To assist clubs with the development of their Nipper (U6-U13) and Youth (U14-U17) Age Managers, Surf Life Saving WA will run Age Manager Information Sessions. These online sessions will be approximately one hour long and will cover topics including the Woodside Nippers App, the Woodside Nippers Program, the SLSWA Youth Program and Child Safe. The table below has the planned schedule of **Age Manager Information Sessions**.

As this is a Skills Maintenance requirement for qualified Age Managers Course, Clubs are required to track the attendance of their qualified Age Managers and complete a Bulk Proficiency Form 14 for those who attend. There is potential that this will also be able to be completed via the Assessing App.
