About package:

This home greets you with energy from the moment you step inside. The kitchen, living, and dining areas sit confidently at the front, creating a bright, welcoming space that brings people together with ease. It's a hub designed for connection—morning coffee, shared dinners, and everyday moments that move life forward.

As you make your way through the home, the pace softens. The three bedrooms sit at the rear, offering a quiet retreat away from the rhythm of the day. The two minor bedrooms are positioned close to the main bathroom, keeping routines simple and everything within effortless reach.

Tucked at the very back, the master bedroom becomes your private sanctuary. With a built-in robe and a well-appointed ensuite, it delivers comfort without complication—just calm, clarity, and the space to breathe.
