Are there specific terms or conditions to the Precinct Passport or Weekly Win entry?

Precinct Passport

If you are entering a Precinct Passport, you will need to make sure that each of your four eligible \$25 (or more) transactions/purchases take place in each of the four Precinct Zones, and are from a participating business. The Precinct Passport Zones are:

- Precinct Zone 1 (Brunswick Road to Dawson Street)
- Precinct Zone 2 (Dawson Street to Victoria Street)
- Precinct Zone 3 (Victoria Street to Albion Street)
- Precinct Zone 4 (Albion Street to Moreland Road)

The Sydney Road Brunswick Association (SRBA) has set the program out like this to ensure that the entirety of the Sydney Road Brunswick precinct feel your support this August. This is also a great way to discover new businesses! You never know what gems you'll find when you visit an area you wouldn't normally explore.

Precinct Passports will need to be submitted by 5pm on Friday 11 September, either completed online or by supplying a physically completed Precinct Passport (with corresponding valid receipts stapled to it). Weekly Wins

If you are entering the Weekly Wins, each valid transaction/purchase (\$25 or more in a single transaction) can only be entered once over the duration of the programs four draws. But there are multiple draw opportunities to enter each new transaction/purchase into:

- **Weekly Win Draw One of a \$50 precinct voucher: Tuesday 11 August at 11am**
 - For entries between 12.00am Saturday 1 August to 11.00am Tuesday 11 August
- **Weekly Win Draw Two of a \$50 precinct voucher: Tuesday 18 August at 11am**
 - For entries between 11.01am Tuesday 11 August to 11.00am Tuesday 18 August
- **Weekly Win Draw Three of a \$50 precinct voucher: Tuesday 25 August at 11am**
 - For entries between 11.01am Tuesday 18 August to 11.00am Tuesday 25 August
- **Weekly Win Draw Four of a \$50 precinct voucher: Tuesday 1 September at 11am**
 - For entries between 11.01am Tuesday 25 August to 11.59pm Monday 31 August

You can use your Precinct Passport eligible transactions towards the Weekly Wins too!

What type of transaction/purchase can I enter the Precinct Passport or Weekly Win?

The transactions/purchases can be on whatever you'd like, and if you shop the precinct regularly already – what you already do! It could be your weekly grocery shop, lunch at a café, a transaction from a professional service provider, a new dress, a tuxedo... Anything at all!

As long as it's \$25 or more (in a single transaction), and from a participating precinct business: [Business directory – Sydney Road](#)

Can I enter the Precinct Passport and Weekly Wins more than once?

You can enter as many times as you like, with each unique valid transaction/purchase you make over August!

If you spent \$25 or more (in a single transaction) multiple times in a week (and across all Precinct Zones), you can submit each of those once into the Weekly Wins, and also put to towards your Precinct Passport entry.

If you complete a Precinct Passport before the competition closes, you can also enter a new Precinct Passport, with new valid transactions and receipts.

When can I submit my Precinct Passport or Weekly Win entry?

For the Precinct Passport entries, you can submit as soon as you complete all the requirements.

For the Weekly Win entries, you can enter each unique transaction/purchase of \$25 or more, from a participating business, once - as soon as you complete it. Each of the Weekly Win draws is a new chance to win, with a new opportunity to enter your latest new transaction/purchase!

Can I have an example of a Precinct Passport entry that would be valid?

Of course! In this example, imagine you're Troy, and you've entered into the Precinct Passport competition with the following:

- Troy enjoyed a brownie and a coffee from The Happy Bakers, and while there – he also brought a couple of loafs of bread.
 - o The transaction cost for the above came to over \$25 (in a single transaction), and was completed within a participating business, in Precinct Zone 1 (between Brunswick Road and Dawson Street)
- Troy's a recent convert to a thrifter (we know... we know... but better late than never), and he found himself a pretty great oval shaped frame from Don Bosco Op Shop - and he just had to have it.
 - o The transaction cost for the above came to \$30 (in a single transaction), and was completed within a participating business, in Precinct Zone 2 (between Dawson Street and Victoria Street)
- Troy enjoys getting his hair cut from the team at Colour Kultcha, and this time around he had a full cut and wash.
 - o The transaction cost for the above came to \$80 (in a single transaction), and was completed within a participating business, in Precinct Zone 3 (between Victoria Street and Albion Street)
- Troy did his weekly grocery shop at Gervasi Foodworks (and he got carried away at the meats counter).
 - o The transaction cost for the above came to just over \$100 (in a single transaction), and was completed within a precinct business, in Precinct Zone 4 (between Albion Street and Moreland Road)

In the above example, Troy has ticked off all the requirements and can enter the competition. Please note that this is an example only.

Can I have an example of a Weekly Win entry that would be valid?

Of course! In this example, imagine you're Troy, and you've entered into some of the Weekly Wins draws with the following:

- Troy enjoyed a lovely Sunday Roast from the team at The Forager's Fork, and as the cost was over \$25, it was eligible to enter.
 - o Troy enjoyed this Roast on the first Sunday of August, so he decided to enter it into the first Weekly Wins draw, which was accepting entries until 11am on Tuesday 11 August. Now that he has entered it once already into the Weekly Wins, he is unable to enter it again – but he can put this towards his Precinct Passport entry.
- On Saturday 22 August, Troy enjoyed an opportunity to get some home cleaning products from Brunswick Super IGA, and while he was in the area – he also went over to Hyper Panda to buy an assortment of nuts and teas. Both of these unique transactions/purchases were over \$25 each, so they were both eligible to enter.
 - o Troy decided that he would enter both into the same Weekly Win draw period, to increase his chances at winning in that draw. Since he has now entered both of these into the same Weekly Win draw – he is unable to enter them again, but he can use one of the transactions/purchases towards a Precinct Passport for Precinct Zone 3 (and if he has time, can use the other transaction/purchase on a second Precinct Passport entry for Precinct Zone 3).
