ADELAIDE CITY ARCHIVES

REGISTER OF PLANS

1ST JULY 1924 TO 31st DECEMBER 1935
Building Surveyor's Staff

R. M. Scott, Building Surveyor

W. M. Lord, Deputy Building Surveyor

A. M. Owen, Chief Clerk

C. H. Richardson

A. M. Gentry

Herbert Hanby, Building Inspector

Register of Plans 2977, Accession 10378, Form 1.
I respectfully draw your attention to the difficulty which arises out of Clause 106 (1) of the Building Act 1908 (vide Page 41). In the past, under the Building Act 1901, it has been the custom of this office to advise architects or builders of necessary alterations on their plans. It has been the practice for the architects and others to temporarily recall their plans, and then return them to this office.

Under the section above cited this practice is not permitted. The plan must remain in the custody of the surveyor until the written approval of such a plan has been given. It would seem unnecessary delay and inconvenience to the public if the plan which does not satisfy the Act of Parliament were returned to the surveyor and disapproved, when by small alterations the plan could satisfy all requirements.

To avoid the hardship so clearly envisaged on sending the plan to the surveyor, the only alternative is for the architects or builders to correct the plan in this office. Such a procedure would hardly be permitted as a general course, as it is obvious that the office would be diseased at times, owing to outsiders using the drafting tables.

I am not willing to suggest any infringement of the Act, but I am proposing that a simpler method be adopted. The plan is returned to the surveyor for correction.

I would be glad if you could instruct me to follow some procedures which would still comply with the Act, and not upset the arrangements of this office.

6th September, 1906.

</table>

### Remarks
- All plans were approved and paid for in full.
- Construction was completed on time.

### Notes
- All buildings were constructed according to the Building Act, 1920.
- Plans were submitted by various architects and builders.
