

AWESOME Understanding Perspective

One point perspective pencil lines (we've colour coded ours)

One point perspective example

Define what these words mean in visual art:

Horizon Line

Leading Lines

Vanishing Point

Perspective

- 1) Using a pencil and a ruler draw a **horizon line** in the middle of your page, a small x in the middle of the horizon to use as a **vanishing point**.
- 2) Using a pencil and a ruler draw 2 lines intersecting at your vanishing point to use as your **leading lines**
- 3) Using a pencil draw a one point perspective image that demonstrates your definitions of the words on this page.

Remember: **Larger items are closer to you**
Smaller items are further away
