enforceable, the Association recognises this revenue, at a point in time, which is generally on receipt.

## **Donations**

Revenue from donations is recognised upon receipt of the funds.

## Interest

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

## Volunteer services

The Association has elected not to recognise volunteer services as either revenue or other forms of contributions received. As such, any related consumption or capitalisation of such resources received is also not recognised.

All revenue is stated net of the amount of goods and services tax (GST).

## (h) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

## (j) Financial assets

## Initial recognition

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Association's financial liabilities include trade and other payables and accruals.

### Subsequent measurement

Trade and Other payables, Accruals

After initial recognition, trade and other payables and accruals are subsequently measured at amortised cost. Gains and losses are recognised in the statement of profit or loss and other comprehensive income when the liabilities are derecognised.

## Derecognition

A financial liability is derecognised when the associated obligation is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss and other comprehensive income.

## (j) Right of Use Assets

A right-of-use asset is recognised at the commencement date of a lease. The right-of-use asset is measured at cost, which comprises the initial amount of the lease liability, adjusted for, as applicable, any lease payments made at or before the commencement date net of any lease incentives received, any initial direct costs incurred, and, except where included in the cost of inventories, an estimate of costs expected to be incurred for dismantling and removing the underlying asset, and restoring the site or asset.

Right-of-use assets are depreciated on a straight-line basis over the unexpired period of the lease or the estimated useful life of the asset, whichever is the shorter. Where the Association expects to obtain ownership of the leased asset at the end of the lease term, the depreciation is over its estimated useful life. Right-of use assets are subject to impairment or adjusted for any remeasurement of lease liabilities.

The Association has elected not to recognise a right-of-use asset and corresponding lease liability for short-term leases with terms of 12 months or less and leases of low-value assets. Lease payments on these assets are expensed to profit or loss as incurred.

## (k) Lease Liabilities

A lease liability is recognised at the commencement date of a lease. The lease liability is initially recognised at the present value of the lease payments to be made over the term of the lease, discounted using the interest rate implicit in the lease or, if that rate cannot be readily determined, the Association's incremental borrowing rate. Lease payments comprise of fixed payments less any lease incentives receivable, variable lease payments that depend on an index or a rate, amounts expected to be paid under residual value guarantees, exercise price of a purchase option when the exercise of the option is reasonably certain to occur, and any anticipated termination penalties. The variable lease payments that do not depend on an index or a rate are expensed in the period in which they are incurred.

Lease liabilities are measured at amortised cost using the effective interest method. The carrying amounts are remeasured if there is a change in the following: future lease payments arising from a change in an index, or a rate used; residual guarantee; lease term; certainty of a purchase option and termination penalties. When a lease liability is remeasured, an adjustment is made to the corresponding right-of use asset, or to profit or loss if the carrying amount of the right-of-use asset is fully written down.

## Note 2: Critical accounting judgements, estimates and assumptions

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts in the financial statements. Management continually evaluates its judgements and estimates in relation to assets, liabilities, contingent liabilities, revenue and expenses. Management bases its judgements, estimates and assumptions on historical experience and on other various factors, including expectations of future events, management believes to be reasonable under the circumstances. The resulting accounting judgements and estimates will seldom equal the related actual results. The judgements, estimates and assumptions that have a material risk of causing a material adjustment to the carrying amounts of assets and liabilities (refer to the respective notes) within the next financial year are discussed below.

## **Revenue Recognition & Timing**

For grant funding received, the determination of whether the grant agreement includes sufficiently specific performance obligations and enforceability, was a significant judgement involving discussions with a number of parties at the Association and consideration of the terms and conditions within the agreement.

Grants received by the Association have been accounted for under both AASB 15 and AASB 1058 depending on the terms and conditions and decisions made. If this determination was changed, then the revenue recognition pattern would be different from that recognised in these financial statements.

## Fair value measurement hierarchy

The Association is required to classify all assets and liabilities, measured at fair value, using a three level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement, being: Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date; Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly; and Level 3: Unobservable inputs for the asset or liability. Considerable judgement is required to determine what is significant to fair value and therefore which category the asset or liability is placed in can be subjective.

The fair value of assets and liabilities classified as level 2 is determined by the use of valuation models. Land and buildings have been valued based on similar assets, location and market conditions.

## Impairment of non-financial assets other than goodwill and other indefinite life intangible assets

The Association assesses impairment of non-financial assets other than goodwill and other indefinite life intangible assets at each reporting date by evaluating conditions specific to the Association and to the particular asset that may lead to impairment. If an impairment trigger exists, the recoverable amount of the asset is determined. This involves fair value less costs of disposal or value-in-use calculations, which incorporate a number of key estimates and assumptions.

## Employee benefits provision

The liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

## Incremental borrowing rate

Where the interest rate implicit in a lease cannot be readily determined, an incremental borrowing rate is estimated to discount future lease payments to measure the present value of the lease liability at the lease commencement date. Such a rate is based on what the Association estimates it would have to pay a third party to borrow the funds necessary to obtain an asset of a similar value to the right-of-use asset, with similar terms, security and economic environment.

