Coaches should meet prior to the start of the game to discuss their player numbers. There are no restrictions to how many players can be on the bench.

If coaches cannot agree on playing numbers, the minimum playing numbers to constitute a game is what will be played.

10. Drawn Match

In the event of a drawn game during the home and away season, the draw will stand as is and points from the match will be shared as noted in item 9 of these Rules.

There shall be no drawn matches in the Grand Final. Where scores are level at the end of a Grand Final, an extra 5 minutes of match time will be played. If scores are level at the end of extra time, another 5 minutes of extra time will be played with teams switching ends. 3. B3: Players with limited vision, with vision as their primary tracking sense

There will be no break down as to the minimum or maximum number of B1, B2 or B3 players per team. The adaption of the score system will ensure exclusion isn't a factor.

18. Identifying players

B1 players will be identifiable with a fluoro yellow trimming around both their football jumper and shorts.

This identification is to assist umpires when they are awarding both marks and scores.

19. Scoring

To ensure an inclusive environment, scoring amounts will differ depending on a player's classification.

- B1: Goal = 9pts. Point = 2pts
- B2 & B3: Goal = 6pts Point = 1pts

20. Additional Rules

i. **Ball Ups**

A player may not take full possession of the ball at a ball up. The ball must go to another player or touch the ground before the player winning the ball up can take possession of the ball.

When the field umpire throws the ball up, they must ask the players in the ruck if they are ready. When the umpire feels that the players are ready, they yell 'PLAY' and proceed to throw the ball up.

ii. **Scoring**

Players will only be able to score inside their attacking zone of the field. When the football is in the attacking zone the blue tooth speaker will be activated by the goal umpire, with the speaker positioned in the middle of the goal posts. The speaker is there to assist players identify the centre of their goals. The speaker will indicate to players that the football is inside the scoring zone, therefore allowing a shot at goal.

If a player has taken a mark or been awarded a free kick inside their attacking zone, they are permitted to take a set shot at goal and kick from outside the attacking zone.

iii. **Tackling**

There will be no tackling in VBFL, the equivalent to a tackle is a two-hand touch between the shoulder and waist. Players are permitted to shepherd when they are within 5 metres of the football.

iv. **Holding the Ball**

If the player has not had prior opportunity to dispose of the ball, once touched/tagged by the opposition, the player with ball will have three (3) seconds to dispose of the ball. The umpire must count out loudly, 1, 2, 3, once the touch/tag has been initiated. Holding the ball will be awarded if the player does not release the ball after the 3 seconds. Players do not have to hold the player with the ball for 3 seconds, just touch them once with two-hands.

If the player has had prior opportunity to dispose of the ball, and is touched/tagged with two-hands, holding the ball will be paid without the umpiring counting out the three seconds.

v. **Running too Far**

A player may stay in possession of the ball for a maximum of 15 steps before bouncing the ball. A player can only bounce the ball a maximum of one (1) time, before they need to dispose of the ball. Should the player bounce the ball more than once, a free kick will be award against the ball carrier.

vi. **Marking**

Awarding a mark will depend on the classification of a player. The player must make a deliberate play at the ball for a mark to be awarded.

- B1, B2, B3 – When a player is receiving a kick, the player must show an attempt to make contact with the ball. Contact must be made on the full, either on the body above the waist or on a player's arms/hands, on the frontside of their body.
- A B1 player can be awarded a mark when receiving a handball. Contact must be made on the full, either on the body above the waist or on a player's arms/hands, on the frontside of their body.

A mark is to be paid to a player who marks the ball that has travelled at least five (5) metres and has not been touched in transit.

vii. **Out of Bounds**

Due to the rectangular shape of the indoor playing venue, the ball can only go out of bounds when it rolls behind the goal posts. In the event of this, there will be a ball up ten metres into play, in-line with the point post the ball went behind originally.

viii. **15 Metre Penalty**

A 15-metre penalty may be applied on top of a free kick at the umpire's discretion.

ix. **Player Safety**

When the ball is on the ground, all players, when within 1 meter of the football, must yell the name of their team when approaching to pick up the ball. Failure to do so will result in a free kick against the offending player.

x. **Mercy Rule**

In all games, should a team reach a margin of 50 points, the Mercy Rule is activated. Meaning, if the leading team scores a point, the trailing team will take the kick out from their defensive scoring arc. If the team leading scores a goal, the trailing team will take possession of the ball in the centre circle, not requiring a ball up to restart play.

