

AWESOME Festival

2025 ACCESSIBILITY GUIDE

ACKNOWLEDGEMENT OF COUNTRY

The AWESOME Festival and Barking Gecko Arts respectfully acknowledges the Traditional Custodians of Country throughout Western Australia, and Lands to which we travel nationally. We pay our respects to Elders past and present and acknowledge their deep historical and spiritual connection to culture, country, waterways, rivers and seas. We are honoured to create our work on Whadjuk Boodja, the ancestral lands of the Noongar people.

Foreword

Art is one of the sheer joys of life. Whether it is slapping some paint on canvas, bellowing a few scripted lines to an audience, or grooving to an infectious tune, there is no quicker way to touch happiness than through art.

Every child has a right to participate in art, yet not all children have ready access to it. Some can be hypersensitive to different sensory experiences, which can lead to high anxiety and an aversion to taking part in artistic experiences.

The AWESOME Festival has recognised this and has taken action through the development of their Accessibility Guide. This guide provides information that can help guide parents to the most appropriate shows for their children, and ensures that this wonderful festival is inclusive to all.

Congratulations to the AWESOME Festival for this pioneering guide, and I encourage everyone in the autism community to go and see the wonders on offer.

Professor Andrew Whitehouse

Angela Wright Bennett Professor of Autism Research Telethon Kids and University of Western Australia; Director, CliniKids

Access with AWESOME

Our goal in creating this guide is to provide the support to cater for all our bright young things. We have gathered information about all of our events within the festival program and listed any possible triggers that could be of attention in providing the most comfortable, joyful experience for all.

Ultimately, it is parents and carers who are best placed to understand their child's needs and responses. We hope that this guide helps you to make decisions about the best events for your family to attend at the 2025 AWESOME Festival.

How to use this Guide:

Within the guide you will find a rating scale at the bottom of each page. We encourage parents and carers to use the scale to evaluate the compatibility of the event with your child. This may assist in making decisions about what to see and do.

For easier navigation, all links in this document are clickable and will take you to other websites or pages.

Each event is also marked with an icon to indicate the type of events we have:

☐	5 - YES!
☐	4
☐	3 - MAYBE
☐	2
☐	1 - NO