## Estimate of Useful Life of PPE

The incorporated association determines the estimated useful lives and related depreciation and amortisation charges for its property, plant and equipment and finite life intangible assets. The useful lives could change significantly as a result of technical innovations or some other event. The depreciation and amortisation charge will increase where the useful lives are less than previously estimated lives, or technically obsolete or non-strategic assets that have been abandoned or sold will be written off or written down.

Note 3: Revenue

Total Property, Plant and Equipment	11,826,335	11,381,285

<sup>(</sup>a) Balance determined to be the fair value of the State Centre Office at 7 Delawney Street, Balcatta, Western Australia and the Margaret River Property at 214-222 Railway Terrace.

The Balcatta property was purchased on 7 May 2012 for \$6,300,000. As at 30 April 2025, the Directors have assessed the fair value of the Land and Building to be \$5,750,000 based on an independent valuation undertaken in June 2025.

The Margaret River property was purchased on 6 April 2020 for \$1,350,000 and had been accounting for at cost until the building came into use. During the year practical completion of the property was achieved, and an independent valuation was performed. The directors have assessed the fair value of land and buildings to be \$5,500,000 based on an independent valuation undertaken in June 2025.

### Note 5: Property, plant and equipment (Cont.)

Opening Balance at 1 May 2024	328,618	234,637	563,255
Net Movement in Provision	4,288	267,929	272,217
Balance at 30 April 2025	332,906	502,566	835,472
		2025 \$	2024 \$
Analysis of Total Provisions			
Current		749,516	474,925
Non-Current		85,956	88,330
		835,472	563,255

Provision for Long Service Leave

A provision has been recognised for employee entitlements relating to long service leave. In calculating the present value of future cash flows in respect of long service leave, the probability of long service leave being taken is based on historical data. The measurement and recognition criteria relating to employee benefits have been included in Note 2 to this report.

#### **Note 8: Reserves**

#### **General Reserve**

The purpose of the reserve is to provide protection against any adverse effects on major revenue streams to ensure that the critical operational aspects of SLSWA can be provided. The reserve was reviewed prior to the end of the financial year and the Board considered that the amount of \$500,000 to be appropriate. This policy is to be reviewed at the end of each financial year.

### Note 9: Right of use asset

	2025 \$	2024 \$
Helicopters		
At Cost (a)	2,932,397	2,932,397

Lotterywest	283,834	80,653
Other	-	(1,994)
	6,286,783	6,297,127

### Note 12: Fair value measurement

The following tables detail the Association's assets and liabilities, measured or disclosed at fair value, using a

three-level hierarchy, based on the lowest level of input that is significant to the entire fair value measurement,

being - Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date. Level 2: Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly. Level 3: Unobservable inputs for the asset or liability.

	Level 1 \$	Level 2 \$	Level 3 \$	Total \$
2025				
Assets				
Land and Buildings	-	11,250,000	-	11,250,000
Total Assets	-	11,250,000	-	11,250,000
2024				
Assets				
Land and Buildings	-	10,750,000	-	10,750,000
Total Assets	-	10,750,000	-	10,750,000

There were no transfers between levels during the financial year. Valuation techniques for fair value measurements categorised within Level 2

Land and buildings have been valued based on similar assets, location and market conditions.

#### Note 13: Events after the balance sheet date

There have been no events after the balance sheet date which significantly affected or may significantly affect the operations of the Association.

### Note 14: Cash flow information

	2025 \$	2024 \$
Reconciliation of Cash Flow from Operations with Surplus from Ordinary Activities		
Surplus from ordinary activities	573,807	603,579

### **Note 15: Financial Instruments**

The Association's activities expose it to a variety of financial risks: interest rate risk, credit risk and liquidity risk. The Association's overall risk management program focuses on the unpredictability of financial markets and seeks to minimise potential adverse effects on the financial performance of the Association.

The Association uses different methods to measure different types of risk to which it is exposed. These methods include sensitivity analysis in the case of interest rate and aging analysis for credit risk. The Association does not use derivative financial instruments (such as interest rate swaps) to hedge certain risk exposures. Risk management is carried out by the Board of Directors.

The Association holds the following financial instruments:

	30 April 2025 \$	30 April 2024 \$
Cash and cash equivalents	11,125,008	9,502,514
Trade and other receivables	915,901	1,833,956
	12,040,909	11,336,470
Trade and other payables	2,212,153	2,668,299
	2,212,153	2,668,299

### **Note 15: Financial Instruments (Cont.)**

#### (i) Interest rate risk

The Association's main interest rate risk arises from cash and cash equivalents. Cash and cash equivalents comprise deposits held at call with bank that are at variable interest rates. Interest rate risks also arise from borrowings.

As at the reporting date, the Association had the following deposits at call with banks.

