strong young futures

Statement of Commitment to Safeguarding Children and Young People

OUR PURPOSE

We exist in order to: Support children & young people to grow and develop, safely.

OUR ASPIRATION

To deliver on our purpose we will strive to create:
Empowered children and young people who live their best lives.

Uplyft has zero tolerance towards all types of child abuse and will act to keep children and young people safe.

Uplyft actively seeks to provide child safe services through:

EMPOWERMENT

We prioritise child safety by involving and empowering children in decision-making, ensuring they know who to contact for help, and supporting those who report complaints or inappropriate behaviour.

INCLUSION

We uphold the rights of all children to safe, nurturing environments that honour their cultural identities and diversity, and we are committed to inclusivity for all children, including Aboriginal and Torres Strait Islanders and those from diverse backgrounds.

VIGILANCE

We ensure child safety through robust reporting, swift action, ongoing monitoring, continuous improvement based on National Principles for Child Safe Organisations, and accreditation by the Australian Childhood Foundation.

RIGOUR

We maintain child safety through rigorous recruitment, clear conduct codes, ongoing staff development, stringent safety policies, and comprehensive training in safeguarding.

Our Values

We Care | We Collaborate | We are Accountable | We Have Courage | We Celebrate
