About package:

"Start at the porch and step into a home designed to keep life moving smoothly. At the front, a walk-in linen and laundry zone keeps the everyday organised.

In the heart of the home, the open-plan living and dining area flows with ease, connecting naturally to the kitchen and creating a bright, central space made for gathering and unwinding. Just off this hub sits the minor bedroom and main bathroom—ideal for guests, family, or the freedom to shape the space your way.

At the rear, the master bedroom becomes your quiet retreat, complete with a built-in robe and private ensuite. A secure 2-car garage sits just beyond, offering simple access."