30 Apr	30 April 2025		30 April 2024	
Weighted average interest rate	Balance \$	Weighted average interest rate	Balance \$	
4.26%	11,125,008	4.76%	9,502,514	

#### Sensitivity analysis - interest rate risk

Sensitivity analysis has not been provided on the basis that such an analysis is not considered to be material.

#### (ii) Credit risk

Credit risk arises from the financial assets of the Association, which comprise cash and cash equivalents and trade and other receivables. The Association's exposure to credit risk arises from potential default of the counter party, with a maximum exposure equal to the carrying amount of these instruments.

Trade receivables are non-interest bearing and on 30-day terms. A provision for impairment loss is recognised when there is objective evidence that an individual trade receivable is impaired. No impairment loss was recognised in respect of trade receivables in 2025 (2024: Nil).

At 30 April 2025, the ageing analysis of trade receivables is as follows:

	2025 \$	2024 \$
Current	550,882	1,730,806
Past due 30 – 60 days	96,131	97,269
Past due 60 – 90 days	265,120	1,050
Past due over 90 days	3,768	4,831
	915,901	1,833,956

The Association trades with only recognised and creditworthy third parties and as such collateral is not requested nor is it the Association's policy to securitise its trade and other receivables.

In addition, receivable balances are monitored on an ongoing basis with the result that the Association's exposure to bad debts is not significant.

The credit risk on liquid funds is limited because the counter party is a bank with a high credit rating.

#### (iii) Liquidity risk

The Association manages liquidity risk by continuously monitoring forecast and actual cash flows and matching the maturity profiles of financial assets and liabilities.

The Association's financial liabilities include trade and other payables that are paid on a 30-day period.

### Note 16: Key management personnel remuneration

The total remuneration paid to key management personnel of the Association is \$1,259,734 (2024: \$1,090,376).

#### **Note 17: Commitments**

The association did not have any commitments at 30 April 2025 (30 April 2024: Nil.)

### **Note 18: Contingencies**

The Association did not have any contingencies at 30 April 2025 (30 April 2024: Nil).

### **Note 19: Related parties**

(a) The Association's related parties refers to the key management personnel (refer to Note 15).

Any person(s) having authority and responsibility for planning, directing and controlling the activities of the Association, directly or indirectly, including any director (whether executive or otherwise) is considered key management personnel.

(b) Transactions with related parties

Transactions between related parties are on normal commercial terms and conditions no more favourable than those available to other parties unless otherwise stated. Other than the remuneration of key management personnel, there are no transactions with related parties.

### Note 20: Auditors' remuneration

### Report on the Audit of the Financial Report

## INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF SURF LIFE SAVING WESTERN AUSTRALIA INC.

#### Report on the Audit of the Financial Report

#### Opinion

We have audited the financial report of Surf Life Saving Western Australia Inc (the Association), which comprises the statement of financial position as at 30 April 2025, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including material accounting policy information, and the directors' declaration.

In our opinion, the accompanying financial report of the Association has been prepared in accordance with Division 60 of the Australian Charities and Not-for-profits Commission Act 2012 and the Associations Incorporation Act 2015, including:

- (a) giving a true and fair view of the Association's financial position as at 30 April 2025 and of its financial performance for the year then ended; and
- (b) complying with Australian Accounting Standards and Division 60 of the Australian Charities and Not-for-profits Commission Regulation 2012.

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of the Directors for the Financial Report

The Directors of the Association are responsible for the preparation and fair presentation of the financial report in accordance with the financial reporting requirements of the applicable legislation, including the requirements of Section 15(1) and 15(2) of the *Charitable Collections Act (WA) 1946 and Charitable Collections Regulations (WA) 1947* and for such internal control as the Directors determine is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Association to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the directors either intend to liquidate the Association or to cease operations, or have no realistic alternative but to do so.

### Report on the Audit of the Financial Report

#### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud
  or error, design and perform audit procedures responsive to those risks, and obtain audit evidence
  that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a
  material misstatement resulting from fraud is higher than for one resulting from error, as fraud may
  involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal
  control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
  that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
  effectiveness of the entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the going concern basis of accounting in the preparation of the financial report. We also conclude, based on the audit evidence obtained whether a material uncertainty exists related to events and conditions that may cast significant doubt on the entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the disclosures in the financial report about the material uncertainty or, if such disclosures are inadequate, to modify the opinion on the financial report. However, future events or conditions may cause an entity to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the
  disclosures and whether the financial statements represent the underlying transactions and events
  in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We are also required to provide the directors with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may be reasonably be thought to bear on our independence, and where applicable, related safeguards.

### Report on the Audit of the Financial Report

Crowe Perk

Report on Other Legal and Regulatory Requirements

Opinion pursuant to the Charitable Collections Act (WA) 1946 and Charitable Collections Regulations (WA) 1947

In our opinion, the Association has complied, in all material respects, with the requirements of the Charitable Collections Act (WA) 1946 and Charitable Collections Regulations (WA) 1947 for the year ended 30 April 2025.