If the trailing team brings the margin back under 50 points, the Mercy Rule is deactivated, and play will revert to normal.

21. Finals Eligibility

A player must have played (taken the field) in at least half of the fixtured matches for their team before being eligible to play in a Grand Final. AFL Victoria may grant an exemption to players injured during the season with the provision of relevant medical advice.

22. Umpires-Officials

One (1) field umpire for all VBFL fixtured games will be appointed by AFL Victoria. In the case that AFL Victoria is unable to appoint an umpire or the umpire does not attend, team captains will be notified accordingly.

Where AFL Victoria has not supplied umpire's uniforms, umpires shall wear their League's official uniform or AFL Victoria uniform.

The field umpires will also act as the goal umpires for all games.

The designated Match Manager will play the role of timekeeper and scorer.

When the field umpire throws the ball up, they must ask the players in the ruck if they are ready. When the umpire feels that the players are ready, they yell 'PLAY' and proceed to throw the ball up.

Umpires shall stick to running up and down the sidelines of the field (rectangular field) to avoid being confused as a player.

Field umpires must indicate each score kicked throughout the game verbally, due to different players classifications. Eg 'GOAL', '9 Points'. This needs to be communicated to the P/A.

After a stop in play (free kick, point scored etc) the umpire is to yell 'PLAY' when the player has the ball back in their hands and are ready to play. This will allow all players to know that play has reconvened.

When awarding a mark, the whistle must be blown, followed by the umpiring calling out 'mark'.

When it is not a mark, the umpire needs to call "no mark, play on". This will assist players in knowing if they have marked a handpass, due to not being able to determine if the ball has been kicked or handpassed. Please note, B1 players are to be awarded a mark if they mark a handpass.

The umpire must count out loudly, 1, 2, 3, once the touch/tag has been initiated. Holding the ball will be awarded if the player does not release the ball after the 3 seconds. Players do not have to hold the player with the ball for 3 seconds, just touch them once with two-hands.

23. Walkover/Forfeits

In the case of there being a walkover or forfeit, the non-forfeiting team will receive four competition points. Teams involved will further receive the average 'for' and 'against' scored, for that round, in their division.

In the event where the average 'for' and 'against' cannot be taken (eg, all games in the division were forfeited), the score line 30 - 0 will be recorded.

24. Jewellery

No Jewellery is to be worn on the ground whilst playing. If an umpire notices a player wearing jewellery the player will be asked to leave the ground and may only come back on once the jewellery has been removed.

25. Coaches and Officials

No coaches are permitted to be on the field coaching, however can walk around the perimeter of the playing field should they wish.

27. Order Off Rules

Players may be ordered from the field by the field umpire for breaching the AFL Laws or these Rules.

Yellow Card

A player shown a Yellow card by a field umpire must immediately leave the ground, the player may come back on the ground once ten (10) minutes of **PLAYING TIME** has passed. Players receiving a Yellow card **CAN** be replaced.

If a player commits a second Yellow card offence, then the umpire will show a Red card.

Red Card

A player shown a Red card by a field umpire must immediately leave the ground and is not permitted to return to the ground for the remainder of the game. Players receiving a Red card **CANNOT** be replaced for that match.

Should a player receive two yellow cards or a straight red card from the umpire, the player will receive an automatic one (1) match suspension. The one (1) match suspension is to be served directly after the game in which the incident occurred. If the game in which the two Yellow cards or the Red Card are received by a player is a Grand Final or final playoff, the one (1) match suspension will be served in the first game of the following season in which the player participates. The Tribunal has the option of adding additional match suspensions should they deem the matter serious enough.

28. Notice of Report

The head field umpire may report a player for breaching the AFL Laws or these Rules. The head field umpire should make their offence report to 'Match Manger' at the completion of the game, in which the offence occurred.
