## About package:

Step inside and feel the home open with purpose. Two minor bedrooms sit at the front, close to the main bathroom, creating a practical zone for family, guests, or a workspace that keeps life organised and moving with ease.

In the centre, the open-plan kitchen, living, and dining area forms the heart of the home—bright and connected. This space flows seamlessly out to the rear courtyard, giving you a simple, low-maintenance outdoor escape for morning coffee, evening drinks, or anything in between.

Tucked privately at the rear right-hand side, the master suite offers a calm retreat. A spacious walk-in robe and private ensuite bring comfort and clarity to your everyday, creating a place to recharge without stepping away from the flow of the home.
