Surf Life Saving WA strives to deliver initiatives targeted at the programs we assist clubs with delivering. The All Abilities Surf Sport Program is one of these targeted programs.

To provide clubs with the opportunity to network with like-minded members and learn from each other's experiences, we are offering the first SLSWA All Abilities Development Camp.

We are fortunate to have engaged the services of Michael Woods from Inclusive Sport Design, who is the mastermind behind SLSA's Adaptive Aussies and has been training and supporting our All Abilities Program Staff at SLSWA, to attend the camp to facilitate some informative workshop sessions over the weekend.

This invitation is open to all clubs, those clubs already running an All Abilities Program and Clubs that may be interested in offering a program in the future. We invite All Abilities Club coordinators and/or volunteers to attend.
