## A NOTE FROM SRBA MANAGER: Troy Stuchbree

## Thank You to Anthony Simpson and congratulations to Vince DiGrazia

In May the Association received the reluctant resignation of Anthony Simpson, who served on the Committee of Management since 2021, and who quickly accepted the role of Vice President in November 2022.

During Anthony's time on the Committee, he proved to be a strong and passionate representative for the Association, and the many businesses that call the Sydney Road Brunswick precinct home.

During his time, SRBA progressed positively through a number of large projects and milestones, including such outcomes as SRBA's positioning and advocacy around the Level Crossing Removal Project, and the successful renewal of the Sydney Road Brunswick Special Charge, from 2023 to 2028.

Anthony has long been a resolute supporter and advocate for small to medium-sized business, having himself been part of, and involved in, many.

Following the resignation of Anthony, SRBA is pleased to advise the appointment of Vince DiGrazia as Vice President, a role he had been supporting during a period of Leave by Anthony. This appointment was confirmed at the Committee's May Meeting, with resounding support by the Committee of Management.

to be a highly collaborative and inclusive Committee and Association.

#### SHOPFRONT AND BUSINESS SAFETY

There have been recent incidents, both within the Sydney Road Brunswick precinct and outside of it, that may have business owners wondering about their storefront safety.

If any business operators would be interested in having a police officer attend their business to provide advice on store layout and/or measures that you may be able to put in place to provide or setup a safe environment, please let us know via email info@sydneyroad.com.au or 9380 2005.

# PUBLIC MEETING — BRUNSWICK NEIGHBOURHOOD WATCH

## THE BENEFITS OF COLLABORATION

As Media Manager, I know how important collaboration is for business and the benefits that can be achieved in terms of engagement, reach, ideation and more. But it's not just important online.

Collaboration between businesses, big or small, established or new, can lead to truly valuable outcomes. Whether it's recommending customers, sharing ideas, services or spaces, working together helps everyone grow stronger.

That's why we want to help make those connections happen. If you're interested in meeting up with another business from within the precinct for a casual coffee chat (paid for by the Association), to talk about who you are, what you do, and explore how you might collaborate, let us know.

It could lead to a great cross-promotion online, a shared event, or even something completely unexpected.

Also, if you haven't already, we encourage you to join the Sydney Road Brunswick Trader Facebook Group. It's a space for networking, news and support, just for Sydney Road Brunswick precinct businesses.

The Group is a great way to stay connected and keep the collaboration going beyond networking events. You can find it at on Facebook, under the group name "sydneyroadtraders", or via the QR code.

So, if you want help connecting with other businesses, send us an email at info@sydneyroad.com.au

#### NETWORKING BREAKFAST - THANK YOU

A big thank you to those that were able to attend our Networking Breakfast held on Wednesday 14 May from 7:30am at Lobbs Café.

It was wonderful having so many businesses in attendance, with the breakfast welcoming 28 members of the business community. While at the breakfast, SRBA gave an update on some recent initiatives and also provided everyone with a snapshot of the 2025 Business and Customer Survey Results (on the back of this Newsletter). SRBA looks forward to welcoming you at the next networking event.

#### HISTORY TOURS: ICONIC SHOPS

Special thanks to Mediterranean Wholesalers and Paradise Records for allowing the tour groups to enter and look around the interior of your premises, and for providing more information and insight into your businesses and the buildings. These recent tours welcomed over 50 attendees, across the 3 tour dates.

#### SYDNEY ROAD BRUNSWICK PRECINCT PHONE APP

With the redevelopment of the Sydney Road Brunswick precinct website, sydneyroad.com.au, the decision has been made to decommission the Sydney Road Brunswick precinct phone app, noting that having a fully responsive and easily accessible website is more relevant in today's digital landscape - especially when it integrates the same functionality (such as listings for business specials, promotions, and events).

To support this transition, SRBA will be arranging for the removal of outdated phone app stickers from business windows over the coming months.

#### SRBA GENERAL MEETING

The next General Meeting of the Sydney Road Brunswick Association (SRBA) will take place on Monday 23 June, from 6pm, at the SRBA Hub (located at 454 Sydney Road, Brunswick, Victoria 3056). This meeting has been called so that three Special Resolutions can take place to update the Sydney Road Brunswick Association Incorporated's Model Rules.
