

# INVITATION TO REGISTER INTEREST FOR EVENTS IN THE AMPHITHEATRE

## YAGAN SQUARE

Located in the heart of the CBD, Yagan Square is one of the city's most popular community, meeting and celebration places. It offers a range of experiences, from event spaces for relaxation and play, to a Market Hall, cafes and restaurants, digital media, native gardens and engaging public art.

## THE AMPHITHEATRE

The *Meeting Place* is an outdoor amphitheatre located on the upper level at the heart of Yagan Square. The Amphitheatre can accommodate up to 500 people if being used as a performance space, or can be used for group classes, functions or award ceremonies in other configurations.

At the centre of the amphitheatre is a 10x7m elevated stage, with 3-phase power available at the stage and the top of the terraced seating. The overhead Digital Canopy can be programmed with custom colour lighting for evening events.

- ★ We are now inviting community groups and organisations to submit their interest in hosting events at the Yagan Square Amphitheatre via the [online booking form](https://www.yagansquare.com.au/booking). Events and activities deemed suitable can utilise the space free of charge.

# WHAT WE ARE LOOKING FOR

We want to collaborate with community groups and organisations to activate our amphitheatre and be part of the city's vibrant and exciting events calendar throughout the year. Events could include, but not be limited to;

- Live theatre, music or art performances
- Dance recitals
- School concerts
- Group classes
- Award ceremonies

## THINGS TO CONSIDER

Your event or activity should bring an expected crowd of participants and spectators from your own organisation's member, student or client database and not rely on passing foot traffic only. You are welcome to charge a fee for people to participate, however the general area will remain accessible to the public and non-ticket holders.

Proposals should offer events and activations that:

- Deliver quality visitor experiences and create opportunities for visitors and participants to engage with Yagan Square and the city;
- Stimulate the day and night-time local economy;
- Capitalise on prime locations, iconic design and public transport connections; and
- Include community, festival, cultural, music, tourism, recreation and installation opportunities.
