

What we are

A not-for-profit, member funded network that unites Perth's business leaders to ensure the sustainable growth of Perth - economic, social, cultural and environmental.

Strong advocates for a visionary long-term plan for Perth.

A driver of initiatives, policies, projects and activities to foster positive developments for the region.

A vehicle for the Perth business community to demonstrate their commitment to Corporate Social Responsibility and Community Investment (corporate responsibility is an imperative for safeguarding the sustainability of a business as a business can only grow if the economy and society are strong. Committee for Perth members are committed to helping the communities in which they operate to achieve their potential fully – in both the short and long term).

A think tank producing evidenced based research through a network of academic and independent researchers, working collaboratively to influence policy and advocate on issues that will help make Perth a stronger and more vibrant place to live.

An engaging forum where our members can collaborate and channel their passion for Perth.

An informed commentator and credible advocate on issues affecting the growth and development of Perth, now and into the future.

What we are not

CBD centric in our advocacy - our reach is broad and our advocacy impacts the entire region.

An exclusive network - membership is open to all.

A peak industry body - our members are cross sectoral

Political - our longevity of commitment spans political cycles, social, economic and cultural change.
