About package:

This 3x2 home opens with clarity and purpose, placing all bedrooms at the front for easy flow and everyday simplicity. The two minor bedrooms sit first, positioned beside the main bathroom to keep the morning rush running smoothly. Just beyond, the laundry leads you to the master bedroom—a private retreat with its own ensuite and built-in robe, giving you comfort without complication.

Move further in and the home opens into an inviting, open-plan living and dining space. The kitchen sits neatly in the corner, creating a connected hub where cooking, gathering, and unwinding all happen with ease. From here, step straight out to the courtyard—a simple, light-filled escape ready for fresh air, quiet moments, or relaxed entertaining.
